# **ENROLLED HOUSE BILL No. 6174**

AN ACT to amend 1973 PA 116, entitled "An act to provide for the protection of children through the licensing and regulation of child care organizations; to provide for the establishment of standards of care for child care organizations; to prescribe powers and duties of certain departments of this state and adoption facilitators; to provide penalties; and to repeal acts and parts of acts," by amending sections 5, 5c, and 5f (MCL 722.115, 722.115c, and 722.115f), section 5 as amended by 2006 PA 51, section 5c as added by 2005 PA 133, and section 5f as added by 2005 PA 128.

*The People of the State of Michigan enact:*

Sec. 5. (1) A person, partnership, firm, corporation, association, or nongovernmental organization shall not establish or maintain a child care organization unless licensed or registered by the department. Application for a license or certificate of registration shall be made on forms provided, and in the manner prescribed, by the department. Before issuing or renewing a license, the department shall investigate the applicant's activities and proposed standards of care and shall make an on-site visit of the proposed or established organization. If the department is satisfied as to the need for a child care organization, its financial stability, the applicant's good moral character, and that the services and facilities are conducive to the welfare of the children, the department shall issue or renew the license. If a county juvenile agency as defined in section 2 of the county juvenile agency act, 1998 PA 518, MCL 45.622, certifies to the department that it intends to contract with an applicant for a new license, the department shall issue or deny the license within 60 days after it receives a complete application as provided in section 5b.

(2) The department shall issue a certificate of registration to a person who has successfully completed an orientation session offered by the department and who certifies to the department that the family day care home has complied with and will continue to comply with the rules promulgated under this act and will provide services and facilities, as determined by the department, conducive to the welfare of children. The department shall make available to applicants for registration an orientation session to applicants for registration regarding this act, the rules promulgated under this act, and the needs of children in family day care before issuing a certificate of registration. The department shall issue a certificate of registration to a specific person at a specific location. A certificate of registration is nontransferable and remains the property of the department. Within 90 days after initial registration, the department shall make an on-site visit of the family day care home.

(3) The department may authorize a licensed child placing agency or an approved governmental unit to investigate a foster family home or a foster family group home according to subsection (1) and to certify that the foster family home or foster family group home meets the licensing requirements prescribed by this act. Before certifying to the department that a foster family home or foster family group home meets the licensing requirements prescribed by this act, the licensed child placing agency or approved governmental unit shall receive and review a medical statement for each member of the household indicating that he or she does not have a known condition that would affect the care of

a foster child. The medical statement required under this section shall be signed and dated by a physician licensed under article 15 of the public health code, 1978 PA 368, MCL 333.16101 to 333.18838, a physician's assistant licensed under article 15 of the public health code, 1978 PA 368, MCL 333.16101 to 333.18838, or a certified nurse practitioner licensed as a registered professional nurse under part 172 of the public health code, 1978 PA 368, MCL 333.17201 to 333.17242, who has been issued a specialty certification as a nurse practitioner by the board of nursing under section 17210 of the public health code, 1978 PA 368, MCL 333.17210, within the 12 months immediately preceding the date of the initial evaluation. This subsection does not require new or additional third party reimbursement or worker's compensation benefits for services rendered. A foster family home or a foster family group home shall be certified for licensing by the department by only 1 child placing agency or approved governmental unit. Other child placing agencies may place children in a foster family home or foster family group home only upon the approval of the certifying agency or governmental unit.

(4) The department may authorize a licensed child placing agency or an approved governmental unit to place a child who is 16 or 17 years of age in his or her own unlicensed residence, or in the unlicensed residence of an adult who has no supervisory responsibility for the child, if a child placing agency or governmental unit retains supervisory responsibility for the child.

(5) A licensed child placing agency, child caring institution, and an approved governmental unit shall provide the state court administrative office and a local foster care review board established under 1984 PA 422, MCL 722.131 to 722.139a, those records requested pertaining to children in foster care placement for more than 6 months.

(6) The department may authorize a licensed child placing agency or an approved governmental unit to place a child who is 16 or 17 years old in an adult foster care family home or an adult foster care small group home licensed under the adult foster care facility licensing act, 1979 PA 218, MCL 400.701 to 400.737, if a licensed child placing agency or approved governmental unit retains supervisory responsibility for the child and certifies to the department all of the following:

(a) The placement is in the best interests of the child.

(b) The child's needs can be adequately met by the adult foster care family home or small group home.

(c) The child will be compatible with other residents of the adult foster care family home or small group home.

(d) The child placing agency or approved governmental unit will periodically reevaluate the placement of a child under this subsection to determine that the criteria for placement in subdivisions (a) through (c) continue to be met.

