3 Sec. 3. (1) Except as otherwise provided by subsection (2), a
4 municipality may establish not more than 1 authority under the
5 provisions of this act. An authority established under this
6 subsection shall exercise its powers in all authority districts.

7 (2) In addition to an authority established under subsection
8 (1), a municipality may join with 1 or more other ~~municipality~~
9 **MUNICIPALITIES** located within the same county to establish an
10 authority under this act. An authority created under this
11 subsection may only exercise its powers in a certified technology
12 park designated in an agreement made under section 12a **OR 12B OR IN**
13 **A CERTIFIED ALTERNATIVE ENERGY PARK DESIGNATED IN AN AGREEMENT**
14 **UNDER SECTION 12C.** A municipality shall not establish more than 1
15 authority under this subsection.

16 (3) A next Michigan development corporation may establish not
17 more than 1 authority under the provisions of this act. An
18 authority established under this subsection shall exercise its
19 powers within its authority district and in all next Michigan
20 development areas. The authority district in which the authority
21 may exercise its powers shall include all or part of the territory
22 of a next Michigan development corporation, as determined by the
23 governing body of the next Michigan development corporation.

24 (4) The authority shall be a public body corporate which may
25 sue and be sued in any court of this state. The authority possesses
26 all the powers necessary to carry out the purpose of its
27 incorporation. The enumeration of a power in this act shall not be

1 construed as a limitation upon the general powers of the authority.
2 The powers granted in this act to an authority may be exercised
3 notwithstanding that bonds are not issued by the authority.

4 Sec. 4. (1) The governing body of a municipality may declare
5 by resolution adopted by a majority of its members elected and
6 serving its intention to create and provide for the operation of an
7 authority.

8 (2) In the resolution of intent, the governing body proposing
9 to create the authority shall set a date for holding a public
10 hearing on the adoption of a proposed resolution creating the
11 authority and designating the boundaries of the authority district
12 or districts. Notice of the public hearing shall be published twice
13 in a newspaper of general circulation in the municipality, not less
14 than 20 nor more than 40 days before the date of the hearing.
15 Except as otherwise provided in subsection (8), not less than 20
16 days before the hearing, the governing body proposing to create the
17 authority shall also mail notice of the hearing to the property
18 taxpayers of record in a proposed authority district and, for a
19 public hearing to be held after February 15, 1994, to the governing
20 body of each taxing jurisdiction levying taxes that would be
21 subject to capture if the authority is established and a tax
22 increment financing plan is approved. Beginning June 1, 2005, the
23 notice of hearing within the time frame described in this
24 subsection shall be mailed by certified mail to the governing body
25 of each taxing jurisdiction levying taxes that would be subject to
26 capture if the authority is established and a tax increment
27 financing plan is approved. Failure of a property taxpayer to

1 receive the notice shall not invalidate these proceedings. The
2 notice shall state the date, time, and place of the hearing, and
3 shall describe the boundaries of the proposed authority district or
4 districts. At that hearing, a resident, taxpayer, or property owner
5 from a taxing jurisdiction in which the proposed district is
6 located or an official from a taxing jurisdiction with millage that
7 would be subject to capture has the right to be heard in regard to
8 the establishment of the authority and the boundaries of that
9 proposed authority district. The governing body of the municipality
10 in which a proposed district is to be located shall not incorporate
11 land into an authority district not included in the description
12 contained in the notice of public hearing, but it may eliminate
13 lands described in the notice of public hearing from an authority
14 district in the final determination of the boundaries.

15 (3) Except as otherwise provided in subsection (8), not more
16 than 60 days after a public hearing held after February 15, 1994,
17 the governing body of a taxing jurisdiction with millage that would
18 otherwise be subject to capture may exempt its taxes from capture
19 by adopting a resolution to that effect and filing a copy with the
20 clerk of the municipality proposing to create the authority.
21 However, a resolution by a governing body of a taxing jurisdiction
22 to exempt its taxes from capture is not effective for the capture
23 of taxes that are used for a certified technology park **OR A**
24 **CERTIFIED ALTERNATIVE ENERGY PARK**. The resolution takes effect when
25 filed with that clerk and remains effective until a copy of a
26 resolution rescinding that resolution is filed with that clerk.

