14 notice that he or she is scheduled to participate in a health care  
15 service to which he or she conscientiously objects.

17 written objection filed under section 5 for the duration of the  
18 health care provider's employment. The written objection is valid  
19 for the duration of the health care provider's employment or until  
20 rescinded by the health care provider in writing.

21 (2) Within 7 days after receiving a written objection pursuant  
22 to section 5, an employer shall develop an accommodation plan with  
23 the health care provider to ensure that the health care provider  
24 will not be scheduled or requested to participate in a health care  
25 service to which he or she specifically objects.

26 (3) An employer shall not refuse employment or staff  
27 privileges to a health care provider who has exercised his or her

1 right to assert an objection to providing or participating in a  
2 health care service under section 5, unless participation in that  
3 health care service is indicated as a regular or substantial  
4 portion of the normal course of duties in the posting of the  
5 availability of the position for employment or staff privileges.

6 (4) A medical school or other institution for the education or  
7 training of a health care provider shall not refuse admission to an  
8 individual or penalize that individual because the individual has  
9 filed in writing with the medical school or other institution a  
10 conscientious objection to participating in a health care service  
11 under this act.

12 Sec. 9. (1) The protections afforded to a health care provider  
13 under this act do not apply to a health care provider who has

15 or participating in a certain health care service under any of the  
16 following circumstances:

17 (a) A patient's condition, in the reasonable medical judgment

19 action and no other qualified health care provider is available to  
20 provide that health care service.

21 (b) In the event of a public health emergency.

22 (c) If a health care provider first asserts an objection  
23 contemporaneously to a patient's requiring or requesting the  
24 objectionable health care service and no other health care provider  
25 is available to provide the health care service.

26 (d) If the objection is based on the status of the patient,  
27 including, but not limited to, the patient's religion, race, color,

1 national origin, age, gender, height, weight, familial status,  
2 marital status, participation in high-risk activities, past or  
3 present medical disease or condition, sexual orientation,  
4 employment status, insurance coverage, ability to pay, or method of  
5 payment.

6 (2) This act does not relieve a health care provider from a  
7 duty that exists under any other law pertaining to current  
8 standards of acceptable health care practice and procedure to  
9 inform a patient of the patient's condition, prognosis, risk of  
10 receiving or forgoing relevant health care services for the  
11 condition, including the availability of a health care service to  
12 which the health care provider conscientiously objects.

13 (3) Subject to a collective bargaining agreement, if a health  
14 care provider asserts an objection to a health care service that at  
15 the time the objection is asserted constitutes a regular or  
16 substantial portion of the health care provider's current and  
17 defined position, the employer may give the health care provider  
18 not less than 60 days' notice of the termination of his or her  
19 employment.

20 Sec. 11. (1) Except as provided in section 9, a health care  
21 provider's objection to providing or participating in a health care  
22 service as described in section 5 shall not be the basis for 1 or  
23 more of the following:

24 (a) Civil liability to another person.

25 (b) Criminal action.

26 (c) Administrative or licensure action.

27 (2) If a health care provider is required by his or her

1 employer to participate in a health care service more than 7 days  
2 after the health care provider has asserted a written objection to  
3 that health care service, the health care provider is immune from  
4 civil liability in an action arising from his or her participation  
5 in that health care service.

6       Sec. 13. (1) A civil action for damages or reinstatement of  
7 employment, or both, may be brought against a person, including,  
8 but not limited to, a governmental agency, health facility, or  
9 other employer, for penalizing or discriminating against a health  
10 care provider, including, but not limited to, penalizing or  
11 discriminating in hiring, promotion, transfer, a term or condition  
12 of employment, licensing, or granting of staff privileges or  
13 appointments, solely because that health care provider has asserted  
14 an objection to participating in a health care service under  
15 section 5. Civil damages may be awarded equal to the amount of  
16 proven damages and attorney fees. A civil action filed under this  
17 subsection may include a petition for injunctive relief against a  
18 person alleged to have penalized or discriminated against a health  
19 care provider as described in this subsection.

20       (2) A person who violates this act is responsible for a state  
21 civil infraction and may be ordered to pay a fine of not more than  
22 \$1,000.00 for each day the violation continues or a fine of not  
23 more than \$1,000.00 for each occurrence.
