**STATE OF MICHIGAN  
94TH LEGISLATURE  
REGULAR SESSION OF 2007**

Introduced by Rep. Condino

# **ENROLLED HOUSE BILL No. 4860**

AN ACT to amend 1969 PA 287, entitled "An act to regulate pet shops, animal control shelters, and animal protection shelters; to establish uniform procedures and minimum requirements for adoption of dogs, cats, and ferrets; and to prescribe penalties and civil fines and to provide remedies," by amending sections 4 and 9b (MCL 287.334 and 287.339b), section 4 as amended by 2004 PA 280 and section 9b as added by 1997 PA 7.

*The People of the State of Michigan enact:*

Sec. 4. (1) Applications for pet shop licenses shall be on a form as provided or made available by the director. Beginning October 1, 2003 through September 30, 2012, the director shall issue pet shop licenses for a term of 1 year beginning January 1 of each year. After September 30, 2012, the director shall issue a pet shop license upon application and payment of a license fee of \$150.00.

(2) Subject to subsection (6) and until September 30, 2012, the department shall charge a fee of \$200.00 for an initial application for a pet shop license and a fee of \$100.00 for renewal of a pet shop license.

(3) Until September 30, 2012 and except as otherwise provided for in this section, a pet shop license is renewable by submission of a completed renewal application provided or made available by the department and payment of the renewal fee described in subsection (2).

(4) The department shall deposit all license fees, inspection fees, other noncriminal fines or fees, and administrative fines received pursuant to this act into the agriculture licensing and inspection fees fund created in section 9 of the insect pest and plant disease act, 1931 PA 189, MCL 286.209, to be used, pursuant to appropriation, by the director in administering and carrying out those duties required by law under this act.

(5) Beginning July 23, 2004, the department shall issue an initial or renewal pet shop license not later than 90 days after the applicant files a completed application. Receipt of the application is considered the date the application is received by any agency or department of the state of Michigan. If the application is considered incomplete by the department, the department shall notify the applicant in writing, or make the information electronically available, within 30 days after receipt of the incomplete application, describing the deficiency and requesting the additional information. The 90-day period is tolled upon notification by the department of a deficiency until the date the requested information is received by the department. The determination of the completeness of an application does not operate as an approval of the application for the license and does not confer eligibility of an applicant determined otherwise ineligible for issuance of a license.

(6) If the department fails to issue or deny a license within the time required by this section, the department shall return the license fee and shall reduce the license fee for the applicant's next renewal application, if any, by 15%. The failure to issue a license within the time required under this subsection does not allow the department to otherwise delay the processing of the application, and that application, upon completion, shall be placed in sequence with other completed applications received at that same time. The department shall not discriminate against an applicant in the processing of the application based upon the fact that the license fee was refunded or discounted under this subsection.

(7) Beginning October 1, 2005, the director of the department shall submit a report by December 1 of each year to the standing committees and appropriations subcommittees of the senate and house of representatives concerned with agriculture issues. The director shall include all of the following information in the report concerning the preceding fiscal year:

(a) The number of initial and renewal applications the department received and completed within the 90-day time period described in subsection (5).

(b) The number of applications denied.

(c) The number of applicants not issued a license within the 90-day time period and the amount of money returned to licensees and registrants under subsection (6).

(8) As used in this section, "completed application" means an application complete on its face and submitted with any applicable licensing fees as well as any other information, records, approval, security, or similar item required by law or rule from a local unit of government, a federal agency, or a private entity but not from another department or agency of the state of Michigan. In the case of an initial application, completed application includes the completion of construction or renovation of any facility and the passing of a satisfactory inspection.

Sec. 9b. (1) If a person violates this act or a rule promulgated under this act, the director, after notice and an opportunity for an evidentiary hearing under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, may do either or both of the following:

(a) Suspend or revoke a license or registration issued to the person under this act.

(b) Impose an administrative fine of not more than \$1,000.00 for each violation. The director shall advise the attorney general of the failure of a person to pay an administrative fine under this section. The attorney general shall bring a civil action to recover the administrative fine and costs and fees. The administrative fine shall be deposited in the agriculture licensing and inspection fees fund created in section 9 of the insect pest and plant disease act, 1931 PA 189, MCL 286.209.

(2) In addition to any other action authorized by this act, the director may bring an action to do 1 or more of the following:

(a) Obtain a declaratory judgment that a method, act, or practice is in violation of this act.

(b) Obtain an injunction against a person who is engaging, or about to engage, in a method, act, or practice that violates this act.

(3) If a person fails to comply with a contract for the alteration of a dog, cat, or ferret as required under section 8a, a court with appropriate jurisdiction may order transfer of ownership of the adopted animal only to 1 of the following:

(a) The facility from which the animal was adopted.

(b) A veterinarian, animal control shelter, or animal protection shelter willing to accept the animal and either humanely euthanize the animal or adopt the animal to an owner who agrees to have the animal altered.

Enacting section 1. This amendatory act does not take effect unless House Bill No. 4862 of the 94th Legislature is enacted into law.

This act is ordered to take immediate effect.
