Sec. 43517. A parent or legal guardian of a minor child shall not permit or allow the minor child to hunt game under the authority of a license issued pursuant to this part except under 1 of the following conditions:

(a) The minor child hunts only on land upon which a parent or guardian is regularly domiciled or a parent or guardian, or another person at least 18 years old authorized by a parent or guardian, accompanies the minor child. This subdivision does not apply under either of the following circumstances:

(i) The license is an apprentice license.

(ii) The minor child is less than 14 years old and the license is a license to hunt deer, bear, or elk with a firearm.

(b) If the license is an apprentice license, a parent or guardian, or another person at least 21 years old authorized by a parent or guardian, who is licensed to hunt that game under a license other than an apprentice license accompanies the minor child. In addition, if the minor child is less than 14 years old and the apprentice license is a license to hunt deer, bear, or elk with a firearm, the minor child shall hunt only on private property.

(c) If the minor child is less than 14 years old and the license is a license to hunt deer, bear, or elk with a firearm, the minor child hunts only on private property and a parent or guardian, or another person authorized by a parent or guardian who is at least 18 years old, accompanies the minor child. This subdivision does not apply if the license is an apprentice license.

Sec. 43520. (1) Subject to other requirements of this part, the department may issue a hunting license to a minor child if all of the following requirements are met:

(a) A parent or legal guardian of the minor child applies for the license on behalf of the minor child.

(b) The parent or guardian represents that the requirements of section 43517(a), (b), or (c), as applicable, will be complied with.

(c) The minor child is at least 10 years old or, if the license is a license to hunt deer, bear, or elk with a firearm, at least 12 years old.

(d) The license fee is paid.

(2) A person authorized to sell hunting licenses shall not issue a hunting license to a person born after January 1, 1960, unless the person presents proof of previous hunting experience in the form of a hunting license issued by this state, another state, a province of Canada, or another country or presents a certification of completion of training in hunter safety issued to the person by this state, another state, a province of Canada, or another country. If an applicant for a hunting license does not have proof of such a previous license or a certification of completion of training in hunter safety, a person authorized to sell hunting licenses may issue a hunting license if the applicant submits a signed affidavit stating that the applicant has completed a course in hunter safety or that the applicant possessed such a hunting license

previously. The person selling a hunting license shall record as specified by the department the form of proof of the previous hunting experience or certification of completion of hunter safety training presented by the applicant. This subsection does not apply to the issuance of an apprentice license. An apprentice license or the equivalent does not satisfy the requirements of this subsection concerning proof of previous hunting experience.

A person 17 years old or older shall not hunt game under an apprentice license unless another person at least 21 years old who possesses a license, other than an apprentice license, to hunt that game accompanies that apprentice licensee and does not accompany more than 1 other apprentice licensee. For the purposes of this subsection and section 43517(b), a person shall not go along with more than 2 apprentice licensees of any age for the purpose of accompanying those apprentice licensees while those apprentice licensees are hunting. If a person has represented to an apprentice licensee or, if the apprentice licensee is a minor child, to the apprentice licensee's parent or legal guardian that the person would accompany the apprentice licensee for the purposes of this subsection, the person shall not go along with the apprentice licensee while the apprentice licensee is hunting unless the person actually accompanies the apprentice licensee and possesses a license, other than an apprentice license, to hunt the same game as the apprentice licensee. A person is not eligible to obtain a specific type of apprentice license, such as a firearm deer license, an archery deer license, a combination deer license, a small game license, or a turkey license, for more than 2 license years. An apprentice license shall be distinguished from a license other than an apprentice license by a notation or other means.

(4) By October 1, 2008, the department shall submit to the standing committees of the senate and house of representatives with primary responsibility for conservation and outdoor recreation issues a report on the effect of the apprentice hunter program and the reductions in minimum hunting age enacted by the 2006 amendatory act that amended this section on recruitment of new hunters and other relevant issues, such as hunter safety.

This act is ordered to take immediate effect.