(7) On an exception basis, the director of the department, or his or her designee, may authorize a licensed child placing agency or an approved governmental unit to place an adult in a foster family home if a licensed child placing agency or approved governmental unit certifies to the department all of the following:

(a) The adult is a person with a developmental disability as defined by section 100a of the mental health code, 1974 PA 258, MCL 330.1100a, or a person who is otherwise neurologically disabled and is also physically limited to a degree that requires complete physical assistance with mobility and activities of daily living.

(b) The placement is in the best interests of the adult and will not adversely affect the interests of the foster child or children residing in the foster family home.

(c) The identified needs of the adult can be met by the foster family home.

(d) The adult will be compatible with other residents of the foster family home.

(e) The child placing agency or approved governmental unit will periodically reevaluate the placement of an adult under this subsection to determine that the criteria for placement in subdivisions (a) through (d) continue to be met and document that the adult is receiving care consistent with the administrative rules for a child placing agency.

(8) On an exception basis, the director of the department, or his or her designee, may authorize a licensed child placing agency or an approved governmental unit to place a child in an adult foster care family home or an adult foster care small group home licensed under the adult foster care licensing act, 1979 PA 218, MCL 400.701 to 400.737, if the licensed child placing agency or approved governmental unit certifies to the department all of the following:

(a) The placement is in the best interests of the child.

(b) The placement has the concurrence of the parent or guardian of the child.

(c) The identified needs of the child can be met adequately by the adult foster care family home or small group home.

(d) The child's psychosocial and clinical needs are compatible with those of other residents of the adult foster care family home or small group home.

(e) The clinical treatment of the child's condition is similar to that of the other residents of the adult foster care family home or small group home.

(f) The child's cognitive level is consistent with the cognitive level of the other residents of the adult foster care family home or small group home.

(g) The child is neurologically disabled and is also physically limited to such a degree as to require complete physical assistance with mobility and activities of daily living.

(h) The child placing agency or approved governmental unit will periodically reevaluate the placement of a child under this subsection to determine that the criteria for placement in subdivisions (a) to (g) continue to be met.

(9) Beginning October 1, 2007, except as provided in subsection (1) and section 5b, the department shall issue an initial or renewal license or registration under this act for child care centers, group day care homes, and family day care homes not later than 6 months after the applicant files a completed application. Receipt of the application is considered the date the application is received by any agency or department of this state. If the application is considered incomplete by the department, the department shall notify the applicant in writing or make notice electronically available within 30 days after receipt of the incomplete application, describing the deficiency and requesting additional information. This subsection does not affect the time period within which an on-site visit to a family day care home shall be made. If the department identifies a deficiency or requires the fulfillment of a corrective action plan, the 6-month period is tolled until either of the following occurs:

(a) Upon notification by the department of a deficiency, until the date the requested information is received by the department.

(b) Upon notification by the department that a corrective action plan is required, until the date the department determines the requirements of the corrective action plan have been met.

(10) The determination of the completeness of an application is not an approval of the application for the license and does not confer eligibility on an applicant determined otherwise ineligible for issuance of a license.

(11) Except as provided in subsection (1) and section 5b, if the department fails to issue or deny a license or registration to a child care center, group day care home, or family day care home within the time required by this section, the department shall return the license or registration fee and shall reduce the license or registration fee for the applicant's next renewal application, if any, by 15%. Failure to issue or deny a license to a child care center, group day care home, or family day care home within the time period required under this section does not allow the department to otherwise delay the processing of the application. A completed application shall be placed in sequence with other completed applications received at that same time. The department shall not discriminate against an applicant in the processing of an application based on the fact that the application fee was refunded or discounted under this subsection.

(12) If, on a continual basis, inspections performed by a local health department delay the department in issuing or denying licenses or registrations for child care centers, group day care homes, and family day care homes under this act within the 6-month period, the department may use department staff to complete the inspections instead of the local health department causing the delays.

(13) Beginning October 1, 2008, the director of the department shall submit a report by December 1 of each year to the standing committees and appropriations subcommittees of the senate and house of representatives concerned with human services and children's issues. The director shall include all of the following information regarding applications for licenses and registrations only for child care centers, group day care homes, and family day care homes filed under this act in the report concerning the preceding fiscal year:

(a) The number of initial and renewal applications the department received and completed within the 6-month time period described in subsection (9).

(b) The number of applications requiring a request for additional information.

(c) The number of applications rejected.

(d) The number of licenses and registrations not issued within the 6-month period.

(e) The average processing time for initial and renewal licenses and registrations granted after the 6-month period.

