

HOUSE SUBSTITUTE FOR  
SENATE BILL NO. 982

A bill to amend 2007 PA 36, entitled  
"Michigan business tax act,"  
by amending section 437 (MCL 208.1437), as amended by 2008 PA 89.

**THE PEOPLE OF THE STATE OF MICHIGAN ENACT:**

1       Sec. 437. (1) Subject to the criteria under this section, a  
2 qualified taxpayer that has unused credits or has a preapproval  
3 letter issued after December 31, 2007 and before January 1, 2013,  
4 or a taxpayer that received a preapproval letter prior to January  
5 1, 2008 under section 38g of former 1975 PA 228 and has not  
6 received a certificate of completion prior to the taxpayer's last  
7 tax year, provided that the project is completed not more than 5  
8 years after the preapproval letter for the project is issued unless  
9 extended under subsection (9) or if it is a multiphase project not

1 more than 10 years after the preapproval letter, as amended, if  
2 applicable, for the project is issued, or an assignee under  
3 subsection (20), (21), or (22) may claim a credit that has been  
4 approved under section 38g of former 1975 PA 228 or under  
5 subsection (2), (3), or (4) against the tax imposed by this act  
6 equal to either of the following:

7 (a) For projects approved before ~~the effective date of the~~  
8 ~~amendatory act that added subsection (33)~~ **APRIL 8, 2008**, if the  
9 total of all credits for a project is \$1,000,000.00 or less, 10% of  
10 the cost of the qualified taxpayer's eligible investment paid or  
11 accrued by the qualified taxpayer on an eligible property provided  
12 that the project does not exceed the amount stated in the  
13 preapproval letter, as amended. For projects approved, **OR AMENDED**,  
14 on and after ~~the effective date of the amendatory act that added~~  
15 ~~subsection (33)~~ **APRIL 8, 2008**, if the total of all eligible  
16 investments for a project are \$10,000,000.00 or less, up to 12.5%  
17 of the costs of the qualified taxpayer's eligible investment paid  
18 or accrued by the qualified taxpayer on an eligible property or up  
19 to 15% of the costs of the qualified taxpayer's eligible investment  
20 paid or accrued by the qualified taxpayer on an eligible property  
21 if the project is designated as an urban development area project  
22 by the Michigan economic growth authority to the extent that the  
23 project does not exceed the amount stated in the preapproval  
24 letter, as amended, or, until December 31, 2010, up to 20% of the  
25 costs of the qualified taxpayer's eligible investment paid or  
26 accrued by the qualified taxpayer on an eligible property if the  
27 project is designated as an urban development area project by the

1 Michigan economic growth authority. If eligible investment exceeds  
2 the amount of eligible investment in the preapproval letter, as  
3 amended, for that project, the total of all credits for the project  
4 shall not exceed the total of all credits on the certificate of  
5 completion.

6 (b) For projects approved before ~~the effective date of the~~  
7 ~~amendatory act that added subsection (33)~~ **APRIL 8, 2008**, if the  
8 total of all credits for a project is more than \$1,000,000.00 but  
9 \$30,000,000.00 or less and, except as provided in subsection  
10 (6)(b), the project is located in a qualified local governmental  
11 unit, a percentage as determined by the Michigan economic growth  
12 authority not to exceed 10% of the cost of the qualified taxpayer's  
13 eligible investment as determined under subsection (11) paid or  
14 accrued by the qualified taxpayer on an eligible property. For  
15 projects approved, **OR AMENDED**, on and after ~~the effective date of~~  
16 ~~the amendatory act that added subsection (33)~~ **APRIL 8, 2008**, if the  
17 total of all eligible investments for a project is more than  
18 \$10,000,000.00 but \$300,000,000.00 or less, up to 12.5% of the  
19 costs of the qualified taxpayer's eligible investment as determined  
20 under subsection (11) paid or accrued by the qualified taxpayer on  
21 an eligible property that, except as provided in subsection (6)(b),  
22 is located in a qualified local governmental unit, up to 15% of the  
23 cost of the qualified taxpayer's eligible investment as determined  
24 under subsection (11) paid or accrued by the qualified taxpayer on  
25 an eligible property if the project is designated as an urban  
26 development area project by the Michigan economic growth authority,  
27 or, until December 31, 2010, up to 20% of the costs of the

1 qualified taxpayer's eligible investment as determined under  
2 subsection (11) paid or accrued by the qualified taxpayer on an  
3 eligible property if the project is designated as an urban  
4 development area project by the Michigan economic growth authority.  
5 If eligible investment exceeds the amount of eligible investment in  
6 the preapproval letter, as amended, for that project, the total of  
7 all credits for the project shall not exceed the total of all  
8 credits on the certificate of completion.

