6 political subdivision, as applicable, within a reasonable time  
7 after the discovery.

8 (2) This act does not apply to claims, records, or statements  
9 that are either of the following:

11 206.1 to 206.532.

12 (b) Subject to recovery in a civil action under the medicaid  
13 false claim act, 1977 PA 72, MCL 400.601 to 400.613.

14 Sec. 4. (1) If, before commencing an action under this  
15 section, a prosecuting authority has reasonable cause to believe  
16 that a person has information or is in possession, custody, or  
17 control of a document or other tangible object relevant to an  
18 investigation of conduct described in section 3(1), the prosecuting  
19 authority may serve on the person in the manner required for  
20 service of process in this state a written demand that the person  
21 do 1 or more of the following:

22 (a) Appear and be examined under oath.

23 (b) Produce the document or object for inspection and copying.

24 (c) Answer written interrogatories.

25 (2) A demand under subsection (1) shall include all of the  
26 following:

27 (a) The nature of the conduct.

1 (b) If applicable, a description of the document or object to  
2 be produced with sufficient definiteness to permit it to be fairly  
3 identified.

4 (c) A copy of any written interrogatories.

5 (d) A reasonable date and time at which the person must appear  
6 to testify or a period of time within which the person must produce  
7 the document or object to or answer the written interrogatories.

8 (e) A statement that objections to or reasons for not  
9 complying with the demand may be filed with the prosecuting  
10 authority on or before the date or within the time period, as  
11 applicable, given under subdivision (d).

12 (f) The place where the testimony will be taken or the  
13 document, object, or answers to interrogatories produced.

14 (g) A designation of the person who will be custodian of the  
15 document or object produced.

16 (h) A statement that if the person objects to or otherwise  
17 fails to comply with the written demand, the prosecuting authority  
18 may file an action to enforce the demand as provided in subsection  
19 (3).

20 (3) A prosecuting authority may file an action to enforce a  
21 demand made under subsection (1) in the circuit court of the county  
22 in which the person resides or maintains a principal place of  
23 business. Notice of hearing of the action and a copy of all  
24 pleadings shall be served on the person on whom the demand was  
25 served. The person may appear in opposition to the action.

26 (4) If the court in an action under subsection (3) finds that  
27 the demand is proper, that there is reasonable cause to believe

1 that conduct described in section 3(1) may have occurred or is  
2 presently occurring and that the information sought or document or  
3 object demanded is relevant to an investigation of the conduct, the  
4 court shall order the person to comply with the demand, subject to  
5 any modification the court prescribes. On motion by the person and  
6 for good cause shown, the court may enter any order that justice  
7 requires to protect the person from unreasonable annoyance,  
8 embarrassment, oppression, burden, or expense.

9 (5) Any testimony taken, document or object produced, or  
10 answers provided shall be kept confidential by the prosecuting  
11 authority before commencing an action against a person under this  
12 act for the conduct under investigation, unless 1 or more of the  
13 following apply:

14 (a) Federal law requires the disclosure.

15 (b) Confidentiality is waived by the person being investigated  
16 and the person who has testified, produced a document or object, or  
17 answered interrogatories.

18 (c) Disclosure is authorized by the court.

19 Sec. 5. (1) Any person may bring an action in the name of this  
20 state or a political subdivision of this state under this section  
21 to recover losses that this state or the political subdivision  
22 sustains from an act described in section 3(1). A court shall not  
23 dismiss an action filed under this section unless the prosecuting  
24 authority for the entity on whose behalf the action was brought has  
25 been notified and had an opportunity to appear and oppose the  
26 dismissal. The prosecuting authority waives the opportunity to  
27 oppose the dismissal if it is not exercised within 28 days of

1 receiving the complaint and disclosure under subsection (2).

