ENROLLED SENATE BILL No. 1111

AN ACT to amend 1974 PA 198, entitled "An act to provide for the establishment of plant rehabilitation districts and industrial development districts in local governmental units; to provide for the exemption from certain taxes; to levy and collect a specific tax upon the owners of certain facilities; to impose and provide for the disposition of an administrative fee; to provide for the disposition of the tax; to provide for the obtaining and transferring of an exemption certificate and to prescribe the contents of those certificates; to prescribe the powers and duties of the state tax commission and certain officers of local governmental units; and to provide penalties," by amending section 7 (MCL 207.557), as amended by 2005 PA 267.

The People of the State of Michigan enact:

Sec. 7. (1) Within 60 days after receipt of an approved application or an appeal of a disapproved application that was submitted to the commission before October 31 of that year, the commission shall determine whether the facility is a speculative building or designed and acquired primarily for the purpose of restoration or replacement of obsolete industrial property or the construction of new industrial property, and whether the facility otherwise complies with section 9 and with the other provisions of this act. If the commission so finds, it shall issue an industrial facilities exemption certificate. Before issuing a certificate the commission shall notify the state treasurer of the application and shall obtain the written concurrence of the department of labor and economic growth that the application complies with the requirements in section 9. Except as otherwise provided in section 7a, the effective date of the certificate for a replacement facility or new facility is the immediately succeeding December 31 following the date the certificate is issued. For a speculative building or a portion of a speculative building, except as otherwise provided in section 7a, the effective date of the certificate is the immediately succeeding December 31 following the date the speculative building, or the portion of a speculative building, is used as a manufacturing facility.

(2) The commission shall send an industrial facilities exemption certificate, when issued, by certified mail to the applicant, and a certified copy by certified mail to the assessor of the assessing unit in which the facility is located or to be located, and that copy shall be filed in his or her office. Notice of the commission's refusal to issue a certificate shall be sent by certified mail to the same persons.

(3) Notwithstanding any other provision of this act, if on December 29, 1986 a local governmental unit passed a resolution approving an exemption certificate for 10 years for real and personal property but the commission did not receive the application until 1992 and the application was not made complete until 1995, then the commission shall issue, for that property, an industrial facilities exemption certificate that begins December 30, 1987 and ends December 30, 1997.

(4) Notwithstanding any other provision of this act, if pursuant to section 16a a local governmental unit passed a resolution approving an industrial facilities exemption certificate for a new facility on October 14, 2003 for a certificate that expired in December 2002, the commission shall issue for that property an industrial facilities exemption certificate that begins on December 30, 2002 and ends December 30, 2009.

(5) Notwithstanding any other provision of this act, if on or before February 10, 2007 a local governmental unit passed a resolution approving an amendment of an industrial facilities exemption certificate for a replacement facility and that certificate was revoked by the commission effective December 30, 2005 with the order of revocation issued by the commission on April 10, 2006, notwithstanding the revocation, the commission shall retroactively amend the certificate and give full effect to the amended certificate, which shall include the additional personal property expenditures described in the resolution amending the certificate, for the period of time beginning when the certificate was originally approved until the certificate was revoked.

This act is ordered to take immediate effect.
