The program shall be in addition to a program or programs under existing contract between either or both of the departments with a private entity on September 1, 2005. The program shall be entirely funded with state and federal funds from money first recovered or through costs that are avoided by charging the insurance coverage for minor children from state programs to private insurance.
- Sec. 904. The department is prohibited from charging back to the counties any of the fees paid that are charged by the internal revenue service or the department of treasury related to the tax intercept and offset programs. The state share of those fees shall be paid from money otherwise provided for office of child support programs.

The pilot program shall be implemented during fiscal year 2008-2009. Any restricted revenue collected pursuant to this section shall not be expended until the department and representatives from counties and the friends of the court meet and agree upon recommendations for use of the revenue. The revenue is subject to appropriation by the legislature.
- Sec. 908. From the money appropriated in part 1 for child support enforcement operations, \$500,000.00 shall be expended on a contract aimed at collecting child support arrearages. This distribution shall occur only if the total state retained child support collections exceed the statewide amount collected in fiscal year 2005. The funds distributed to counties pursuant to this section shall be used to supplement and not supplant county IV-D funding. This authorization adjustment shall be made upon notification of the chairs of the house and senate appropriations subcommittees on the department budget, the house and senate fiscal agencies, and the state budget director.

Sec. 910. If title IV-D-related child support collections are escheated, the state budget director is authorized to adjust the sources of financing for the funds appropriated in part 1 for legal support contracts to reduce federal authorization by 66% of the escheated amount and increase general fund/general purpose authorization by the same amount. This budget adjustment is required to offset the loss of federal revenue due to the escheated amount being counted as title IV-D program income in accordance with federal regulations at 45 CFR 304.50.

Sec. 911. (1) The department will implement a \$25.00 annual fee pursuant to title IV-D, 42 USC 654(6)(B). The fee shall be deducted from support collected on behalf of the individual. Fee revenues shall be used to administer and operate the child support program under title IV-D.

Organizations shall be given preference based on their emphasis on clients who have never filed for the EITC, clients with children, and clients for whom receipt of the EITC will make it easier for them to move off public assistance.
- (3) In addition to the money referred to in subsection (1), the department shall award up to \$250,000.00 in competitive grants to organizations that seek to provide programs combining education on the EITC with programs building skills for strong marriages, fatherhood, or parenting.
