Introduced by Senators Birkholz, Jelinek, George, Allen, Van Woerkom and Sanborn

ENROLLED SENATE BILL No. 869

AN ACT to amend 1974 PA 198, entitled "An act to provide for the establishment of plant rehabilitation districts and industrial development districts in local governmental units; to provide for the exemption from certain taxes; to levy and collect a specific tax upon the owners of certain facilities; to impose and provide for the disposition of an administrative fee; to provide for the disposition of the tax; to provide for the obtaining and transferring of an exemption certificate and to prescribe the contents of those certificates; to prescribe the powers and duties of the state tax commission and certain officers of local governmental units; and to provide penalties," by amending section 11 (MCL 207.561), as amended by 2001 PA 157.

The People of the State of Michigan enact:

Sec. 11. (1) Except as provided in subsections (6) and (7), there is levied upon every owner of a speculative building, a new facility, or a replacement facility to which an industrial facilities exemption certificate is issued a specific tax to be known as the industrial facility tax and an administrative fee calculated in the same manner and at the same rate that the local tax collecting unit imposes on ad valorem taxes collected under the general property tax act, 1893 PA 206, MCL 211.1 to 211.157.

(2) The industrial facility tax and administrative fee are to be paid annually, at the same times, in the same installments, and to the same officer or officers as taxes and administrative fees, if any, imposed under the general property tax act, 1893 PA 206, MCL 211.1 to 211.157, are payable. Except as otherwise provided in this section, the officer or officers shall disburse the industrial facility tax payments received each year to and among the state, cities, townships, villages, school districts, counties, and authorities, at the same times and in the same proportions as required by law for the disbursement of taxes collected under the general property tax act, 1893 PA 206, MCL 211.1 to 211.157. To determine the proportion for the disbursement of taxes under this subsection and for attribution of taxes under subsection (5) for taxes collected under industrial facilities exemption certificates issued before January 1, 1994, the number of mills levied for local school district operating purposes to be used in the calculation shall equal the number of mills for local school district operating purposes levied in 1993 minus the number of mills levied under the state education tax act, 1993 PA 331, MCL 211.901 to 211.906, for the year for which the disbursement is calculated.

(3) Except as provided by subsections (4) and (5), for an intermediate school district receiving state aid under section 56, 62, or 81 of the state school aid act of 1979, 1979 PA 94, MCL 388.1656, 388.1662, and 388.1681, of the amount that would otherwise be disbursed to or retained by the intermediate school district, all or a portion, to be determined on the basis of the tax rates being utilized to compute the amount of the state school aid, shall be paid instead to the state treasury to the credit of the state school aid fund established by section 11 of article IX of the state constitution

of 1963. If the sum of any commercial facilities taxes prescribed by the commercial redevelopment act, 1978 PA 255, MCL 207.651 to 207.668, and the industrial facility taxes paid to the state treasury to the credit of the state school aid fund that would otherwise be disbursed to the local or intermediate school district, under section 12 of the commercial redevelopment act, 1978 PA 255, MCL 207.662, and this section, exceeds the amount received by the local or intermediate school district under sections 56, 62, and 81 of the state school aid act of 1979, 1979 PA 94, MCL 388.1656, 388.1662, and 388.1681, the department of treasury shall allocate to each eligible local or intermediate school district an amount equal to the difference between the sum of the commercial facilities taxes and the industrial facility taxes paid to the state treasury to the credit of the state school aid fund and the amount the local or intermediate school district received under sections 56, 62, and 81 of the state school aid act of 1979, 1979 PA 94, MCL 388.1656, 388.1662, and 388.1681. This subsection does not apply to taxes levied for either of the following:

(a) Mills allocated to an intermediate school district for operating purposes as provided for under the property tax limitation act, 1933 PA 62, MCL 211.201 to 211.217a.

(b) An intermediate school district that is not receiving state aid under section 56 or 62 of the state school aid act of 1979, 1979 PA 94, MCL 388.1656 and 388.1662.

