A joint resolution proposing an amendment to the state constitution of 1963, by amending section 3 of article IX, to grant the legislature the authority to define additions and losses for property tax purposes.

Resolved by the Senate and House of Representatives of the state of Michigan, That the following amendment to the state constitution of 1963, to grant the legislature the authority to define additions and losses for property tax purposes, is proposed, agreed to, and submitted to the people of the state:

- 1 of true cash value at which such property shall be uniformly
- 2 assessed, which shall not, after January 1, 1966, exceed 50
- 3 percent; and for a system of equalization of assessments. For
- 4 taxes levied in 1995 and each year thereafter, the legislature
- 5 shall provide that the taxable value of each parcel of property
- 6 adjusted for additions and losses, as defined by law, shall not
- 7 increase each year by more than the increase in the immediately
- 8 preceding year in the general price level, as defined in section
- 9 33 of this article, or 5 percent, whichever is less until
- 10 ownership of the parcel of property is transferred. When
- 11 ownership of the parcel of property is transferred as defined by
- 12 law, the parcel shall be assessed at the applicable proportion of
- 13 current true cash value. The legislature may provide for
- 14 alternative means of taxation of designated real and tangible
- 15 personal property in lieu of general ad valorem taxation. Every
- 16 tax other than the general ad valorem property tax shall be
- 17 uniform upon the class or classes on which it operates. A law
- 18 that increases the statutory limits in effect as of February 1,
- 19 1994 on the maximum amount of ad valorem property taxes that may
- 20 be levied for school district operating purposes requires the
- 21 approval of 3/4 of the members elected to and serving in the
- 22 Senate and in the House of Representatives.
- 23 Resolved further, That the foregoing amendment shall be
- 24 submitted to the people of the state at the next general election
- 25 in the manner provided by law.