27 (4) Except as otherwise provided in subsection (8), not less

1 than 60 days after the public hearing **OR A SHORTER PERIOD AS**
2 **DETERMINED BY THE GOVERNING BODY FOR A CERTIFIED TECHNOLOGY PARK OR**
3 **A CERTIFIED ALTERNATIVE ENERGY PARK**, if the governing body creating
4 the authority intends to proceed with the establishment of the
5 authority, it shall adopt, by majority vote of its members elected
6 and serving, a resolution establishing the authority and
7 designating the boundaries of the authority district or districts
8 within which the authority shall exercise its powers. The adoption
9 of the resolution is subject to any applicable statutory or charter
10 provisions with respect to the approval or disapproval of
11 resolutions by the chief executive officer of the municipality and
12 the adoption of a resolution over his or her veto. This resolution
13 shall be filed with the secretary of state promptly after its
14 adoption and shall be published at least once in a newspaper of
15 general circulation in the municipality.

16 (5) The governing body may alter or amend the boundaries of an
17 authority district to include or exclude lands from that authority
18 district or create new authority districts pursuant to the same
19 requirements prescribed for adopting the resolution creating the
20 authority.

21 (6) The validity of the proceedings establishing an authority
22 shall be conclusive unless contested in a court of competent
23 jurisdiction within 60 days after the last of the following takes
24 place:

25 (a) Publication of the resolution creating the authority as
26 adopted.

27 (b) Filing of the resolution creating the authority with the

1 secretary of state.

2 (7) Except as otherwise provided by this subsection, if 2 or
3 more municipalities desire to establish an authority under section
4 3(2), each municipality in which the authority district will be
5 located shall comply with the procedures prescribed by this act.
6 The notice required by subsection (2) may be published jointly by
7 the municipalities establishing the authority. The resolutions
8 establishing the authority shall include, or shall approve an
9 agreement including, provisions governing the number of members on
10 the board, the method of appointment, the members to be represented
11 by governmental units or agencies, the terms of initial and
12 subsequent appointments to the board, the manner in which a member
13 of the board may be removed for cause before the expiration of his
14 or her term, the manner in which the authority may be dissolved,
15 and the disposition of assets upon dissolution. An authority
16 described in this subsection shall not be considered established
17 unless all of the following conditions are satisfied:

18 (a) A resolution is approved and filed with the secretary of
19 state by each municipality in which the authority district will be
20 located.

21 (b) The same boundaries have been approved for the authority
22 district by the governing body of each municipality in which the
23 authority district will be located.

24 (c) The governing body of the county in which a majority of
25 the authority district will be located has approved by resolution
26 the creation of the authority.

27 (8) For an authority created under section 3(3), except as

1 otherwise provided by this subsection, the next Michigan
2 development corporation shall comply with the procedures prescribed
3 for a municipality by subsections (1) and (2) and this subsection.
4 The provisions of subsections (3) and (4) shall not apply to an
5 authority exercising its powers under section 3(3). The notice
6 required by subsection (2) may be published by the next Michigan
7 development corporation in a newspaper or newspapers of general
8 circulation within the municipalities which are constituent members
9 of the next Michigan development corporation, and notice shall not
10 be required to be mailed to the property taxpayers of record in the
11 proposed authority district. The governing body of the next
12 Michigan development corporation shall be the governing body of the
13 authority. A taxing jurisdiction levying ad valorem taxes within
14 the authority district that would otherwise be subject to capture
15 which is not a party to the intergovernmental agreement may exempt
16 its taxes from capture by adopting a resolution to that effect and
17 filing a copy not more than 60 days after the public hearing with
18 the recording officer of the next Michigan development corporation.
19 The next Michigan development corporation shall mail notice of the
20 public hearing to the governing body of each taxing jurisdiction
21 which is not a party to the intergovernmental agreement not less
22 than 20 days before the hearing. Following the public hearing, the
23 governing body of the next Michigan development corporation shall
24 adopt a resolution designating the boundaries of the authority
25 district within which the authority shall exercise its powers,
26 which may include any certified technology park within the proposed
27 authority district in accordance with this subsection and may

