## Changes from FY 2005-06 Year to Date:

- 1. **Developmental Kindergarten.** The Senate substitute concurred with the Gov. and eliminated current law that stated that beginning in FY 2006-07, costs for educating pre-kindergarten pupils shall be reported and reimbursed under Section 31b. (Sec. 6(4)(r))
- 2. **Pupil Membership Count Day.** The Senate substitute concurred with the Gov. and proposed to change the fall count day to the fourth Wednesday following Labor Day to account for the now mandatory post-Labor Day school start. (Sec. 6(7))
- 3. **Expenditures Guidelines and Financial Audits.** The Senate substitute concurred with the Gov. to require districts and ISDs to post their annual operating budget on their website within 30 days of adoption or revision. (Sec. 18(2))
- 4. **Foundation Allowance Index.** The Gov. eliminated language that required the basic foundation allowance to increase by the index determined at the Consensus Revenue Estimating Conference. Senate substitute retained current law. (Sec. 20(14))
- 5. **Supplemental Foundation Allowance Payment for FY 2005-06.** The Gov. appropriated \$41,500,000 to make an additional payment of \$25 per pupil in FY 2005-06. Senate substitute does not include this supplemental payment; however, this Section was used as a place holder for adjusting the foundation allowances of districts with deficit operating budgets. (Sec. 22e)
- 6. After-School Tutoring for At-Risk Female Pupils. The Senate substitute added additional funding of \$100,000 earmarked to the Detroit Public Schools to provide after-school tutoring programs for at-risk girls in grades 1 through 8. (Sec. 31a(8))
- 7. **Child and Adolescent Health Centers.** The Senate substitute added additional \$2.0 million to fund 11 centers that previously received planning grants. Also increased the number of grant years to 5 beginning with FY 2003-04. (Sec. 31a(6))
- 8. **Children of Incarcerated Parents.** The Senate substitute added a new pilot program for children with incarcerated parents. Eligible districts must have a free breakfast or lunch eligibility rate of 60% or more and must use the funds to provide video and/or audio conferencing and academic or social support from qualified personnel. (Sec. 31c)
- 9. **School Readiness Competitive Grants.** The Senate substitute concurred with Gov. and added clarification language that the grants are for the purpose of preparing children for success in school, including language, early literacy, and early mathematics. (Sec. 32l)
- 10. **ISD General Operations.** The Senate substitute concurred with the Gov. and provided \$500,000 for ISDs to collaborate with the DOE to develop expanded professional development opportunities for teachers to update and expand their knowledge and skills needed to support the Michigan Merit core content standards and credit requirements. (Sec. 81(2))
- 11. **Michigan Virtual High School.** The Senate substitute concurred with the Gov. and added new language requiring the MVHS to provide online preparation resources for pupils that would be web-based tools for the ACT and the revised MEAP exam, and would include practice tests, test-taking strategies, diagnostic tools, self-paced online instructional tutorials, and electronic feedback reports for students and schools. (Sec. 98)
- 12. **Math and Science Centers.** Senate substitute concurred with the Gov. and stated that the additional \$1,00,000 was earmarked for those centers determined by the DOE as able to provide curriculum and professional development support to assist districts in implementing the Michigan Merit core curriculum components for math and science. (Sec. 99)
- 13. **Hours of Instruction.** Senate substitute changed the number of professional development hours that can be used as hours of instruction from 51 to 38. Also added exemption for districts with union contracts allowing up to 51 hours to be used to continue to do so until those contracts expire. (Sec. 101)
- 14. **Enrollment of Pupils Under Schools of Choice.** The Senate Substitute added a new provision stating that if a district enrolls and counts a nonresident pupil in membership under the schools of choice provisions, the district must continue to enroll that pupil irregardless of the pupil having been suspended or expelled from another district prior to the pupil being enrolled and counted in membership in that nonresident district. (Sec. 105(10) and Sec. 105c(10))
- 15. **Adult Education.** The Gov. changed the payment to be based on 75% for enrollment and 25% for completion. Senate substitute retained current law such that payment remains at 90% for enrollment and 10% for completion. In addition, the Senate substitute added new language stating that the additional \$4.0 million must first be used for new programs with any additional funds allocated equally among existing programs. (Sec. 107)
- 16. **Retirement Rate.** The Senate substitute concurred with the Gov. and proposed the rate to be increased by 1.4 percentage points to a total of 17.74% of payroll, compared to the FY 2005-06 rate of 16.34%. (sec. 147)