9 (2) If the cost of a project will be \$2,000,000.00 or less, a  
10 qualified taxpayer shall apply to the Michigan economic growth  
11 authority for approval of the project under this subsection. An  
12 application under this subsection shall state whether the project  
13 is a multiphase project. Subject to the limitation provided under  
14 subsection (31), the chairperson of the Michigan economic growth  
15 authority or his or her designee is authorized to approve an  
16 application or project under this subsection. Only the chairperson  
17 of the Michigan economic growth authority is authorized to deny an  
18 application or project under this subsection. A project shall be  
19 approved or denied not more than 45 days after receipt of the  
20 application. If the chairperson of the Michigan economic growth  
21 authority or his or her designee does not approve or deny the  
22 application within 45 days after the application is received by the  
23 Michigan economic growth authority, the application is considered  
24 approved as written. If the chairperson of the Michigan economic  
25 growth authority or his or her designee approves a project under  
26 this subsection, the chairperson of the Michigan economic growth  
27 authority or his or her designee shall issue a preapproval letter

1 that states that the taxpayer is a qualified taxpayer; the maximum  
2 total eligible investment for the project on which credits may be  
3 claimed and the maximum total of all credits for the project when  
4 the project is completed and a certificate of completion is issued;  
5 and the project number assigned by the Michigan economic growth  
6 authority. If a project is denied under this subsection, a taxpayer  
7 is not prohibited from subsequently applying under this subsection  
8 for the same project or for another project. The Michigan economic  
9 growth authority shall develop and implement the use of the  
10 application form to be used for projects under this subsection.

11 (3) If the cost of a project will be for more than  
12 \$2,000,000.00 but \$10,000,000.00 or less, a qualified taxpayer  
13 shall apply to the Michigan economic growth authority for approval  
14 of the project under this subsection. An application under this  
15 subsection shall state whether the project is a multiphase project.  
16 Subject to the limitation provided under subsection (31), the  
17 chairperson of the Michigan economic growth authority or his or her  
18 designee is authorized to approve an application or project under  
19 this subsection. Only the chairperson of the Michigan economic  
20 growth authority is authorized to deny an application or project  
21 under this subsection. A project shall be approved or denied not  
22 more than 45 days after receipt of the application. If the  
23 chairperson of the Michigan economic growth authority or his or her  
24 designee does not approve or deny an application within 45 days  
25 after the application is received by the Michigan economic growth  
26 authority, the application is considered approved as written. The  
27 criteria in subsection (7) shall be used when approving projects

1 under this subsection. When approving projects under this  
2 subsection, priority shall be given to projects on a facility. The  
3 total of all credits for an approved project under this subsection  
4 shall not exceed the amounts authorized under subsection (1)(a). A  
5 taxpayer may apply under this subsection instead of subsection (4)  
6 for approval of a project that will be for more than  
7 \$10,000,000.00, but the total of all credits for that project shall  
8 not exceed the amounts authorized under subsection (1)(a). If the  
9 chairperson of the Michigan economic growth authority or his or her  
10 designee approves a project under this subsection, the chairperson  
11 of the Michigan economic growth authority or his or her designee  
12 shall issue a preapproval letter that states that the taxpayer is a  
13 qualified taxpayer; the maximum total eligible investment for the  
14 project on which credits may be claimed and the maximum total of  
15 all credits for the project when the project is completed and a  
16 certificate of completion is issued; and the project number  
17 assigned by the Michigan economic growth authority. If a project is  
18 denied under this subsection, a taxpayer is not prohibited from  
19 subsequently applying under this subsection or subsection (4) for  
20 the same project or for another project.