1 include property adjacent to or within 1,500 feet of a road
2 classified as an arterial or collector according to the federal
3 highway administration manual "Highway Functional Classification -
4 Concepts, Criteria and Procedures" or of another road in the
5 discretion of the next Michigan development corporation, and
6 property adjacent to that property within the territory of the next
7 Michigan development corporation, as provided in the resolution.
8 The resolution shall be effective when adopted, shall be filed with
9 the secretary of state and the president of the Michigan strategic
10 fund promptly after its adoption, and shall be published at least
11 once in a newspaper of general circulation in the territory of the
12 next Michigan development corporation. If an authority district
13 designated under this subsection or subsequently amended includes a
14 certified technology park which is within the authority district of
15 another authority and which is subject to an existing development
16 plan or tax increment financing plan, then that certified
17 technology park may be considered to be under the jurisdiction of
18 the authority established under section 3(3) if so provided in a
19 resolution of the authority established under section 3(3) and if
20 approved by resolution of the governing body of the municipality
21 which created the other authority, and by the president of the
22 Michigan strategic fund. If so provided and approved, then the
23 development plan and tax increment financing plan applicable to the
24 certified technology park, including all assets and obligations
25 under the plans, shall be considered assigned and transferred from
26 the other authority to the authority created under section 3(3),
27 and the initial assessed value of the certified technology park

1 prior to the transfer shall remain the initial assessed value of
2 the certified technology park following the transfer. The transfer
3 shall be effective as of the later of the effective date of the
4 resolution of the authority established under section 3(3), the
5 resolution approved by the governing body of the municipality which
6 created the other authority, and the approval of the president of
7 the Michigan strategic fund.

8 Sec. 11b. (1) If the amount of tax increment revenues lost as
9 a result of the personal property tax exemptions provided by
10 section 1211(4) of the revised school code, 1976 PA 451, MCL
11 380.1211, section 3 of the state education tax act, 1993 PA 331,
12 MCL 211.903, section 14(4) of 1974 PA 198, MCL 207.564, and section
13 9k of the general property tax act, 1893 PA 206, MCL 211.9k, will
14 reduce the allowable school tax capture received in a fiscal year,
15 then, notwithstanding any other provision of this act, the
16 authority, with approval of the department of treasury under
17 subsection (3), may request the local tax collecting treasurer to
18 retain and pay to the authority taxes levied under the state
19 education tax act, 1993 PA 331, MCL 211.901 to 211.906, to be used
20 for the following:

21 (a) To repay an eligible advance.

22 (b) To repay an eligible obligation.

23 (c) To repay an other protected obligation.

24 (d) To pay an advance or an obligation identified in a
25 development plan, or an amendment to that plan for property located
26 in a certified technology park approved by board of the authority
27 not later than 90 days after ~~the effective date of the amendatory~~

1 ~~act that added this section~~ **JULY 19, 2010** if the plan contains all
 2 of the following and the plan for the capture of school taxes has
 3 been approved within 1 year after ~~the effective date of the~~
 4 ~~amendatory act that added this section~~: **JULY 19, 2010:**

5 (i) A detailed description of the project.

6 (ii) A statement of the estimated cost of the project.

7 (iii) The specific location of the project.

8 (iv) The name of any developer of the project.

9 **(E) TO PAY AN ADVANCE OR AN OBLIGATION IDENTIFIED IN A**
 10 **DEVELOPMENT PLAN, OR AN AMENDMENT TO THAT PLAN FOR PROPERTY LOCATED**
 11 **IN A CERTIFIED ALTERNATIVE ENERGY PARK APPROVED BY THE BOARD OF THE**
 12 **AUTHORITY IF THE PLAN CONTAINS ALL OF THE FOLLOWING AND THE PLAN**
 13 **FOR THE CAPTURE OF SCHOOL TAXES HAS BEEN APPROVED NOT LATER THAN**
 14 **DECEMBER 31, 2012:**

15 (i) **A DETAILED DESCRIPTION OF THE PROJECT.**

16 (ii) **A STATEMENT OF THE ESTIMATED COST OF THE PROJECT.**

17 (iii) **THE SPECIFIC LOCATION OF THE PROJECT.**

18 (iv) **THE NAME OF ANY DEVELOPER OF THE PROJECT.**

19 (2) Not later than June 15, 2008, not later than September 30,
 20 2009, and not later than June 1 of each subsequent year, an
 21 authority eligible under subsection (1) to have taxes levied under
 22 the state education tax act, 1993 PA 331, MCL 211.901 to 211.906,
 23 retained and paid to the authority under this section, shall apply
 24 for approval with the department of treasury. The application for
 25 approval shall include the following information:

26 (a) The property tax millage rates expected to be levied by
 27 local school districts within the jurisdictional area of the

1 authority for school operating purposes for that fiscal year.

