Major Boilerplate Changes From FY 2007-08

Sec. 6(4)(r). Kindergarten Membership - REVISED

Exec and House include intent language that beginning in 2009-10, to receive full foundation allowance for kindergarten students the class hours scheduled will need to match that of grades 1-12.

Senate does not include this language.

Sec. 6(6)(m). District of the First Class - REVISED

House changes the definition of a District of the First Class from a district with a membership greater than 100,000 to a district with the most pupils in membership in the immediately preceding fiscal year.

Sec. 20(1). Basic Foundation Allowance – REVISED

Exec increases the foundation allowances based on a formula that will give every district an increase of at least \$108 per pupil, and as high as \$216 per pupil

Senate increases the foundation allowance based on a formula that will give every district an increase of at least \$71 per pupil and as high as \$142 per pupil.

House increases the foundation allowance based on a formula that will give every district an increase of at least \$55 per pupil and as high as \$110 per pupil.

Sec. 20(22). Limitations on Foundation Allowance Increases – NEW

Exec includes language that reduces the increase in the foundation for any district not providing four years of high school. The increase is adjusted as follows: 100% for districts providing instruction in all high school grades; 92.5% for districts providing instruction in three high school grades; 85% for districts providing instruction in two high school grades; 77.5% for districts providing instruction in one high school grade; and 70% for districts providing instruction in grades 8 and below.

Senate and House do not include this language.

Sec. 25c. Pupils Transferring to Detroit Public Schools (DPS) After the Count Day – REVISED

Senate amends section to required DPS to bill not later than Dec. 31st of the fiscal year following the year in which the pupil transferred, and allows for payment not later than Oct. 31st of the second fiscal year after the pupil transferred. Also allows the original district to bill DPS if it is determined that DPS owes funds to the district, after accounting for the transfer of students between the two schools.

House maintains current law.

Sec. 32b. Early Childhood Investment Corporation(ECIC) – REVISED

Exec, Senate and House recommends changes to the Board make-up to include 4 members appointed by the Governor. The Governor would appoint one member from a list of nominees submitted by each the Majority Leader, Speaker of the House, Minority Leader in the Senate, and the Minority Leader in the House. Current law allows the four legislative leaders to each appoint a member.

Secs. 32l and 37. School Readiness Teacher Qualifications – REVISED

Exec and Senate revise the education requirements for teachers and paraprofessionals in the school readiness programs.

House maintains current law.

Major Boilerplate Changes From FY 2007-08

Sec. 39. School Readiness Formula – District Grants – REVISED

Exec, Senate and House change the formula for distribution of the School Readiness district grants to include a hold harmless provision prior to awarding increases in funding.

Sec. 51a(7). Itinerant Special Education funding – REVISED

Exec proposes to eliminate language requiring any special education funds that would otherwise lapse to be redistributed to districts and ISDs whose itinerant staffs had changed employers since FY 2003-04.

Senate and House maintain current law and update for FY 2007-08.

Sec. 51a(15). Special Education PSA Students – NEW

Senate adds a new subsection that requires a written cost agreement between the resident and enrolling district or ISD for a special education pupil who is enrolled in a charter school in an ISD contiguous to the resident ISD.

House clarifies that in the absence of an agreement both the responsibility to provide and pay the added costs of special education services would be that of the resident district and ISD.

Sec. 98. Michigan Virtual University – REVISED

Exec, Senate and House add requirements that MVU work with postsecondary groups to develop an outreach plan with access to online resources designed to increase postsecondary enrollments, and that the MVU provide a report on schools served.

Sec. 107 Adult Education - REVISED

Exec requires a progress test after 40 hours of instruction for each participant in attendance in a program.

Senate does not include this language. Adds additional language to earmark \$700,000 out of the appropriation for competitive grants to districts who go into prisons to provide GED or high school completion programs.

House maintains current law.

Sec. 147. MPSEER Retirement Rate – REVISED

Exec, Senate and House estimate percentage of payroll districts must allocate for public school employee retirement at 16.54%.

Enacting Section 2 - Repeals Sections

Exec repeals the following: Sec. 32 (intent language on early childhood funding from future revenues); Sec. 99c (middle school math); Sec. 99i (Pontiac crisis intervention grant); Sec. 99j (district pilot grants); Sec. 99k (district grants); Secs. 104a and 104b (duplicative curriculum language); and Sec. 166 (5% penalty if providing family planning drugs or abortion referrals).

Senate repeals the following: Sec. 32 (intent language on early childhood funding from future revenues); Sec. 99c (middle school math); Sec. 99i (Pontiac crisis intervention grant); Sec. 99j (district pilot grants); and Sec. 99k (district grants).

House repeals the following: Sec. 32 (intent language on early childhood funding from future revenues); Sec. 32e (FY 2007-08 hold-harmless funding for MSRP); and Sec. 166 (5% penalty if providing family planning drugs or abortion referrals).