21 (4) If the cost of a project will be for more than  
22 \$10,000,000.00 and, except as provided in subsection (6)(b), the  
23 project is located in a qualified local governmental unit, a  
24 qualified taxpayer shall apply to the Michigan economic growth  
25 authority for approval of the project. An application under this  
26 subsection shall state whether the project is a multiphase project.  
27 The Michigan economic growth authority shall approve or deny the

1 project not more than 65 days after receipt of the application. A  
2 project under this subsection shall not be approved without the  
3 concurrence of the state treasurer. If the Michigan economic growth  
4 authority does not approve or deny the application within 65 days  
5 after it receives the application, the Michigan economic growth  
6 authority shall send the application to the state treasurer. The  
7 state treasurer shall approve or deny the application within 5 days  
8 after receipt of the application. If the state treasurer does not  
9 deny the application within 5 days after receipt of the  
10 application, the application is considered approved. The Michigan  
11 economic growth authority shall approve a limited number of  
12 projects under this subsection during each calendar year as  
13 provided in subsection (6). The Michigan economic growth authority  
14 shall use the criteria in subsection (7) when approving projects  
15 under this subsection, when determining the total amount of  
16 eligible investment, and when determining the percentage of  
17 eligible investment for the project to be used to calculate a  
18 credit. The total of all credits for an approved project under this  
19 subsection shall not exceed the amount designated in the  
20 preapproval letter, as amended, for that project. If the Michigan  
21 economic growth authority approves a project under this subsection,  
22 the Michigan economic growth authority shall issue a preapproval  
23 letter that states that the taxpayer is a qualified taxpayer; the  
24 percentage of eligible investment for the project determined by the  
25 Michigan economic growth authority for purposes of subsection  
26 (1)(b); the maximum total eligible investment for the project on  
27 which credits may be claimed and the maximum total of all credits

1 for the project when the project is completed and a certificate of  
2 completion is issued; and the project number assigned by the  
3 Michigan economic growth authority. The Michigan economic growth  
4 authority shall send a copy of the preapproval letter to the  
5 department. If a project is denied under this subsection, a  
6 taxpayer is not prohibited from subsequently applying under this  
7 subsection or subsection (3) for the same project or for another  
8 project.

9 (5) If the project is on property that is functionally  
10 obsolete, the taxpayer shall include with the application an  
11 affidavit signed by a level 3 or level 4 assessor, that states that  
12 it is the assessor's expert opinion that the property is  
13 functionally obsolete and the underlying basis for that opinion.

14 (6) The Michigan economic growth authority may approve not  
15 more than 20 projects each calendar year under subsection (4), and  
16 the following limitations apply:

17 (a) Of the 20 projects allowed under this subsection, the  
18 total of all credits for each project may be more than  
19 \$10,000,000.00 but \$30,000,000.00 or less for only 1 project.

20 (b) Of the 20 projects allowed under this subsection, up to 3  
21 projects may be approved for projects that are not in a qualified  
22 local governmental unit if the property is a facility for which  
23 eligible activities are identified in a brownfield plan or, for 1  
24 of the 3 projects, if the property is not a facility but is  
25 functionally obsolete or blighted, property identified in a  
26 brownfield plan. For purposes of this subdivision, a facility  
27 includes a building or complex of buildings that was used by a

1 state or federal agency and that is no longer being used for the  
2 purpose for which it was used by the state or federal agency.

3 (c) The project allowed under subdivision (a) may also qualify  
4 under subdivision (b).

5 (7) The Michigan economic growth authority shall review all  
6 applications for projects under subsection (4) and, if an  
7 application is approved, shall determine the maximum total of all  
8 credits for that project. Before approving a project for which the  
9 total of all credits will be more than \$10,000,000.00 but  
10 \$30,000,000.00 or less only, the Michigan economic growth authority  
11 shall determine that the project would not occur in this state  
12 without the tax credit offered under subsection (4). The Michigan  
13 economic growth authority shall consider the following criteria to  
14 the extent reasonably applicable to the type of project proposed  
15 when approving a project under subsection (4), and the chairperson  
16 of the Michigan economic growth authority or his or her designee  
17 shall consider the following criteria to the extent reasonably  
18 applicable to the type of project proposed when approving a project  
19 under subsection (2) or (3) or when considering an amendment to a  
20 project under subsection (9):

21 (a) The overall benefit to the public.

22 (b) The extent of reuse of vacant buildings and redevelopment  
23 of blighted property.

24 (c) Creation of jobs.

25 (d) Whether the eligible property is in an area of high  
26 unemployment.

27 (e) The level and extent of contamination alleviated by the

1 qualified taxpayer's eligible activities to the extent known to the  
2 qualified taxpayer.