2 (2) If a person other than the prosecuting authority initiates  
3 an action under this section, the complaint shall be sealed and the  
4 clerk shall not issue a summons for service on the defendant until  
5 after the time for the prosecuting authority's election under  
6 subsection (3) expires. At the time the complaint is filed, the  
7 person initiating the action shall serve a copy of the complaint on  
8 the prosecuting authority for the entity on whose behalf the action  
9 was brought and shall disclose, in writing, substantially all  
10 material evidence and information in the person's possession  
11 supporting the complaint to the prosecuting authority.

12 (3) The prosecuting authority for the entity on whose behalf  
13 the action was brought may elect to intervene in an action under  
14 this section. Within 90 days after the complaint and disclosure are  
15 served on the prosecuting authority under subsection (2) or any  
16 extension of the 90 days granted by the court, the prosecuting  
17 authority shall notify the court and the person initiating the  
18 action of 1 of the following:

19 (a) That the prosecuting authority will take over the action  
20 for this state and have primary responsibility for proceeding with  
21 the action.

22 (b) That the prosecuting authority declines to take over the  
23 action and the person initiating the action has the right to  
24 proceed with the action.

25 (4) If an action is filed under this section, a person other  
26 than the prosecuting authority for the entity on whose behalf the  
27 action was brought shall not intervene in the action or bring

1 another action on behalf of this state or the political subdivision  
2 based on the facts underlying the action.

3 (5) If the prosecuting authority elects to proceed with the  
4 action under subsection (3) or (6), the prosecuting authority has  
5 primary responsibility for prosecuting the action and may do all of  
6 the following:

7 (a) Agree to dismiss the action, notwithstanding the objection  
8 of the person initiating the action, but only if that person has  
9 been notified of and offered the opportunity to participate in a  
10 hearing on a motion to dismiss.

11 (b) Settle the action, notwithstanding the objection of the  
12 person initiating the action, but only if that person has been  
13 notified of and offered the opportunity to participate in a hearing  
14 on the settlement and if the court determines that the settlement  
15 is fair, adequate, and reasonable under the circumstances. On a  
16 showing of good cause, the settlement hearing may be held in  
17 camera.

18 (c) Request the court to limit the participation of the person  
19 initiating the action. If the prosecuting authority demonstrates  
20 that unrestricted participation by the person initiating the action  
21 during the litigation would interfere with or unduly delay the  
22 prosecuting authority's prosecution of the case or would be  
23 repetitious, irrelevant, or unduly harassing, the court may do any  
24 of the following:

25 (i) Limit the number of the person's witnesses.

26 (ii) Limit the length of the testimony of the person's  
27 witnesses.

1 (iii) Limit the person's cross-examination of witnesses.

2 (iv) Otherwise limit the person's participation in the  
3 litigation.

4 (6) If the prosecuting authority for the entity on whose  
5 behalf the action was brought notifies the court that he or she  
6 declines to take over the action under subsection (3), the person  
7 who initiated the action may proceed with the action. At the  
8 prosecuting authority's request and expense, the prosecuting  
9 authority shall be provided with copies of all pleadings filed in  
10 the action and copies of all deposition transcripts.  
11 Notwithstanding the prosecuting authority's election not to take  
12 over the action, the court may permit the prosecuting authority to  
13 intervene in the action at any time on a showing of good cause and,  
14 subject to subsection (7), without affecting the rights or status  
15 of the person initiating the action.

16 (7) If the court determines, after a hearing conducted in  
17 camera, that actions of the person initiating the action during  
18 discovery would interfere with the prosecuting authority's  
19 investigation or prosecution of a criminal or civil matter, the  
20 court may stay the discovery for not more than 90 days. The court  
21 may extend the stay on a further showing that the prosecuting  
22 authority is pursuing the investigation or proceeding with  
23 reasonable diligence and the discovery would interfere with the  
24 ongoing investigation or proceeding.