2 (b) The tax increment revenues estimated to be received by the
3 authority for that fiscal year based upon actual property tax
4 levies of all taxing jurisdictions within the jurisdictional area
5 of the authority.

6 (c) The tax increment revenues the authority estimates it
7 would have received for that fiscal year if the personal property
8 tax exemptions described in subsection (1) were not in effect.

9 (d) A list of eligible obligations, eligible advances, other
10 protected obligations, and advances and obligations described in
11 subsection (1)(d) for expenditures authorized in a certified
12 technology park **OR DESCRIBED IN SUBSECTION (1)(E) FOR EXPENDITURES**
13 **AUTHORIZED IN A CERTIFIED ALTERNATIVE ENERGY PARK**; the payments due
14 on each of those in that fiscal year; and the total amount of
15 payments due on all of those in that fiscal year.

16 (e) The amount of money, other than tax increment revenues,
17 estimated to be received in that fiscal year by the authority that
18 is primarily pledged to, and to be used for, the payment of an
19 eligible obligation, the repayment of an eligible advance, the
20 payment of another protected obligation, ~~or~~ the payment of
21 obligations or advances described in subsection (1)(d) for
22 expenditures authorized in a certified technology park, **OR THE**
23 **PAYMENT OF OBLIGATIONS OR ADVANCES DESCRIBED IN SUBSECTION (1)(E)**
24 **FOR EXPENDITURES AUTHORIZED IN A CERTIFIED ALTERNATIVE ENERGY PARK.**
25 That amount shall not include excess tax increment revenues of the
26 authority that are permitted by law to be retained by the authority
27 for purposes that further the development program. However, that

1 amount shall include money to be obtained from sources authorized
2 by law, which law is enacted on or after December 1, 1993, for use
3 by the municipality or authority to finance a development plan.

4 (f) The amount of a distribution received pursuant to this act
5 for a fiscal year in excess of or less than the distribution that
6 would have been required if calculated upon actual tax increment
7 revenues received for that fiscal year.

8 (3) Not later than August 15, 2008; for 2009 only, not later
9 than 30 days after the effective date of the amendatory act that
10 amended this sentence; and not later than August 15 of each
11 subsequent year, based on the calculations under subsection (5),
12 the department of treasury shall approve, modify, or deny the
13 application for approval to have taxes levied under the state
14 education tax act, 1993 PA 331, MCL 211.901 to 211.906, retained
15 and paid to the authority under this section. If the application
16 for approval contains the information required under subsection
17 (2)(a) through (f) and appears to be in substantial compliance with
18 the provisions of this section, then the department of treasury
19 shall approve the application. If the application is denied by the
20 department of treasury, then the department of treasury shall
21 provide the opportunity for a representative of the authority to
22 discuss the denial within 21 days after the denial occurs and shall
23 sustain or modify its decision within 30 days after receiving
24 information from the authority. If the application for approval is
25 approved or modified by the department of treasury, the local tax
26 collecting treasurer shall retain and pay to the authority the
27 amount described in subsection (5) as approved by the department.

1 If the department of treasury denies the authority's application
2 for approval, the local tax collecting treasurer shall not retain
3 or pay to the authority the taxes levied under the state education
4 tax act, 1993 PA 331, MCL 211.901 to 211.906. An approval by the
5 department does not prohibit a subsequent audit of taxes retained
6 in accordance with the procedures currently authorized by law.

7 (4) Each year, the legislature shall appropriate and
8 distribute an amount sufficient to pay each authority the
9 following:

10 (a) If the amount to be retained and paid under subsection (3)
11 is less than the amount calculated under subsection (5), the
12 difference between those amounts.

13 (b) If the application for approval is denied by the
14 department of treasury, an amount verified by the department equal
15 to the amount calculated under subsection (5).

