To the Michigan Agriculture Committee:

Michigan Farmers Union would like to go on record as opposing bills HB 5127 and HB 5128. For unknown reasons, we did not receive prior notice of these bills, however, Michigan Farmers Union would accept an invitation to any future meetings that may be scheduled in regard to these bills.

I wish to thank Representative Mike Huckleberry for alerting us to the meeting regarding HB 5127 and 5128.

Sincerely,  
Marilynn K. Momber  
Michigan Farmers Union President
