CONTENT

The five bills listed above would postpone the sunsets on the current level of various fees being charged by the Department of Agriculture. Under current law, the fees are scheduled to be reduced on September 30, 2007. These bills would extend the present fees until September 30, 2012. The table below outlines the fees involved.

Fee	Pre-Sunset	After Sunset
Pesticide Applicator	\$50	\$10
Pet Shop License Application	\$200	\$150
Pet Shop License Renewal	\$100	\$0
Nursery License	\$100	\$50

Class II - Livestock Collection Point/Buying Station License	\$250	\$0
Class III - Horse Auction	\$150	\$0
Class IV - Livestock Dealer/Broker/Agent	\$50	\$5

House Bill 4862 (S-1) also would establish the "Agriculture Licensing and Inspection Fees Fund" to receive revenue from these fees as well as civil and administrative fines. Under current law, the revenue is deposited into the General Fund and credited to the Department.

In addition, House Bill 4862 (S-1) would delay the sunset on the Horticulture Fund. Under current law, the Horticulture Fund receives \$70,000 per year of fee revenue to be used for horticulture research projects and will sunset September 30, 2007. The bill would postpone the sunset until September 30, 2012, to match the fee sunset.