16 (5) Subject to subsection (6), the aggregate amount under this
17 section shall be the sum of the amounts determined under
18 subdivisions (a) and (b) minus the amount determined under
19 subdivision (c), as follows:

20 (a) The amount by which the tax increment revenues the
21 authority would have received and retained for the fiscal year,
22 excluding taxes exempt under section 7ff of the general property
23 tax act, 1893 PA 206, MCL 211.7ff, if the personal property tax
24 exemptions described in subsection (1) were not in effect, exceed
25 the tax increment revenues the authority actually received for the
26 fiscal year.

27 (b) A shortfall required to be reported under subsection

1 (2) (f) that had not previously increased a distribution.

2 (c) An excess amount required to be reported under subsection
3 (2) (f) that had not previously decreased a distribution.

4 (6) A distribution or taxes retained under this section
5 replacing tax increment revenues pledged by an authority or a
6 municipality are subject to any lien of the pledge described in
7 subsection (1), whether or not there has been physical delivery of
8 the distribution.

9 (7) Obligations for which distributions are made under this
10 section are not a debt or liability of this state; do not create or
11 constitute an indebtedness, liability, or obligation of this state;
12 and are not and do not constitute a pledge of the faith and credit
13 of this state.

14 (8) Not later than September 15 of each year, the authority
15 shall provide a copy of the application for approval approved by
16 the department of treasury to the local tax collecting treasurer
17 and provide the amount of the taxes retained and paid to the
18 authority under subsection (5).

19 (9) Calculations of amounts retained and paid and
20 appropriations to be distributed under this section shall be made
21 on the basis of each development area of the authority.

22 (10) The state tax commission may provide that the
23 reimbursement calculations under this section and the calculation
24 of allowable capture of school taxes shall be made for each
25 calendar year's tax increment revenues using a 12-month debt
26 payment period used by the authority and approved by the state tax
27 commission.

1 (11) It is the intent of the legislature that, to the extent
2 that the total amount of taxes levied under the state education tax
3 act, 1993 PA 331, MCL 211.901 to 211.906, that are allowed to be
4 retained under this section and section 15a of the brownfield
5 redevelopment financing act, 1996 PA 381, MCL 125.2665a, section
6 12b of the tax increment financing act, 1980 PA 450, MCL 125.1812b,
7 and section 13c of 1975 PA 197, MCL 125.1663c, exceeds the
8 difference of the total school aid fund revenue for the tax year
9 minus the estimated amount of revenue the school aid fund would
10 have received for the tax year had the tax exemptions described in
11 subsection (1) and the earmark created by section 515 of the

15 the captured tax increment revenues shall be first credited against
16 the shares of responsibility for the total costs of cleanup of
17 uncollectible parties who are responsible for the identified soil

1 financing act, 1996 PA 381, MCL 125.2651 to 125.2672, shall not be
2 greater than the percentage capture and use of taxes levied by a
3 municipality or county for operating purposes under the tax

7 brownfield redevelopment financing act, 1996 PA 381, MCL 125.2651
8 to 125.2672. For purposes of the previous sentence, taxes levied by
9 a county for operating purposes include only millage allocated for

12 (4) Except as otherwise provided by this subsection, approval
13 of the tax increment financing plan shall be in accordance with the
14 notice, hearing, disclosure, and approval provisions of sections 16
15 and 17. If the development plan is part of the tax increment
16 financing plan, only 1 hearing and approval procedure is required
17 for the 2 plans together. For a plan submitted by an authority
18 established by 2 or more municipalities under sections 3(2) and
19 4(7) or by an authority established by a next Michigan development
20 corporation under sections 3(3) and 4(8), the notice required by
21 section 16 may be published jointly by the municipalities in which
22 the authority district is located or by the next Michigan
23 development corporation. For a plan submitted by an authority
24 exercising its powers under sections 3(2) and 4(7), the plan shall
25 not be considered approved unless each governing body in which the
26 authority district is located makes the determinations required by
27 section 17 and approves the same plan, including the same

1 modifications, if any, made to the plan by any other governing
2 body. A plan submitted by an authority exercising its powers under
3 sections 3(3) and 4(8) shall be approved if the governing body of
4 the next Michigan development corporation makes the determinations
5 required by section 17.

