Rep. Kevin J. Green, from the 77th District, offered the following invocation:

“Almighty God, as we gather here today on behalf of the people of Michigan, let us celebrate the life of Your servant St. Patrick, whose faith in Your son Jesus Christ and personal determination changed the history of Ireland, Western Civilization, and the World.

St. Patrick lived in a perilous time, the beginning of Europe’s ‘Dark Ages’. He was charged with a difficult task: to bring Your Word to the far corner of the Ancient World to an unfamiliar people. In times when it was easy to be pessimistic and cynical, Patrick put his faith in Your Commandments and Christ’s teachings.

For 1,500 years, Patrick’s sacrifices and accomplishments have been the subject of story and song. We thank You for his example and contribution.

Your disciples in this Chamber, Father, hope to accomplish great things as well. We were called to serve in a difficult time in the history of Michigan, but we embody the hopes and aspirations of a people determined to restore this state to Greatness.

Father, extend Your blessings on our work today. Grant us the courage to do what is right rather than what is easy. Grant us the right judgment to base our decisions on our conscience and our convictions. Grant us the enlightened wisdom to create solutions that will lead this people toward a bright future worthy of Your Name.

We will remember the extraordinary life of St. Patrick in our work today, Father. We pray Your blessings upon Ireland and the current struggles they are facing in these trying times. We welcome Your continued blessings upon this House and all the people of Michigan.

In Jesus’ name, Amen.”

Rep. Agema, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

No Vote Explanation

HB 4402 - Lindane

I am concerned with the costs and implications of House Bill 4402.

In severe cases of head lice infestations or scabies, Lindane is the only treatment that may work, but this legislation drastically increases the cost of treatment by forcing doctors to provide treatment that could previously be handled at home. Increasing costs will reduce access to health care for low-income families. Furthermore, the FDA deems the treatment safe as a ‘second line’ treatment.

For these reasons, I cannot support this bill at this time.”

#### **Motions and Resolutions**

Reps. Byrum, Barnett, Terry Brown, Denby, Durhal, Geiss, Green, Haugh, Robert Jones, Lahti, LeBlanc, Lemmons, Mayes, McDowell, Moore, Polidori and Rocca offered the following resolution:

**House Resolution No. 47.**

A resolution to memorialize the Congress of the United States to oppose preemptive federal insurance regulatory measures.

Whereas, Insurance regulation, oversight, and consumer protection have traditionally and historically been powers delegated to state governments under the McCarran-Ferguson Act of 1945; and

Whereas, State legislatures are more responsive to the needs of their constituents and the need for insurance products and regulation to meet their state's unique market demands; and

Whereas, State legislatures, the National Conference of Insurance Legislators, and the National Association of Insurance Commissioners continue to address uniformity issues between states with the adoption of model laws that address market conduct, product approval, agent licensing, and rate regulation; and

Whereas, Initiatives are being contemplated by certain members of the United States Congress that would destroy the state system of insurance regulation and create unwieldy and inaccessible federal bureaucracies—all without consumer demand; and

Whereas, Such initiatives would divide insurance regulation and could result in a quagmire of federal and state directives that would promote ambiguity and confusion; and

Whereas, Financial services entities that are currently regulated under the federal regulatory system have been failing and undergoing significant financial turmoil; and

Whereas, The state-based regulation of insurance has proven itself highly effective for consumer protection and industry solvency during the current economic situation and financial industry crisis; and

Whereas, Many state governments derive general revenue dollars from the regulation of the business of insurance, including over \$223 million in Michigan of premium taxes generated in fiscal year 2007-2008, and federal insurance regulation initiatives would eventually draw premium tax revenue from the states; and

Whereas, Such proposals would compromise state guaranty fund coverage, and employers could end up absorbing losses otherwise covered by these safety nets for businesses affected by insolvencies; and

Whereas, Federal insurance regulation proposals introduced in Congress during the past few sessions bifurcate insurance regulation and allow companies to choose not to be governed by important state consumer protections; now, therefore, be it

Resolved by the House of Representatives, That we express our strong opposition to federal legislation, such as legislation to create an optional federal charter for insurance companies, that would threaten the power of state legislatures, governors, insurance commissioners, and attorneys general to oversee, regulate, and investigate the business of insurance and to protect consumers; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, members of the United States House of Representatives Committee on Financial Services, the United States Senate Committee on Banking, Housing and Urban Affairs, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Insurance.