25 Sec. 6. As an alternative to an action permitted under section  
26 5, the prosecuting authority may pursue damages or a penalty for an  
27 act described in section 3(1) through any proceeding available to

1 this state, including an administrative proceeding. If the  
2 prosecuting authority pursues an alternative proceeding, a person  
3 who initiates an action under section 5 has rights in that  
4 proceeding equivalent to the rights that the person would have had  
5 if the action had continued under section 5 to the extent that  
6 those rights are consistent with the law governing the proceeding.  
7 Findings of fact and conclusions of law that become final in an  
8 alternative proceeding are conclusive on the parties to an action  
9 under section 5. For purposes of this section, a finding or  
10 conclusion is final if it has been finally determined on appeal to  
11 the appropriate court, if the time for filing an appeal of the  
12 finding or conclusion has expired, or if the finding or conclusion  
13 is not subject to judicial review.

14       Sec. 7. (1) A person may bring a civil action under section 5  
15 in any county in which venue is proper.

16       (2) If the attorney general elects to intervene in an action  
17 under section 5(3) or (6) and the court grants the request, on  
18 motion by the attorney general, the court shall transfer the action  
19 to the Ingham county circuit court.

20       (3) If the prosecuting authority for a political subdivision  
21 elects to intervene under section 5(3) or (6) in an action that is  
22 pending in a judicial circuit or district other than a circuit or  
23 district in which the political subdivision is located and the  
24 court grants the request, on motion by the prosecuting authority,  
25 the court shall transfer the action to the circuit or district, as  
26 applicable, in which the political subdivision is located.

27       Sec. 8. (1) The plaintiff in an action brought under section 5

1 has the burden of proving all essential elements of the cause of  
2 action, including damages, by a preponderance of the evidence.

3 (2) The defendant in an action under section 5 is estopped  
4 from denying the essential elements of a criminal offense of which  
5 the defendant was found guilty, whether by verdict after trial or  
6 by plea of guilty or nolo contendere, if the criminal offense  
7 included elements of false statement or fraud and if the action  
8 under section 5 involves the same transaction.

9 Sec. 9. (1) Subject to subsections (2) and (3), if a person  
10 other than the prosecuting authority prevails in an action that the  
11 person initiates under section 5, the court shall award the person  
12 necessary expenses, costs, reasonable attorney fees, and, based on  
13 the amount of effort involved, the following percentage of the  
14 monetary proceeds resulting from the action or any settlement of  
15 the claim:

16 (a) If the prosecuting authority intervenes, 15% to 25%.

17 (b) If the prosecuting authority does not intervene, 25% to  
18 30%.

19 (2) If the court finds an action under section 5 to be based  
20 primarily on disclosure of specific information that was not  
21 provided by the person bringing the action, such as information  
22 from a criminal, civil, or administrative hearing in a state or  
23 federal department or agency, a legislative report, hearing, audit,  
24 or investigation, or the news media, and the prosecuting authority  
25 proceeds with the action, the court shall award the person bringing  
26 the action no more than 10% of the monetary recovery in addition to  
27 reasonable attorney fees, necessary expenses, and costs.

1           (3) If the court finds that the person bringing an action  
2 under section 5 planned, initiated, or participated in the conduct  
3 on which the action is brought, then the court may reduce or  
4 eliminate, as it considers appropriate, the share of the proceeds  
5 of the action that the person would otherwise be entitled to  
6 receive. A person who is convicted of a crime arising from the  
7 conduct on which an action under section 5 is brought shall not  
8 initiate or remain a party to the action and is not entitled to  
9 share in the monetary proceeds resulting from the action or any  
10 settlement of the claim.

11           (4) A person other than the prosecuting authority shall not  
12 bring an action under this section that is based on allegations or  
13 transactions that are already the subject of a civil action, a  
14 criminal investigation or prosecution, or an administrative  
15 investigation or proceeding to which this state or the federal  
16 government is already a party. The court shall dismiss an action  
17 brought in violation of this subsection.

