Sheen

In The Chair: Sak

The House agreed to the title of the bill.

Rep. Tobocman moved that the bill be given immediate effect.

The motion prevailed, 2/3 of the members serving voting therefor.

---

Rep. Sheen, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

This bill is purely political and will only serve to further diminish the qualified candidates who will run for the legislature in the future. First of all legislatures do not have lifetime healthcare benefits, their benefits last for only ten years. If a legislator wants the benefit which lasts between age 55 and 65, they will have to pay a premium which is approximately 10% of the benefit. At age 65 the healthcare plan becomes a supplemental Medicare benefit, which doesn't supplement much.

Many legislators have given up jobs and careers for a potential 2 to 6 years in the legislature with no promise of returning to their former job or position. This by no means is an excessive benefit, but this bill is a bill that accomplishes little, saves little, and deals with perception not reality.”

By unanimous consent the House returned to the order of

**Motions and Resolutions**

By unanimous consent the House considered **House Resolution No. 120** out of numerical order.

Reps. Ward and Tobocman offered the following resolution:

**House Resolution No. 120.**

A resolution to amend the Standing Rules of the House of Representatives.

Resolved by the House of Representatives, That Rule 63 and Rule 64 of the Standing Rules of the House of Representatives be amended to read as follows:

**“Motions for Reconsideration.**

Rule 63. Any Member may move for a reconsideration of any question on the same **OR NEXT SUCCEEDING** legislative session day, **IF THE BILL IS STILL IN THE POSSESSION OF THE HOUSE**. Reconsideration of the vote by which a bill passed the House, or any proposition requiring a vote in excess of a majority of Members elected and serving for adoption, shall require a majority of the Members elected and serving. The motion to reconsider shall not be renewed the same day. A motion to reconsider any question shall not be subject to any subsidiary motion except to postpone for the day. The question of passing a bill the objections of the Governor notwithstanding shall not be reconsidered more than twice.

**Notice of Reconsideration.**

Rule 64. A notice of intention to move for a reconsideration of any bill **THAT IS STILL IN THE POSSESSION OF THE HOUSE** may be given by any member **FROM THE FLOOR OR IN WRITING TO THE CLERK**, with the support of 1/3 of the members elected and serving, which shall be immediately announced by the Clerk, spread upon the House Journal, and the bill shall be retained by the Clerk of the House until after the time expires during which under Rule 63 the motion can be made, either by the Member serving such notice or by any other Member. Notice of intention shall not be in order on the day preceding a recess of one week or more, unless supported by two-fifths of the Members shown to be present by the House Journal entries, or at a time which would prevent passage of the bill. No other Members may move for reconsideration on the same day that notice of intention to move for a reconsideration is given.”

Pending the reference of the resolution to a committee,

Rep. Tobocman moved that Rules 69 and 71 be suspended and the resolution be considered at this time.

The motion prevailed, 3/5 of the members present voting therefor.

**House Resolution No. 118.**

A resolution commemorating June 10 - 16, 2007, as Emerald Ash Borer Awareness Week in the state of Michigan.

Whereas, There are over 700 million ash trees that blanket the great state of Michigan that contribute to the air quality, natural beauty, ecosystem health, recreation desirability, commerce growth rates and property/land values in our state; and

Whereas, Nearly 15 million of this valuable species have already fallen victim to the Emerald Ash Borer (EAB), a destructive, invasive, exotic beetle, spread artificially through the movement of firewood; and

Whereas, Increased public awareness benefits the state of Michigan by reducing the need for government, businesses, industry and citizens to expend additional financial and human resources to control and eradicate new EAB infestations, while ultimately reducing the risk to the greater ash resource of Michigan and encouraging environmental stewardship; and

Whereas, The month of June marks the beginning of summer vacation and high-tourism season in Michigan; and

Whereas, In conjunction with Great Outdoors Month, Emerald Ash Borer Awareness Week is an opportunity for government to join forces with business, industry, environmental groups, community organizations and citizens to take action against the artificial spread and introduction of EAB; and

Whereas, Public education of quarantine locations and regulations will contribute to the protection of one of Michigan's most valuable natural resources, its forests, further reducing the spread of the EAB's damage; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body commemorate June 10 - 16, 2007, as Emerald Ash Borer Awareness Week in the state of Michigan; and be it further;

Resolved, That a copy of this resolution be transmitted to the Michigan Department of Agriculture.

Pending the reference of the resolution to a committee,

Rep. Tobocman moved that Rule 71 be suspended and the resolution be considered at this time.

The motion prevailed, 3/5 of the members present voting therefor.

The question being on the adoption of the resolution,

**House Resolution No. 119.**

A resolution proclaiming the week of May 19-25, 2007, as Michigan Safe Boating Week.

Whereas, Michigan has more than 11,000 inland lakes, 36,000 miles of rivers, and shoreline on four of the Great Lakes. With more than 250,000 registered watercrafts, the state leads the nation in water recreation; and

Whereas, Michigan's exquisite coastlines, rivers, and lakes are prime settings for a wide range of activities, from fishing and swimming to water skiing and boating; and

Whereas, Most boating related injuries and deaths are a result of human error or poor judgment. Often these injuries and deaths could easily be prevented using common sense making boating safety the first priority and ensuring that everyone on board always wears a life jacket; and

Whereas, The state of Michigan, US Coast Guard, US Coast Guard Auxiliary, and the Department of Natural Resources supports safe boating with safe boating courses, vessel safety checks, chart updating, navigational aids verification, marine safety, and search and rescue activities to keep Michigan waters safe; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body proclaim the week of May 19-25, 2007, as Michigan Safe Boating Week. We urge all citizens to boat smart, boat safe, and wear a life jacket.

Pending the reference of the resolution to a committee,

Rep. Tobocman moved that Rule 71 be suspended and the resolution be considered at this time.

The motion prevailed, 3/5 of the members present voting therefor.