3 (f) The level of private sector contribution.

4 (g) The cost gap that exists between the site and a similar  
5 greenfield site as determined by the Michigan economic growth  
6 authority.

7 (h) If the qualified taxpayer is moving from another location  
8 in this state, whether the move will create a brownfield.

9 (i) Whether the project is financially and economically sound.

10 (j) Any other criteria that the Michigan economic growth  
11 authority or the chairperson of the Michigan economic growth  
12 authority, as applicable, considers appropriate for the  
13 determination of eligibility under subsection (3) or (4).

14 (8) A qualified taxpayer may apply for projects under this  
15 section for eligible investment on more than 1 eligible property in  
16 a tax year. Each project approved and each project for which a  
17 certificate of completion is issued under this section shall be for  
18 eligible investment on 1 eligible property.

19 (9) If, after a taxpayer's project has been approved and the  
20 taxpayer has received a preapproval letter but before the taxpayer  
21 has made an eligible investment, other than soft costs, at the  
22 property, the taxpayer determines that the project cannot be  
23 completed as preapproved, the taxpayer may petition the Michigan  
24 economic growth authority to amend the project and the preapproval  
25 letter to increase the maximum total eligible investment for the  
26 project on which credits may be claimed and the maximum total of  
27 all credits for the project. A taxpayer may petition the Michigan

1 economic growth authority to make any other amendments to the  
2 project or preapproval letter at any time before a certificate of  
3 completion is issued. Amendments to the project or preapproval  
4 letter may include, but are not limited to, extending the duration  
5 of time provided to complete the project, as long as that extension  
6 does not exceed 10 years from the date of the preapproval letter.

7 (10) A project may be a multiphase project. If a project is a  
8 multiphase project, when each component of the multiphase project  
9 is completed, the taxpayer shall submit documentation that the  
10 component is complete, an accounting of the cost of the component,  
11 and the eligible investment for the component of each taxpayer  
12 eligible for a credit for the project of which the component is a  
13 part to the Michigan economic growth authority or the designee of  
14 the Michigan economic growth authority, who shall verify that the  
15 component is complete. When the completion of the component is  
16 verified, a component completion certificate shall be issued to the  
17 qualified taxpayer which shall state that the taxpayer is a  
18 qualified taxpayer, the credit amount for the component, the  
19 qualified taxpayer's federal employer identification number or the  
20 Michigan treasury number assigned to the taxpayer, and the project  
21 number. The taxpayer may assign all or part of the credit for a  
22 multiphase project as provided in this section after a component  
23 completion certificate for a component is issued. The qualified  
24 taxpayer may transfer ownership of or lease the completed component  
25 and assign a proportionate share of the credit for the entire  
26 project to the qualified taxpayer that is the new owner or lessee.  
27 A multiphase project shall not be divided into more than 10

1 components. A component is considered to be completed when a  
2 certificate of occupancy has been issued by the local municipality  
3 in which the project is located for all of the buildings or  
4 facilities that comprise the completed component and a component  
5 completion certificate is issued or the chairperson of the Michigan  
6 economic growth authority or his or her designee, for projects  
7 approved under subsection (2) or (3), or the Michigan economic  
8 growth authority, for projects approved under subsection (4),  
9 verifies that the component is complete. A credit assigned based on  
10 a multiphase project shall be claimed by the assignee in the tax  
11 year in which the assignment is made. The total of all credits for  
12 a multiphase project shall not exceed the amount stated in the  
13 preapproval letter, as amended, for the project under subsection  
14 (1). If all components of a multiphase project are not completed by  
15 10 years after the date on which the preapproval letter, as  
16 amended, if applicable, for the project was issued, the qualified  
17 taxpayer that received the preapproval letter for the project shall  
18 pay to the state treasurer, as a penalty, an amount equal to the  
19 sum of all credits claimed and assigned for all components of the  
20 multiphase project and no credits based on that multiphase project  
21 shall be claimed after that date by the qualified taxpayer or any  
22 assignee of the qualified taxpayer. The penalty under this  
23 subsection is subject to interest on the amount of the credit  
24 claimed or assigned determined individually for each component at  
25 the rate in section 23(2) of 1941 PA 122, MCL 205.23, beginning on  
26 the date that the credit for that component was claimed or  
27 assigned. As used in this subsection, "proportionate share" means

1 the same percentage of the total of all credits for the project  
2 that the qualified investment for the completed component is of the  
3 total qualified investment stated in the preapproval letter, as  
4 amended, for the entire project.

