

# SENATE BILL No. 899

November 10, 2005, Introduced by Senator ALLEN and referred to the Committee on Natural Resources and Environmental Affairs.

A bill to amend 1994 PA 451, entitled  
"Natural resources and environmental protection act,"  
by amending section 63203 (MCL 324.63203), as added by 2004 PA 449.

## THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1       Sec. 63203. (1) The department shall administer and enforce  
2       this part in order to regulate nonferrous metallic mineral mining.  
3       In addition to other powers granted to it, the department may  
4       promulgate rules it considers necessary to carry out its duties  
5       under this part, including standards for construction, operation,  
6       closure, postclosure monitoring, reclamation, and remediation of a  
7       nonferrous metallic mineral mine. However, the department shall not  
8       promulgate any additional rules under this part after ~~December 31,~~  
9       ~~2005~~ **JANUARY 31, 2006.**

1 (2) The department may do either of the following:

2 (a) Enter at all reasonable times in or upon a mining area for  
3 the purpose of inspecting and investigating conditions relating to  
4 the operation of a mining area. However, an investigation or  
5 inspection under this subsection shall comply with the United  
6 States constitution, the state constitution of 1963, and this  
7 section.

8 (b) Conduct research or enter into contracts related to mining  
9 areas and the reclamation of mining areas as may be necessary to  
10 implement this part.

11 (3) Subject to subsections (4) and (5), a local unit of  
12 government shall not regulate or control mining or reclamation  
13 activities that are subject to this part, including construction,  
14 operation, closure, postclosure monitoring, reclamation, and  
15 remediation activities, and does not have jurisdiction concerning  
16 the issuance of permits for those activities.

17 (4) A local unit of government may enact, maintain, and  
18 enforce ordinances, regulations, or resolutions affecting mining  
19 operations if the ordinances, regulations, or resolutions do not  
20 duplicate, contradict, or conflict with this part. In addition, a  
21 local unit of government may enact, maintain, and enforce  
22 ordinances, regulations, or resolutions regulating the hours at  
23 which mining operations may take place and routes used by vehicles  
24 in connection with mining operations. However, such ordinances,  
25 regulations, or resolutions shall be reasonable in accommodating  
26 customary nonferrous metallic mineral mining operations.

27 (5) Subsections (3) and (4) do not prohibit a local unit of

1 government from conducting water quality monitoring.
