The People of the State of Michigan enact:

Sec. 312. (1) A school board may submit a ballot question to the school electors on a regular election date, on a date when a city or township within the school district's jurisdiction is holding an election by adopting a resolution to that effect not less than 70 days before the election date, or on a special election date as provided in section 641(4). The school board shall certify the ballot question language to the school district election coordinator not less than 70 days before the election date. The school district election coordinator shall send a copy of the ballot question language to the county clerk of each county not less than 68 days before the election.

(2) If a special election is called on a date provided under section 641(4), the school district election coordinating committee shall schedule the special election date.

Sec. 646a. (1) If a local officer is to be elected at a general November election, candidates for the local office shall be nominated in the manner provided by law or charter, subject to sections 641 and 642. If candidates for the local office are to be nominated at caucuses, the caucuses shall be held on a date before the date set for the primary election or on the Saturday before the day of the primary election as determined by the local legislative body at least 20 days before the date of the caucus. If candidates are nominated by filing petitions or affidavits, they shall be filed at a time provided by charter, but not later than the date of the primary. Except as provided in section 642, the local primary election shall be held on the same day as a state or county primary election. If a state or county primary is being held on the same day, the last day for local candidates to file nominating petitions is the same as the last date to file petitions for state and county offices. The names of all local candidates and titles of office shall be certified to the county clerk by the local clerk within 5 days after the last day for filing petitions, and certification of nominees shall be made to that clerk within 5 days after the date on which the primary or caucus was held.

- (2) If a local, school district, or county ballot question is to be voted on at a regular election date or special election, the ballot wording of the ballot question shall be certified to the local or county clerk at least 70 days before the election. If the wording is certified to a clerk other than the county clerk, the clerk shall certify the ballot wording to the county clerk at least 68 days before the election. Petitions to place a county or local ballot question on the ballot at the election shall be filed with the clerk at least 14 days before the date the ballot wording must be certified to the local clerk.
- (3) The provisions of this section apply notwithstanding any provisions of law or charter to the contrary, unless an earlier date for the filing of affidavits or petitions, including nominating petitions, is provided in a law or charter, in which case the earlier filing date is controlling.
