*The People of the State of Michigan enact:*

Sec. 1536. (1) The state board shall develop a school administrator's certificate that may be issued to school district and intermediate school district superintendents, school principals, assistant principals, and other administrators whose primary responsibility is administering instructional programs. An individual is not required by this section to have a school administrator's certificate under this section or an endorsement under subsection (2) to be employed as a school administrator by a school district, public school academy, intermediate school district, or nonpublic school.

(2) The state board also may develop appropriate certificate endorsements for school administrators, by elementary, secondary, and central office level.

(3) The state board shall develop standards and procedures to implement this section. The standards and procedures shall address at least all of the following:

(a) The educational and professional experience requirements for a certificate or endorsement under this section.

(b) Continuing education requirements for periodic recertification. These requirements shall be consistent with the continuing education requirements under section 1246.

(c) Procedures for application for and issuance of certificates and endorsements under this section.

(d) Standards and procedures for suspension and revocation of a certificate. These standards and procedures shall be based on the standards and procedures for taking action against a person's teaching certificate under section 1535a.

(4) The department shall consult and work with appropriate professional organizations, primarily organizations representing superintendents and building-level administrators, in developing the standards required under this section.

(5) For the purposes of adding 1 or more enhancement or specialty endorsements for a school administrator's certificate, the department may recognize performance-based professional learning programs offered by established state professional organizations that represent school administrators described in subsection (1). These programs must be approved by the department based on alignment with state board-approved school administrator program preparation standards.

(6) As used in this section, "established state professional organization" means an association that has served members on a statewide basis for at least 10 years.

This act is ordered to take immediate effect.
