Rep. Anthony G. Forlini, from the 24th District, offered the following invocation:

“Almighty God, we come before You together in gratitude this holiday season for all the blessings You have bestowed upon us. You created a state with vast natural resources to treasure, with abundant fresh water lakes, forests and fertile croplands.

May we in the Legislature always be good caretakers of these resources so that future generations of Michigan residents have the quality of life we enjoy.

Lord, we thank You for being the Giver of all life, order, and wisdom, and Source of help. We thank You for the resilience of Michigan families.

Through the challenges we face in our economy, we pray for Your unfailing guidance to make the decisions that will lead Michigan to be the land of opportunity for all its citizens.

Lord, grant us the knowledge of Your truth.

We pray for the protection of our soldiers overseas, and the safe travel of our loved ones as they return home for the holidays.

We are forever grateful for the season’s greatest blessing, the gift of Your Son, Jesus Christ, in Whose name I pray. Amen.”

Rep. Stamas moved that House Committees be given leave to meet during the balance of today’s session. The motion prevailed.

The question being on agreeing to the title of the bill,

Rep. Stamas moved to amend the title to read as follows:

A bill to make, supplement, and adjust appropriations for various state departments and agencies and for the legislative branch for the fiscal year ending September 30, 2012; to provide for the expenditure of the appropriations; and to repeal acts and parts of acts.

The motion prevailed.

The House agreed to the title as amended.

Rep. Tlaib, having reserved the right to explain her nay vote, made the following statement:

“Mr. Speaker and members of the House:

The supplement did not address the fact that the State of Michigan currently has a surplus of over \$500 million. These funds are left on the table while we continue to maintain the cuts made to the Departments of Community Health and Human Services and education programs that are essential in maintaining the quality of life for our working and poor families. I will not support a supplement bill that fails to address the needs of Michigan families. Therefore, I voted no on House Bill 5014.”

Rep. Hooker, having reserved the right to explain his nay vote, made the following statement:

“Mr. Speaker and members of the House:

I had voted yes on this bill in the first passage that had appropriated \$520.Million for the fiscal year but the Senate raised a supplement to it to \$566.Million. The House changed it to \$351.8 Million which I opposed the increase of \$30 million on a appropriation already enacted.”

Explanation of "No" Votes

Rep. Haugh, having reserved the right to explain his protest against the passage of **House Bill No. 5187**, made the following statement:

"Mr. Speaker and members of the House:

I voted no on House Bill 5187 because the bill is an outrageously partisan bill that would undo Oakland County's Apportionment Commission's fair process of redistricting resulting in a map that has already been upheld by the Michigan Court of Appeals as constitutional and in compliance with the law. While other states are moving redistricting out of the hands of elected officials and to independent, non-partisan commissions, the majority in this House is proposing that county elected officials pick their own districts. The bill is also flawed because it is a local act that only applies to Oakland County. The statute does not refer to Oakland County by name but applies to a county with a population of 1,000,000 or more that has adopted a unified form of county government with a county executive. The language of the bill *only* applies to Oakland County.

Such population-based statutes have been upheld against claims that they constitute local acts where it is possible that other municipalities or counties can qualify for inclusion if their populations changes. *See State v. Wayne*, 466 Mich 640, 642-643 (2002); *Irishman's Lot, Inc. v. Secretary of State*, 338 Mich 662, 666-668 (1954). However, where the statute cannot apply to other units of government, that is fatal to its status as a general act. *See State* at 643; *Mulloy v. Wayne Co. Bd. Supervisors*, 246 Mich 632, 637-640 (1929). That is the case here. In the bill, the language is limited to Oakland County. No other county would qualify under the bill. Oakland County is a closed class. Therefore, it is a local act and each chamber of the Legislature is required to get a two-thirds vote on a local or special act as required under Article 4, Section 29 of the Michigan Constitution. Members of this body took an oath to uphold the Michigan Constitution. The Majority was informed of the constitutional obstacle in this bill but are proceeding in an unconstitutional manner in violation of their oath.

Therefore, I voted 'no' on House Bill 5187. I also voted 'no' on granting Immediate Effect to House Bill 5187 because, as I stated above, the bill requires a two-thirds vote under the Michigan Constitution as a local or special act (Art. 4, Sec. 29). The bill did not receive a two-thirds vote and, therefore, did not effectively pass the House."