5 (11) When a project under this section is completed, the  
6 taxpayer shall submit documentation that the project is completed,  
7 an accounting of the cost of the project, the eligible investment  
8 of each taxpayer if there is more than 1 taxpayer eligible for a  
9 credit for the project, and, if the taxpayer is not the owner or  
10 lessee of the eligible property on which the eligible investment  
11 was made at the time the project is completed, that the taxpayer  
12 was the owner or lessee of, or was a party to an agreement to  
13 purchase or lease, that eligible property when all eligible  
14 investment of the taxpayer was made. The chairperson of the  
15 Michigan economic growth authority or his or her designee, for  
16 projects approved under subsection (2) or (3), or the Michigan  
17 economic growth authority, for projects approved under subsection  
18 (4), shall verify that the project is completed. The Michigan  
19 economic growth authority shall conduct an on-site inspection as  
20 part of the verification process for projects approved under  
21 subsection (4). When the completion of the project is verified, a  
22 certificate of completion shall be issued to each qualified  
23 taxpayer that has made eligible investment on that eligible  
24 property. The certificate of completion shall state the total  
25 amount of all credits for the project and that total shall not  
26 exceed the maximum total of all credits listed in the preapproval  
27 letter for the project under subsection (2), (3), or (4) as

1 applicable and as amended under subsection (9) and shall state all  
2 of the following:

3 (a) That the taxpayer is a qualified taxpayer.

4 (b) The total cost of the project and the eligible investment  
5 of each qualified taxpayer.

6 (c) Each qualified taxpayer's credit amount.

7 (d) The qualified taxpayer's federal employer identification  
8 number or the Michigan treasury number assigned to the taxpayer.

9 (e) The project number.

10 (f) For a project approved under subsection (4) for which the  
11 total of all credits is more than \$10,000,000.00 but \$30,000,000.00  
12 or less, the total of all credits and the schedule on which the  
13 annual credit amount shall be claimed by the qualified taxpayer.

14 (g) For a multiphase project under subsection (10), the amount  
15 of each credit assigned and the amount of all credits claimed in  
16 each tax year before the year in which the project is completed.

17 (12) Except as otherwise provided in this section, qualified  
18 taxpayers shall claim credits under this section in the tax year in  
19 which the certificate of completion is issued. For a project  
20 approved under subsection (4) for which the total of all credits is  
21 more than \$10,000,000.00 but \$30,000,000.00 or less, the qualified  
22 taxpayer shall claim 10% of its approved credit each year for 10  
23 years. A credit assigned based on a multiphase project shall be  
24 claimed in the year in which the credit is assigned.

25 (13) The cost of eligible investment for leased machinery,  
26 equipment, or fixtures is the cost of that property had the  
27 property been purchased minus the lessor's estimate, made at the

1 time the lease is entered into, of the market value the property  
2 will have at the end of the lease. A credit for property described  
3 in this subsection is allowed only if the cost of that property had  
4 the property been purchased and the lessor's estimate of the market  
5 value at the end of the lease are provided to the Michigan economic  
6 growth authority.

7 (14) Credits claimed by a lessee of eligible property are  
8 subject to the total of all credits limitation under this section.

9 (15) Each qualified taxpayer and assignee under subsection  
10 (20), (21), or (22) that claims a credit under this section shall  
11 attach a copy of the certificate of completion and, if the credit  
12 was assigned, a copy of the assignment form provided for under this  
13 section to the annual return filed under this act on which the  
14 credit under this section is claimed. An assignee of a credit based  
15 on a multiphase project shall attach a copy of the assignment form  
16 provided for under this section and the component completion  
17 certificate provided for in subsection (10) to the annual return  
18 filed under this act on which the credit is claimed but is not  
19 required to file a copy of a certificate of completion.

20 (16) Except as otherwise provided in this subsection or  
21 subsection (10), (18), (20), (21), or (22), a credit under this  
22 section shall be claimed in the tax year in which the certificate  
23 of completion is issued to the qualified taxpayer. For a project  
24 described in subsection (11)(f) for which a schedule for claiming  
25 annual credit amounts is designated on the certificate of  
26 completion by the Michigan economic growth authority, the annual  
27 credit amount shall be claimed in the tax year specified on the

1 certificate of completion.

