Historic Snowmobiling
Lansing, MI 48908

To whom it may concern,

We are the Big Bay Antique & Vintage Snowmobile Association Inc. of Big Bay, MI. We are located 25 miles N/W of Marquette, MI. Our motto is to promote tourism and recreation in the U.P. by supporting and preserving our heritage as enthusiasts for antique snowmobiling.

Our association brings over 1500 snowmobile enthusiasts to our annual Antique & Vintage Snowmobile Show, along with over 200 snowmobile riders to enjoy the beautiful landscape that the Big Bay area has to offer. Currently we are restricted to private and corporate lands for this annual ride. We bring families together, benefiting local business, and preserving a heritage that is treasured by many.

The HB6261, Historic Snowmobile Registration Bill, is essential. A one time registration fee for our antique & vintage snowmobiles, will give our associates an opportunity to not only enjoy riding their snowmobiles, but to display these treasures, with all their history, to the upcoming generations, for many years to come.

Thank you for your consideration,

Ron Giannunzio, President
