Rep. Marilyn Lane, from the 31st District, offered the following invocation:

“Dear God and Heavenly Father, Creator of Heaven and Earth, we ask for Your divine blessing upon us as we seek to accomplish Your will.

Lord, we are thankful for Your guiding hand that directs all that we do as we wholeheartedly depend on You.

Truth, honor, righteousness, purity, loveliness, and excellence in all things are what You ask of us and the least we owe to You. Let us in this house never forget why government exists: to protect, foster, improve human life for all that love You completely... and, most of all, to glorify Your name.

Let us view the world in the beauty with which it was created and seek to preserve it as a living testimony to Your goodness to us.

Lord, we have seen You accomplish the impossible. Based on that, we can boldly proclaim Your promises for the future and we pray Your continued blessing on all citizens of our great State. Most of all, help us remain united remembering why You have placed us here at this moment in time. We are thankful for You and will seek to serve You daily in all that we do. AMEN.”

Rep. Stamas moved that the bill be given immediate effect.

The motion prevailed, 2/3 of the members serving voting therefor.

Rep. Stapleton, having reserved the right to explain her protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

While in committee, I originally voted to support this bill, I have done some additional studying of the issue and have some concerns about using the Natural Resources Trust Fund for anything other than for what it was intended. The MNTF was created to assist local governments and DNR to purchase land or rights to land for public recreation and protection of land for environmental purposes. I truly believe that we need to maintain that as the sole purpose of the fund.

If we begin to find exceptions to that or additional reasons why the fund should be used, I am concerned about the overall impact of the fund long term.”