2 (17) Except as otherwise provided under this subsection, the  
3 credits approved under this section shall be calculated after  
4 application of all other credits allowed under this act. The  
5 credits under this section shall be calculated before the  
6 calculation of the credits under sections 413, 423, 431, and 450.

7 (18) Except as otherwise provided under this subsection, if  
8 the credit allowed under this section for the tax year and any  
9 unused carryforward of the credit allowed under this section exceed  
10 the qualified taxpayer's or assignee's tax liability for the tax  
11 year, that portion that exceeds the tax liability for the tax year  
12 shall not be refunded but may be carried forward to offset tax  
13 liability in subsequent tax years for 10 years or until used up,  
14 whichever occurs first. Except as otherwise provided in this  
15 subsection, the maximum time allowed under the carryforward  
16 provisions under this subsection begins with the tax year in which  
17 the certificate of completion is issued to the qualified taxpayer.  
18 If the qualified taxpayer assigns all or any portion of its credit  
19 approved under this section, the maximum time allowed under the  
20 carryforward provisions for an assignee begins to run with the tax  
21 year in which the assignment is made and the assignee first claims  
22 a credit, which shall be the same tax year. The maximum time  
23 allowed under the carryforward provisions for an annual credit  
24 amount for a credit allowed under subsection (4) begins to run in  
25 the tax year for which the annual credit amount is designated on  
26 the certificate of completion issued under this section. A credit  
27 carryforward available under section 38g of former 1975 PA 228 that

1 is unused at the end of the last tax year may be claimed against  
2 the tax imposed under act for the years the carryforward would have  
3 been available under former 1975 PA 228. Beginning on and after ~~the~~  
4 ~~effective date of the amendatory act that added subsection (33)~~  
5 **APRIL 8, 2008**, if the credit allowed under this section for the tax  
6 year exceeds the qualified taxpayer's tax liability for the tax  
7 year, the qualified taxpayer may elect to have the excess refunded  
8 at a rate equal to 85% of that portion of the credit that exceeds  
9 the tax liability of the qualified taxpayer for the tax year and  
10 forgo the remaining 15% of the credit and any carryforward.

11 (19) If a project or credit under this section is for the  
12 addition of personal property, if the cost of that personal  
13 property is used to calculate a credit under this section, and if  
14 the personal property is disposed of or transferred from the  
15 eligible property to any other location, the qualified taxpayer  
16 that disposed of that property, or transferred the personal  
17 property shall add the same percentage as determined under  
18 subsection (1) of the federal basis of the personal property used  
19 for determining gain or loss as of the date of the disposition or  
20 transfer to the qualified taxpayer's tax liability under this act  
21 after application of all credits under this act for the tax year in  
22 which the disposition or transfer occurs. If a qualified taxpayer  
23 has an unused carryforward of a credit under this section, the  
24 amount otherwise added under this subsection to the qualified  
25 taxpayer's tax liability may instead be used to reduce the  
26 qualified taxpayer's carryforward under subsection (18).

27 (20) For credits under this section for projects for which a

1 certificate of completion is issued before January 1, 2006 and  
2 except as otherwise provided in this subsection, if a qualified  
3 taxpayer pays or accrues eligible investment on or to an eligible  
4 property that is leased for a minimum term of 10 years or sold to  
5 another taxpayer for use in a business activity, the qualified  
6 taxpayer may assign all or a portion of the credit under this  
7 section based on that eligible investment to the lessee or  
8 purchaser of that eligible property. A credit assignment under this  
9 subsection shall only be made to a taxpayer that when the  
10 assignment is complete will be a qualified taxpayer. All credit  
11 assignments under this subsection are irrevocable and, except for a  
12 credit based on a multiphase project, shall be made in the tax year  
13 in which the certificate of completion is issued, unless the  
14 assignee is an unknown lessee. If a qualified taxpayer wishes to  
15 assign all or a portion of its credit to a lessee but the lessee is  
16 unknown in the tax year in which the certificate of completion is  
17 issued, the qualified taxpayer may delay claiming and assigning the  
18 credit until the first tax year in which the lessee is known. A  
19 qualified taxpayer may claim a portion of a credit and assign the  
20 remaining credit amount. Except as otherwise provided in this  
21 subsection, if the qualified taxpayer both claims and assigns  
22 portions of the credit, the qualified taxpayer shall claim the  
23 portion it claims in the tax year in which the certificate of  
24 completion is issued or, for a credit assigned and claimed for a  
25 multiphase project before a certificate of completion is issued,  
26 the taxpayer shall claim the credit in the year in which the credit  
27 is assigned. If a qualified taxpayer assigns all or a portion of

