

# HOUSE BILL No. 4091

January 29, 2003, Introduced by Reps. Kolb, Gielegem, Vagnozzi, Zelenko, Minore, Murphy and Gleason and referred to the Committee on Land Use and Environment.

A bill to amend 1978 PA 368, entitled  
"Public health code,"  
(MCL 333.1101 to 333.25211) by adding section 12102.

**THE PEOPLE OF THE STATE OF MICHIGAN ENACT:**

1       Sec. 12102. Not later than 1 year after the effective date  
2 of this section, the department, in consultation with the  
3 department of environmental quality, shall do all of the  
4 following:

5           (a) Identify environmental pollutants commonly used or found  
6 in areas that are reasonably accessible to children.

7           (b) Utilizing scientific peer review, prepare a list of  
8 environmental pollutants identified under subdivision (a) with  
9 known, likely, or suspected health risks to children.

10          (c) Make recommendations to help reduce or eliminate exposure  
11 of children to environmental pollutants on the list prepared

1 under subdivision (b) in areas reasonably accessible to  
2 children. If the list prepared under subdivision (b) includes  
3 pesticides, the recommendation shall include advice, developed in  
4 consultation with the department of agriculture, on how to  
5 establish an integrated pest management program that reduces or  
6 eliminates exposure of children to those pesticides.

7 (d) Distribute information, based on the recommendations made  
8 under subdivision (c), advising parents on how to protect  
9 children from exposure to environmental pollutants.
