

**SUBSTITUTE FOR
HOUSE BILL NO. 4566**

A bill to amend 1980 PA 299, entitled
"Occupational code,"
by amending section 411 (MCL 339.411), as amended by 2004 PA 373.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 411. (1) Subject to subsection (2), a person who fails to
2 renew a license or registration on or before the expiration date
3 shall not practice the occupation, operate, or use the title after
4 the expiration date printed on the license or registration. A
5 license or registration shall lapse on the day after the expiration
6 date.

7 (2) A person who fails to renew a license or registration on
8 or before the expiration date shall be permitted to renew the
9 license or registration by payment of the required license or

1 registration fee and a late renewal fee within 60 days after the
2 expiration date.

3 (3) Except as otherwise provided in this act, a person who
4 fails to renew a license or registration within the time period set
5 forth in subsection (2) may be relicensed or reregistered without
6 examination and without meeting additional education or training
7 requirements in force at the time of application for relicensure or
8 reregistration if all of the following conditions are met:

9 (a) The person applies within 3 years after the expiration
10 date of the last license or registration.

11 (b) The person pays an application processing fee, the late
12 renewal fee, and the per year license or registration fee for the
13 upcoming licensure or registration period, subject to subsection
14 (8).

15 (c) Penalties and conditions imposed by disciplinary action in
16 this state or any other jurisdiction have been satisfied.

17 (d) The person submits proof of having completed the
18 equivalent of 1 year of continuing education within the 12 months
19 immediately preceding the date of application or as otherwise
20 provided in a specific article or by rule, if continuing education
21 is required of licensees or registrants under a specific article.

22 (4) Except as otherwise provided in this act, a person may be
23 relicensed or reregistered subsequent to 3 or more years after the
24 expiration date of the last license or registration upon showing
25 that the person meets the requirements for licensure or
26 registration as established by the department in rules or
27 procedures ~~which~~ **THAT** may require a person to pass all or part of

1 a required examination, to complete continuing education
2 requirements, or to meet current education or training
3 requirements.

4 (5) Unless otherwise provided in this act, a person who seeks
5 reinstatement of a license or registration shall file an
6 application on a form provided by the department, pay the
7 application processing fee, and file a petition to the department
8 and the appropriate board stating reasons for reinstatement and
9 including evidence that the person can and is likely to serve the
10 public in the regulated activity with competence and in conformance
11 with all other requirements prescribed by law, rule, or an order of
12 the department or board. The procedure to be followed in conducting
13 the review of a petition for reinstatement is prescribed in article
14 5. If approved for reinstatement, the person shall pay the per year
15 license or registration fee for the upcoming license or
16 registration period if appropriate, in addition to completing any
17 requirements imposed in accordance with section 203(2).

18 (6) Beginning ~~the effective date of the amendatory act that~~
19 ~~added this subsection~~ **OCTOBER 11, 2004**, the department shall issue
20 an initial or renewal license or registration not later than 90
21 days after the applicant files a completed application. Receipt of
22 the application is considered the date the application is received
23 by any agency or department of the state of Michigan. If the
24 application is considered incomplete by the department, the
25 department shall notify the applicant in writing, or make
26 information electronically available, within 30 days after receipt
27 of the incomplete application, describing the deficiency and

1 requesting the additional information. The 90-day period is tolled
2 upon notification by the department of a deficiency until the date
3 the requested information is received by the department. The
4 determination of the completeness of an application does not
5 operate as an approval of the application for the license or
6 registration and does not confer eligibility of an applicant
7 determined otherwise ineligible for issuance of a license or
8 registration.

9 (7) Notwithstanding the time periods described in subsection
10 (6), in the case of a real estate broker and associate broker
11 licensed under article 25, the time period for approval by the
12 department of a completed application is 30 days and the time
13 period for notification sent in writing, or ~~made electronically~~
14 **WHEN available, BY TELEPHONE, ELECTRONIC MAIL, OR INTERNET POSTING,**
15 by the department to the applicant regarding an incomplete
16 application is 15 **BUSINESS** days after the receipt of the
17 application by any agency or department of the state of Michigan.

18 (8) If the department fails to issue or deny a license or
19 registration within the time required by this section, the
20 department shall return the license or registration fee, and shall
21 reduce the license or registration fee for the applicant's next
22 renewal application, if any, by 15%. The failure to issue or deny a
23 license or registration within the time required under this section
24 does not allow the department to otherwise delay the processing of
25 the application, and that application, upon completion, shall be
26 placed in sequence with other completed applications received at
27 that same time. The department shall not discriminate against an

1 applicant in the processing of an application based upon the fact
2 that the license or registration fee was refunded or discounted
3 under this subsection.

4 (9) Beginning October 1, 2005, the director shall submit a
5 report by December 1 of each year to the standing committees and
6 appropriations subcommittees of the senate and house of
7 representatives concerned with occupational issues. The director
8 shall include all of the following information in the report
9 concerning the preceding fiscal year:

10 (a) The number of initial and renewal applications the
11 department received and completed within the 90-day time period
12 described in subsection (6) and the 30-day time period described in
13 subsection (7).

14 (b) The number of applications denied.

15 (c) The number of applicants not issued a license or

25 contrary, an individual or qualifying officer who is a licensee or
26 registrant under this act and who is on active duty in the armed
27 forces of the United States in an area designated as a combat zone

1 by the president of the United States is temporarily exempt from
2 the renewal license fee, continuing education requirements, and any
3 other related requirements of this act. It is the obligation of the
4 licensee or registrant to inform the department by written or
5 electronic mail of the desire to exercise the temporary exemption
6 under this subsection. If the licensee applying for the temporary
7 exemption is the individual responsible for supervision and
8 oversight of licensed activities, notice of arrangements for
9 adequate provision of that supervision and oversight shall be
10 provided to the department. The licensee or registrant shall
11 accompany the request with proof, as determined by the department,
12 to verify the active duty status. The department, upon receiving a
13 request for a temporary exemption under this subsection, shall make
14 a determination of the requestor's status and grant the temporary
15 exemption after verification of active duty status under this
16 subsection. A temporary exemption is valid until 90 days after the
17 licensee's or registrant's release from the active duty upon which
18 the exemption was based, but shall not exceed 36 months from the
19 date of expiration of the license or registration.

20 (12) As used in this section, "completed application" means an
21 application complete on its face and submitted with any applicable
22 licensing or registration fees as well as any other information,
23 records, approval, security, or similar item required by law or
24 rule from a local unit of government, a federal agency, or a
25 private entity but not from another department or agency of the
26 state of Michigan.