1 the credit and the eligible property is leased to more than 1  
2 taxpayer, the qualified taxpayer shall determine the amount of  
3 credit assigned to each lessee. A lessee shall not subsequently  
4 assign a credit or any portion of a credit assigned under this  
5 subsection. A purchaser may subsequently assign a credit or any  
6 portion of a credit assigned to the purchaser under this subsection  
7 to a lessee of the eligible property. The credit assignment under  
8 this subsection shall be made on a form prescribed by the Michigan  
9 economic growth authority. The qualified taxpayer shall send a copy  
10 of the completed assignment form to the Michigan economic growth  
11 authority in the tax year in which the assignment is made. The  
12 assignee shall attach a copy of the completed assignment form to  
13 its annual return required to be filed under this act, for the tax  
14 year in which the assignment is made and the assignee first claims  
15 a credit, which shall be the same tax year. In addition to all  
16 other procedures under this subsection, the following apply if the  
17 total of all credits for a project is more than \$10,000,000.00 but  
18 \$30,000,000.00 or less:

19 (a) The credit shall be assigned based on the schedule  
20 contained in the certificate of completion.

21 (b) If the qualified taxpayer assigns all or a portion of the  
22 credit amount, the qualified taxpayer shall assign the annual  
23 credit amount for each tax year separately.

24 (c) More than 1 annual credit amount may be assigned to any 1  
25 assignee and the qualified taxpayer may assign all or a portion of  
26 each annual credit amount to any assignee.

27 (d) The qualified taxpayer shall not assign more than the

1 annual credit amount for each tax year.

2 (21) Except as otherwise provided in this subsection, for  
3 projects for which a certificate of completion is issued before  
4 January 1, 2006, and except as otherwise provided in this  
5 subsection, if a qualified taxpayer is a partnership, limited  
6 liability company, or subchapter S corporation, the qualified  
7 taxpayer may assign all or a portion of a credit under this section  
8 to its partners, members, or shareholders, based on their  
9 proportionate share of ownership of the partnership, limited  
10 liability company, or subchapter S corporation or based on an  
11 alternative method approved by the Michigan economic growth  
12 authority. A credit assignment under this subsection is irrevocable  
13 and, except for a credit assignment based on a multiphase project,  
14 shall be made in the tax year in which a certificate of completion  
15 is issued. A qualified taxpayer may claim a portion of a credit and  
16 assign the remaining credit amount. Except as otherwise provided in  
17 this subsection, if the qualified taxpayer both claims and assigns  
18 portions of the credit, the qualified taxpayer shall claim the  
19 portion it claims in the tax year in which a certificate of  
20 completion is issued or for a credit assigned and claimed for a  
21 multiphase project, before the component completion certificate is  
22 issued, the taxpayer shall claim the credit in the year in which  
23 the credit is assigned. A partner, member, or shareholder that is  
24 an assignee shall not subsequently assign a credit or any portion  
25 of a credit assigned under this subsection. The credit assignment  
26 under this subsection shall be made on a form prescribed by the  
27 Michigan economic growth authority. The qualified taxpayer shall

1 send a copy of the completed assignment form to the Michigan  
2 economic growth authority in the tax year in which the assignment  
3 is made. A partner, member, or shareholder who is an assignee shall  
4 attach a copy of the completed assignment form to its annual return  
5 required under this act, for the tax year in which the assignment  
6 is made and the assignee first claims a credit, which shall be the  
7 same tax year. A credit assignment based on a credit for a  
8 component of a multiphase project that is completed before January  
9 1, 2006 shall be made under this subsection. In addition to all  
10 other procedures under this subsection, the following apply if the  
11 total of all credits for a project is more than \$10,000,000.00 but  
12 \$30,000,000.00 or less:

13 (a) The credit shall be assigned based on the schedule  
14 contained in the certificate of completion.