6 (5) Before the public hearing on the tax increment financing
7 plan, the governing body shall provide a reasonable opportunity to
8 the taxing jurisdictions levying taxes subject to capture to
9 express their views and recommendations regarding the tax increment
10 financing plan. The authority shall fully inform the taxing
11 jurisdictions about the fiscal and economic implications of the
12 proposed tax increment financing plan. The taxing jurisdictions may
13 present their recommendations at the public hearing on the tax
14 increment financing plan. The authority may enter into agreements
15 with the taxing jurisdictions and the governing body of the
16 municipality in which the authority district is located to share a
17 portion of the captured assessed value of the district or to
18 distribute tax increment revenues among taxing jurisdictions. Upon
19 adoption of the plan, the collection and transmission of the amount
20 of tax increment revenues, as specified in this act, shall be
21 binding on all taxing units levying ad valorem property taxes or
22 specific local taxes against property located in the authority
23 district.

24 (6) Property qualified as a public facility under section
25 ~~2(ee)(ii)~~ **2(FF)(ii)** that is acquired by an authority may be sold,

1 established by the authority with the concurrence of the Michigan
2 economic development corporation and the municipality in which the
3 eligible property is located based on a fair market value appraisal
4 from a fee appraiser only if the property is sold for fair market
5 value. Unless the property acquired by an authority was located
6 within a certified business park, a certified technology park, **A**
7 **CERTIFIED ALTERNATIVE ENERGY PARK**, or a next Michigan development
8 area at the time of disposition, an authority shall remit all
9 monetary proceeds received from the sale or disposition of property
10 that qualified as a public facility under section ~~2(ee)(ii)~~ **2 (FF) (ii)**
11 and was purchased with tax increment revenues to the taxing
12 jurisdictions. Proceeds distributed to taxing jurisdictions shall
13 be remitted in proportion to the amount of tax increment revenues
14 attributable to each taxing jurisdiction in the year the property
15 was acquired. If the property was acquired in part with funds other
16 than tax increment revenues, only that portion of the monetary
17 proceeds received upon disposition that represent the proportion of
18 the cost of acquisition paid with tax increment revenues is
19 required to be remitted to taxing jurisdictions. If the property is
20 located within a certified business park, a certified technology
21 park, **OR A CERTIFIED ALTERNATIVE ENERGY PARK**, or a next Michigan
22 development area at the time of disposition, the monetary proceeds
23 received from the sale or disposition of that property may be
24 retained by the authority for any purpose necessary to further the
25 development program for the certified business park, certified
26 technology park, **CERTIFIED ALTERNATIVE ENERGY PARK**, or next
27 Michigan development area in accordance with the tax increment

1 financing plan.

2 (7) The tax increment financing plan may provide for the use
3 of tax increment revenues from a certified technology park for
4 public facilities for any eligible property located in the
5 certified technology park. **THE TAX INCREMENT FINANCING PLAN MAY**

11 increment revenues are derived, provided that the tax increment
12 revenues shall be used for public facilities within a next Michigan
13 development area within the municipality whose levy has contributed
14 to the tax increment revenues except as otherwise provided in the
15 interlocal agreement creating the next Michigan development
16 corporation that established the authority.

17 (8) If title to property qualified as a public facility under
18 section ~~2(cc)(ii)~~ **2 (FF) (ii)** and acquired by an authority with tax
19 increment revenues is sold, conveyed, or otherwise disposed of
20 pursuant to subsection (6) for less than fair market value, the
21 authority shall enter into an agreement relating to the use of the
22 property with the person to whom the property is sold, conveyed, or
23 disposed of, which agreement shall include a penalty provision
24 addressing repayment to the authority if any interest in the
25 property is sold, conveyed, or otherwise disposed of by the person
26 within 12 years after the person received title to the property
27 from the authority. This subsection shall not require enforcement

1 of a penalty provision for a conveyance incident to a merger,
2 acquisition, reorganization, sale-lease back transaction, employee
3 stock ownership plan, or other change in corporate or business form
4 or structure.

5 (9) The penalty provision described in subsection (8) shall
6 not be less than an amount equal to the difference between the fair

10 otherwise disposed of.