(14) Except as provided in section 5c(8), the department shall not issue to or renew the license of a child care center or day care center under this act without requesting a criminal history check and criminal records check as required by section 5c. If a criminal history check or criminal records check performed under section 5c reveals that an applicant for a license under this act has been convicted of a listed offense, the department shall not issue a license to that applicant. If a criminal history check or criminal records check performed under section 5c reveals that an applicant for renewal of a license under this act has been convicted of a listed offense, the department shall not renew that license. If a criminal history check or criminal records check performed under section 5c reveals that a current licensee has been convicted of a listed offense, the department shall revoke the license of that licensee.

(15) Except as provided in section 5f(13), the department shall not issue or renew a certificate of registration to a family day care home or a license to a group day care home under this act without requesting a criminal history check and criminal records check as required by section 5f and a department of state police ICHAT check required by section 5g. If a criminal history check or criminal records check performed under section 5f or an ICHAT check performed under section 5g reveals that an applicant for a certificate of registration or license under this act or a person over 18 years of age residing in that applicant's home has been convicted of a listed offense, the department shall not issue a certificate of registration or license to that applicant. If a criminal history check or criminal records check performed under section 5f or an ICHAT check performed under section 5g reveals that an applicant for renewal of a certificate of registration or

license under this act or a person over 18 years of age residing in that applicant's home has been convicted of a listed offense, the department shall not renew a certificate of registration or license to that applicant. If a criminal history check or criminal records check performed under section 5f or an ICHAT check performed under section 5g reveals that a current registrant or licensee under this act or a person over 18 years of age residing in that registrant's or licensee's home has been convicted of a listed offense, the department shall revoke that registrant's certificate of registration or licensee's license.

(16) As used in this section:

(a) "Completed application" means an application complete on its face and submitted with any applicable licensing or registration fees as well as any other information, records, approval, security, or similar item required by law or rule from a local unit of government, a federal agency, or a private entity but not from another department or agency of this state. A completed application does not include a health inspection performed by a local health department.

(c) "Member of the household" means any individual, other than a foster child, who resides in a foster family home or foster family group home on an ongoing or recurrent basis.

Sec. 5c. (1) Except as provided in subsection (8), when a person, partnership, firm, corporation, association, or nongovernmental organization applies for or to renew a license for a child care center or day care center under section 5, the department shall request the department of state police to perform both of the following on the person or each partner, officer, or manager of the child care center or day care center applying for the license:

The department shall require the person to submit his or her fingerprints to the department of state police for the criminal history check and criminal records check described in subsection (1).

(3) The department shall request a criminal history check and criminal records check required under this section on a form and in the manner prescribed by the department of state police.

(4) Within a reasonable time after receiving a complete request by the department for a criminal history check on a person under this section, the department of state police shall conduct the criminal history check and provide a report of the results to the department. The report shall contain any criminal history record information on the person maintained by the department of state police.

(5) Within a reasonable time after receiving a proper request by the department for a criminal records check on a person under this section, the department of state police shall initiate the criminal records check. After receiving the results of the criminal records check from the federal bureau of investigation, the department of state police shall provide a report of the results to the department.

(6) The department of state police may charge the department a fee for a criminal history check or a criminal records check required under this section that does not exceed the actual and reasonable cost of conducting the check. The department may pass along to the licensee or applicant the actual cost or fee charged by the department of state police for performing a criminal history check or a criminal records check required under this section.

(7) When a person, partnership, firm, corporation, association, or nongovernmental organization applies for or renews a license under section 5 for a child care center or day care center that is established and operated by an intermediate school board, the board of a local school district, or by the board or governing body of a state-approved nonpublic school, the criminal history check and criminal records check required under subsection (1) shall be performed in compliance with the provisions of sections 1230 to 1230h of the revised school code, 1976 PA 451, MCL 380.1230 to 380.1230h. Before issuing or renewing a license to a child care center or day care center described in this subsection, the department shall verify that the intermediate school board, the board of a local school district, or the board or governing body of a state-approved nonpublic school has obtained the required criminal history checks and criminal records checks.

(8) Beginning January 1, 2006, if a person, partnership, firm, corporation, association, or nongovernmental organization applying to renew a license to operate a child care center or day care center has previously undergone a criminal history check and criminal records check required under subsection (1) and has remained continuously licensed after the criminal history check and criminal records check have been performed, that person, partnership, firm, corporation, association, or nongovernmental organization is not required to submit to another criminal history check or criminal records check upon renewal of the license obtained under section 5.

(9) As used in this section and sections 5, 5d, 5e, 5f, and 5g:

(a) "Criminal history record information" means that term as defined in section 1a of 1925 PA 289, MCL 28.241a.

(b) "Listed offense" means that term as defined in section 2 of the sex offenders registration act, 1994 PA 295, MCL 28.722.

(6) The department of state police may charge the department a fee for a criminal history check or a criminal records check required under this section that does not exceed the actual and reasonable cost of conducting the check.