15 (b) If the qualified taxpayer assigns all or a portion of the  
16 credit amount, the qualified taxpayer shall assign the annual  
17 credit amount for each tax year separately.

18 (c) More than 1 annual credit amount may be assigned to any 1  
19 assignee and the qualified taxpayer may assign all or a portion of  
20 each annual credit amount to any assignee.

21 (d) The qualified taxpayer shall not assign more than the  
22 annual credit amount for each tax year.

23 (22) For projects approved under this section or section 38g  
24 of former 1975 PA 228 for which a certificate of completion is  
25 issued on and after January 1, 2006, a qualified taxpayer may  
26 assign all or a portion of a credit allowed under this section or  
27 section 38g(2), (3), or (33) of former 1975 PA 228 under this

1 subsection. A credit assignment under this subsection is  
2 irrevocable and, except for a credit assignment based on a  
3 multiphase project, shall be made in the tax year in which a  
4 certificate of completion is issued unless the assignee is an  
5 unknown lessee. If a qualified taxpayer wishes to assign all or a  
6 portion of its credit to a lessee but the lessee is unknown in the  
7 tax year in which the certificate of completion is issued, the  
8 qualified taxpayer may delay claiming and assigning the credit  
9 until the first tax year in which the lessee is known. A qualified  
10 taxpayer may claim a portion of a credit and assign the remaining  
11 credit amount. If the qualified taxpayer both claims and assigns  
12 portions of the credit, the qualified taxpayer shall claim the  
13 portion it claims in the tax year in which a certificate of  
14 completion is issued pursuant to this section or section 38g of  
15 former 1975 PA 228. An assignee may subsequently assign a credit or  
16 any portion of a credit assigned under this subsection to 1 or more  
17 assignees. The credit assignment or a subsequent reassignment under  
18 this subsection shall be made on a form prescribed by the Michigan  
19 economic growth authority. The Michigan economic growth authority  
20 or its designee shall review and issue a completed assignment or  
21 reassignment certificate to the assignee or reassignee. An assignee  
22 or subsequent reassignee shall attach a copy of the completed  
23 assignment certificate to its annual return required under this  
24 act, for the tax year in which the assignment or reassignment is  
25 made and the assignee or reassignee first claims a credit, which  
26 shall be the same tax year. A credit assignment based on a credit  
27 for a component of a multiphase project that is completed before

1 January 1, 2006 shall be made under section 38g(18) of former 1975  
2 PA 228. A credit assignment based on a credit for a component of a  
3 multiphase project that is completed on or after January 1, 2006  
4 may be made under this section. In addition to all other procedures  
5 and requirements under this section, the following apply if the  
6 total of all credits for a project is more than \$10,000,000.00 but  
7 \$30,000,000.00 or less:

8 (a) The credit shall be assigned based on the schedule  
9 contained in the certificate of completion.

10 (b) If the qualified taxpayer assigns all or a portion of the  
11 credit amount, the qualified taxpayer shall assign the annual  
12 credit amount for each tax year separately.

13 (c) More than 1 annual credit amount may be assigned to any 1  
14 assignee, and the qualified taxpayer may assign all or a portion of  
15 each annual credit amount to any assignee.

16 (23) A qualified taxpayer or assignee under subsection (20),  
17 (21), or (22) shall not claim a credit under subsection (1)(a) or  
18 (b) based on eligible investment on which a credit claimed under  
19 section 38d of former 1975 PA 228 was based.

20 (24) When reviewing an application for a project for  
21 designation as an urban development area project, the Michigan  
22 economic growth authority for projects approved under subsection  
23 (4) or the chairperson of the Michigan economic growth authority or  
24 his or her designee for projects approved under subsections (2) and  
25 (3) shall consider all of the following criteria:

9 authority.

10 (25) An eligible taxpayer that claims a credit under this  
11 section is not prohibited from claiming a credit under section 431.  
12 However, the eligible taxpayer shall not claim a credit under this  
13 section and section 431 based on the same costs.

15 operation of a professional sports stadium, and eligible investment  
16 that is associated or affiliated with the operation of a  
17 professional sports stadium, including, but not limited to, the  
18 operation of a parking lot or retail store, shall not be used as a  
19 basis for a credit under this section. Professional sports stadium  
20 does not include a professional sports stadium that will no longer  
21 be used by a professional sports team on and after the date that an  
22 application related to that professional sports stadium is filed  
23 under this section.
