ADAM KNOTT
TESTIMONY BEFORE THE JUDICIARY COMMITTEE
October 28, 2009

- Thank you to the Committee and to Chairman Meadows for the opportunity to speak with you today.
- My name is Adam Knott, and I am the Legislative and Research Director of Michigan Citizen Action.
- On behalf of Michigan Citizen Action I am here to express our support for HB 4915 and to thank Rep. Robert Jones for sponsoring.
- We support this legislation because Michigan has a long history of protecting its citizens with some of the strongest consumer protection laws in the country.
- Michigan Citizen Action is committed to continuing this tradition of Michigan having the strongest consumer protection laws possible.
- There are far too many examples cited in court cases and those that have not been reported of Michigan consumers being mistreated by unscrupulous practices and having no recourse.
- Michigan Citizen Action supports House Bill 4915 because it will restore and reinforce Michigan's long history of looking out for its citizens under the Michigan Consumer Protection Act.
- On behalf of Michigan Citizen Action, I ask the members of the committee to vote favorably on this legislation and send this bill to the full House with a favorable recommendation.
- Once again, thank you for your time.