(4) For industrial facilities taxes levied before 1994, a local or intermediate school district shall receive or retain its industrial facility tax payment that is levied in any year and becomes a lien before December 1 of the year if the district files a statement with the state treasurer not later than June 30 of the year certifying that the district does not expect to receive state school aid payments under section 56, 62, or 81 of the state school aid act of 1979, 1979 PA 94, MCL 388.1656, 388.1662, and 388.1681, in the state fiscal year commencing in the year this statement is filed and if the district did not receive state school aid payments under section 56, 62, or 81 of the state school aid act of 1979, 1979 PA 94, MCL 388.1656, 388.1662, and 388.1681, for the state fiscal year concluding in the year the statement required by this subsection is filed. However, if a local or intermediate school district receives or retains its summer industrial facility tax payment under this subsection and becomes entitled to receive state school aid payments under section 56, 62, or 81 of the state school aid act of 1979, 1979 PA 94, MCL 388.1656, 388.1662, and 388.1681, in the state fiscal year commencing in the year in which it filed the statement required by this subsection, the district immediately shall pay to the state treasury to the credit of the state school aid fund an amount of the summer industrial facility tax payments that would have been paid to the state treasury to the credit of the state school aid fund under subsection (3) had not this subsection allowed the district to receive or retain the summer industrial facility tax payment.

(5) For industrial facilities taxes levied after 1993, the amount to be disbursed to a local school district, except for that amount of tax attributable to mills levied under section 1211(2) or 1211c of the revised school code, 1976 PA 451, MCL 380.1211 and 380.1211c, and mills that are not included as mills levied for school operating purposes under section 1211 of the revised school code, 1976 PA 451, MCL 380.1211, shall be paid to the state treasury and credited to the state school aid fund established by section 11 of article IX of the state constitution of 1963.

(6) A speculative building, a new facility, or a replacement facility located in a renaissance zone under the Michigan renaissance zone act, 1996 PA 376, MCL 125.2681 to 125.2696, is exempt from the industrial facility tax levied under this act to the extent and for the duration provided pursuant to the Michigan renaissance zone act, 1996 PA 376, MCL 125.2681 to 125.2696, except for that portion of the industrial facility tax attributable to a special assessment or a tax described in section 7ff(2) of the general property tax act, 1893 PA 206, MCL 211.7ff. The industrial facility tax calculated under this subsection shall be disbursed proportionately to the local taxing unit or units that levied the special assessment or the tax described in section 7ff(2) of the general property tax act, 1893 PA 206, MCL 211.7ff.

(7) Upon application for an exemption under this subsection by a qualified start-up business, the governing body of a local tax collecting unit may adopt a resolution to exempt a speculative building, a new facility, or a replacement facility of a qualified start-up business from the collection of the industrial facility tax levied under this act. The clerk of the local tax collecting unit shall notify in writing the assessor of the local tax collecting unit and the legislative body of each taxing unit that levies ad valorem property taxes in the local tax collecting unit. Before acting on the resolution, the governing body of the local tax collecting unit shall afford the assessor and a representative of the affected taxing units an opportunity for a hearing. The application for exemption under this subsection shall be in a form prescribed by the state tax commission. If a resolution authorizing the exemption is adopted as provided in this subsection, a speculative building, a new facility, or a replacement facility owned or operated by a qualified start-up business is exempt from the industrial facility tax levied under this act, except for that portion of the industrial facility tax attributable to a special assessment or a tax described in section 7ff(2) of the general property tax act, 1893 PA 206, MCL 211.7ff, for 5 consecutive years beginning on the December 31 in the year in which the qualified start-up business first claimed the credit under section 31a of the single business tax act, 1975 PA 228, MCL 208.31a, or section 51f of the income tax act of 1967, 1967 PA 281, MCL 206.51f. A qualified start-up business exempt under this subsection shall file an exemption affidavit with the assessor of the local tax collecting unit. The exemption affidavit shall be filed within 60 days of the qualified start-up business becoming exempt under this subsection. The affidavit shall be in a form prescribed by the state tax commission. The industrial facility tax calculated under this subsection shall be disbursed proportionately to the taxing unit or units that levied the special assessment or the tax described in section 7ff(2) of the general property tax act, 1893 PA 206, MCL 211.7ff. As used in this subsection, "qualified start-up business" means that term as defined in section 31a of the single business tax act, 1975 PA 228, MCL 208.31a.

This act is ordered to take immediate effect.