Reps. Pearce, Ball, Barnett, Booher, Terry Brown, Daley, Durhal, Espinoza, Geiss, Green, Haines, Haugh, Robert Jones, Kurtz, Lahti, Leland, Lori, Lund, Marleau, Mayes, Opsommer, Pavlov, Proos, Wayne Schmidt and Tyler offered the following resolution:

**House Resolution No. 48.**

A resolution recognizing Courtney Fedeson of Belmont, Michigan for being named one of the top two youth volunteers in Michigan for 2009.

Whereas, Courtney Fedeson, a resident of Belmont and a seventh grade student at North Rockford Middle School, has achieved national recognition for exemplary volunteer service by receiving the 2009 Prudential Spirit of Community Award; and

Whereas, Nearly 20,000 young people across the country were considered for state-level recognition this year; and

Whereas, This prestigious award presented by Prudential Financial in partnership with the National Association of Secondary School Principals, honors young volunteers across America who have demonstrated an extraordinary commitment to serving their communities; and

Whereas, The National Association of Secondary School Principals in their mission to promote excellence in school leaders recognize the 2009 Prudential Spirit of Community Award recipients for their youth volunteer work and leadership; and

Whereas, The Prudential Spirit of Community Awards program, the United State's largest youth recognition program based solely on volunteer service, is also administered in Japan, South Korea, Taiwan, and Ireland; and

Whereas, Prudential Financial's well known 'rock' symbol represents strength, stability, expertise, and innovation, that also describe the characteristics of many of the Prudential Spirit of Community Award recipients; and

Whereas, Courtney earned this award by giving generously of her time and energy to leading her Girl Scout troop in a landscaping project at the front entrance of North Rockford Middle school; and

Whereas, Courtney and her Girl Scout troop developed a plan, created a budget, presented their plan, and raised funds for the North Rockford Middle School landscaping project, and personally recruited student and adult helpers to aid in the completion of this service project; and

Whereas, As a state honoree, Courtney will receive a \$1000 award, an engraved silver medallion, and a trip to Washington D.C. for national recognition; and

Whereas, The success of the state of Michigan, the strength of our communities, and the overall vitality of American society depend, in great measure, upon the dedication of young people like Courtney who use their considerable talents and resources to serve others; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body congratulate and honor Courtney Fedeson as a recipient of the Prudential Spirit of Community Award.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Proos, Horn, Crawford, Daley, Schuitmaker, Tyler, Bolger, Mayes, Geiss, Ebli, Lund, Agema, Ball, Barnett, Booher, Terry Brown, Durhal, Genetski, Green, Haugh, Rick Jones, Robert Jones, Knollenberg, Kurtz, Lahti, Lori, Marleau, Miller, Opsommer, Pavlov, Pearce and Wayne Schmidt offered the following concurrent resolution:

**House Concurrent Resolution No. 13.**

A concurrent resolution to urge the United States Department of Energy and the Nuclear Regulatory Commission to fulfill their obligation to establish a permanent repository for high-level nuclear waste.

Whereas, Over the past four decades, nuclear power has been a significant source for the nation's production of electricity. According to the U.S. Nuclear Energy Institute, nuclear power provided 19.4 percent of the electricity produced in the United States in 2007 and 25.8 percent of the electricity generated in Michigan in 2006; and

Whereas, Since the earliest days of nuclear power, the great dilemma associated with this technology is how to deal with used nuclear fuel. This high-level radioactive waste demands exceptional care in all facets of its storage and disposal, including its transportation; and

Whereas, In 1982, Congress passed the Nuclear Waste Policy Act of 1982. This legislation requires the federal government, through the Department of Energy, to build a repository for the permanent storage of high-level radioactive waste from nuclear power plants. This act, which was amended in 1987, includes a specific timetable to identify a suitable location and to establish the waste repository. The costs for this undertaking are paid from a fee that is assessed on all nuclear energy produced; and

Whereas, In accordance with the federal act, customers of Michigan electric utilities have paid \$656 million through March 31, 2008, into the federal Nuclear Waste Fund for construction of the federal nuclear waste repository; and

Whereas, There are serious concerns that the federal government is not complying with the timetables set forth in federal law. Every delay places our country at greater risk for a catastrophe to occur. The large number of temporary storage sites at nuclear facilities across the country make us vulnerable to potential problems. The events since September 11, 2001, clearly illustrate the urgency of the need to establish a safe and permanent high-level nuclear waste repository as soon as possible. The Department of Energy, along with the Nuclear Regulatory Commission, must work diligently to meet its obligation as provided by law. There is too much at stake; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That we urge the United States Department of Energy and the Nuclear Regulatory Commission to fulfill their obligation to establish a permanent repository for high-level nuclear waste; and be it further

Resolved, That copies of this resolution be transmitted to the United States Department of Energy, the Nuclear Regulatory Commission, the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The concurrent resolution was referred to the Committee on Energy and Technology.