18           (5) If the court in an action under section 5 determines that  
19 the action is based on the public disclosure of allegations or  
20 transactions in a criminal, civil, or administrative hearing, in a  
21 state or federal legislative, investigative, or administrative  
22 report, hearing, audit, or investigation, or from the news media,  
23 the court shall dismiss the action unless 1 or more of the  
24 following apply:

25           (a) The action was commenced by the prosecuting authority.

26           (b) The prosecuting authority has intervened in the action  
27 under section 5(3) or (6).

1 (c) The action was commenced by a person who was the original  
2 source of the information on which the allegations or transactions  
3 are based. The person is the original source if he or she had  
4 direct and independent knowledge of the information and voluntarily  
5 provided the information to the prosecuting authority before filing  
6 an action based on that information under this section.

7 (6) This state or a political subdivision and the prosecuting  
8 authority are not liable for any expenses, costs, or attorney fees  
9 that a person incurs in bringing an action under section 5. Any  
10 amount awarded to a person initiating an action to enforce this act  
11 is payable solely from the proceeds of the action or settlement.

12 (7) If a person proceeds with an action under section 5 after  
13 being notified that the prosecuting authority has declined to  
14 intervene and the court finds that the claim was frivolous, as  
15 defined in section 2591 of the revised judicature act of 1961, 1961  
16 PA 236, MCL 600.2591, the court shall award the prevailing  
17 defendant actual and reasonable attorney fees and expenses and, in  
18 addition, shall impose a civil fine of not more than \$10,000.00 on  
19 the person who initiated the action. The civil fine shall be  
20 deposited into the general fund of this state or the political  
21 subdivision, as applicable.

22 (8) The prosecuting authority may recover all costs this state  
23 or the political subdivision incurs in the litigation and recovery  
24 of restitution under this act, including the cost of investigation  
25 and attorney fees.

26 (9) With the exception of money recovered for restitution,  
27 court and investigation costs, and reasonable attorney fees, the

1 prosecuting authority shall immediately deposit all recovered money  
2 received by the prosecuting authority into the general fund of this  
3 state or the political subdivision.

4       Sec. 10. (1) An employer shall not discharge, demote, suspend,  
5 threaten, harass, or otherwise discriminate against an employee in  
6 the terms and conditions of employment because the employee  
7 initiates, assists in, or participates in a proceeding or court  
8 action under this act or because the employee cooperates with or  
9 assists in an investigation under this act. This prohibition does  
10 not apply to an employment action against an employee if the court  
11 finds that 1 or more of the following apply:

12       (a) The employee brought a frivolous claim under this act, as  
13 defined in section 2591 of the revised judicature act of 1961, 1961  
14 PA 236, MCL 600.2591.

15       (b) The employee planned, initiated, or participated in the  
16 conduct on which the action is brought.

17       (c) The employee is convicted of criminal conduct arising from  
18 an act described in section 3(1).

19       (2) An employer who violates this section is liable to the  
20 employee for all of the following:

21       (a) Reinstatement to the employee's previous position without  
22 loss of seniority.

23       (b) Two times the amount of lost back pay.

24       (c) Interest on the back pay.

25       (d) Compensation for any special damages.

26       (e) Any other relief necessary to make the employee whole.

27       Sec. 11. (1) A civil action under section 5 may not be filed

1 more than 3 years after the official of the state or political  
2 subdivision charged with responsibility to act in the circumstances  
3 discovers the act on which the action is based or more than 10  
4 years after the act was committed, whichever is later.

5 (2) An action under section 5 may be brought for conduct that  
6 occurred prior to the effective date of this act if the action is  
7 filed within the time limitation in subsection (1).

8 Sec. 12. (1) The remedies provided by this act are not  
9 exclusive and are provided in addition to any other remedies  
10 provided in any other law or available under common law.

11 (2) This act shall be liberally construed and applied to  
12 promote the public interest.
