ENROLLED HOUSE BILL No. 5195

AN ACT to amend 1994 PA 295, entitled "An act to require persons convicted of certain offenses to register; to prescribe the powers and duties of certain departments and agencies in connection with that registration; and to prescribe penalties and sanctions," by amending section 8 (MCL 28.728), as amended by 2002 PA 542.

The People of the State of Michigan enact:

Sec. 8. (1) The department shall maintain a computerized data base of registrations and notices required under this act.

(2) The department shall maintain a computerized data base separate from that described in subsection (1) to implement section 10(2) and (3). The data base shall consist of a compilation of individuals registered under this act, but except as provided in this subsection, shall not include any individual registered solely because he or she had 1 or more dispositions for a listed offense entered under section 18 of chapter XIIA of the probate code of 1939, 1939 PA 288, MCL 712A.18, in a case that was not designated as a case in which the individual was to be tried in the same manner as an adult under section 2d of chapter XIIA of the probate code of 1939, 1939 PA 288, MCL 712A.2d. The exclusion for juvenile dispositions does not apply to a disposition for a violation of section 520b or 520c of the Michigan penal code, 1931 PA 328, MCL 750.520b and 750.520c, after the individual becomes 18 years of age.

(3) The compilation of individuals shall be indexed numerically by zip code area. Within each zip code area, the compilation shall contain all of the following information:

(a) The name and aliases, address, physical description, and birth date of each individual registered under this act who is included in the compilation and who resides in that zip code area and any listed offense of which the individual has been convicted.

(b) The name and campus location of each institution of higher education to which the individual is required to report under section 4a.

(c) The photograph of each individual registered under this act. The department shall obtain the photographs submitted under section 5a from the secretary of state for purposes of implementing this subdivision.

(4) The department shall update the compilation with new registrations, deletions from registrations, and address changes at the same time those changes are made to the data base described in subsection (1). The department shall make the compilation available to each department post, local law enforcement agency, and sheriff's department by the law enforcement information network. Upon request by a department post, local law enforcement agency, or sheriff's department, the department shall provide to that post, agency, or sheriff's department the information from the compilation in printed form for the zip code areas located in whole or in part within the post's, agency's, or sheriff's department's jurisdiction. The department shall provide the ability to conduct a computerized search of the compilation based upon the name and campus location of an institution of higher education described in subsection (3)(b).

(5) The department shall make the compilation or information from the compilation available to a department post, local law enforcement agency, sheriff's department, and the public by electronic, computerized, or other similar means accessible to the post, agency, or sheriff's department. The electronic, computerized, or other similar means shall provide for both a search by name and by zip code.

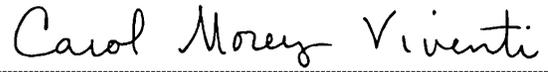

(6) If a court determines that the public availability under section 10 of any information concerning individuals registered under this act, including names and aliases, addresses, physical descriptions, or dates of birth, violates the constitution of the United States or this state, the department shall revise the compilation in subsection (2) so that it does not contain that information.

Enacting section 1. This amendatory act takes effect May 1, 2005.

This act is ordered to take immediate effect.
