Pastor Jim Payne, Pastor of Midland Baptist Church in Midland, offered the following invocation:

“Our Heavenly Father this is the day that You have made and we will rejoice and be glad in it. We thank You that Thou art God, the Father of our Lord Jesus Christ and besides Thee there is none else. Father, we come into Your gates with thanksgiving and in Your courts with praise. Father we thank You today for the attitude of gratitude for America, our great nation.

We thank You for Michigan, our wonderful state, and Father, we call upon You, today, to bless our state, to bless our country, we ask You to bless our federal government and all of its representatives, we ask You to bless our governor, these 110 legislators and our state government. For Father, we know when we call upon You, You call upon us to pray, to humble ourselves, to seek Your face and to turn from our wicked ways. Father, I pray that You would enable us and help us to do Thy will, that we may know Your blessing. Father, without You we can do nothing, but with Christ who strengthens us, we can do all things.

Father, we thank You for civil government. We thank You for the power that You have invested for those who serve. We thank You for these representatives in this House. Father, we pray and we know, Lord, that with power comes great responsibility, sacrifice and accountability. Our Lord and Savior said who much is given, much is required. Father, I do pray for these men and women that You would grant to them conviction, courage and compassion, as they lead and as they legislate our state and as they represent, we the people. Father, I pray that You would help us all to know one day we will all stand in a chamber, much greater than this, and we will give an account of decisions that we make, votes that we cast, and whatever venue of life we find ourselves in, and the words that we speak.

Father, I do pray for these precious dignitaries, that You would help them as they administrate under the scrutinizing eye of the public and under often times the negative criticism that comes with that. I pray that You would give them peace under that pressure and give them strength under that stress. Father, give them wisdom under the weight of the decisions and the burdens they make and must carry. And I thank You, Father, for their answering the call of public service and for their commitment, concern to making our state a continuing great state and prosperous state. And please, Father, bless them and their families. Father, we just say to You today, we need You. We think of the spiritual heritage we have, with men like George Washington, the father of our country, who said it is impossible to rightly govern, without God in the Bible. So, Father, we need Your word to answer our questions, we need Your love to help us to reconcile our difference, we need Your knowledge to help us to embrace our purpose. Father, we thank You most of all, that You have answered the greatest need that we have and that is salvation. Through Your only begotten Son and our Lord, and Savior Jesus Christ; we thank You that He came obediently into the world and unto death, and even the death of the cross for us and we thank You that He is alive today. What I do pray that all of the sound of my voice may know Him as their personal Savior and honor Him supremely. And, we do ask this prayer, today, in His name and for His sake and until He comes again do we pray, Amen.”

Rep. Singh moved that Rep. Kivela be excused from today’s session.  
The motion prevailed.

### Motions and Resolutions

Reps. Callton, Sarah Roberts and Singh offered the following resolution:

**House Resolution No. 22.**

A resolution to declare February 2015 Self-Care Month in the state of Michigan.

Whereas, Self-care is a lifelong daily habit of healthy lifestyle choices, good hygiene practices, prevention of infection and illness, avoiding unhealthy choices, monitoring for signs and symptoms of changes in health, knowing when to consult a healthcare practitioner, and knowing when it is appropriate to self-treat conditions; and

Whereas, The United States Food and Drug Administration deems OTC medicines safe and effective for the self-care treatment of minor acute and chronic health conditions and symptoms such as pain, the common cold, allergies, and other conditions that impact large segments of the population; and

Whereas, Over-the-counter medicines are either developed as new nonprescription medicines or switched from existing prescription medicines; and

Whereas, Over-the-counter nonprescription medicines are self-care products that consumers purchase in pharmacies, supermarkets, retail stores, and online; and

Whereas, Every dollar spent on over-the-counter medicines saves the United States healthcare system \$6-7 dollars each year totaling \$102 billion in annual savings; and

Whereas, Nonprescription medicines help to ease the burden on healthcare practitioners, eliminating unnecessary medical examinations that could be avoided with appropriate self-care; and

Whereas, Michigan benefits when its citizens practice appropriate self-care, do not unnecessarily visit healthcare practitioners, and are empowered by higher self-esteem, improved health, and reduced use of health care services; and

Whereas, Michigan encourages its citizens to take advantage of self-care's potential to improve personal and public health, save personal and public treasury, and strengthen the sustainability of the Michigan health care system; and

Whereas, Achieving self-care's potential is a shared opportunity for consumers, healthcare practitioners, policymakers, and regulators; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare February 2015 as Self-Care Month in the state of Michigan; and be it further

Resolved, That we recognize the importance of improving awareness of self-care and the value it represents to the citizens of Michigan, support increased consumer empowerment through the development of new nonprescription medicines and the appropriate switch of certain prescription medicines to nonprescription, acknowledge that over-the-counter medicines can greatly improve and reduce costs to the public health system, and encourage consumers, healthcare practitioners, policymakers, and regulators to communicate the benefits of self-care.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Forlini, Wittenberg, Chirkun, Faris, Lucido, Maturen, Liberati, Heise, Howrylak, Sarah Roberts and Singh offered the following resolution:

**House Resolution No. 23.**

A resolution to declare February 28, 2015, as Rare Disease Day in the state of Michigan.

Whereas, Rare diseases are classified as those that affect fewer than 200,000 individuals; and

Whereas, February 28th has been recognized as Rare Disease Day by millions of people throughout the United States of America and the world; and

Whereas, According to the National Institutes of Health, almost 30 million Americans suffer from almost 7,000 rare diseases; and

Whereas, The National Organization for Rare Disorders (NORD), a unique federation of voluntary health organizations dedicated to helping people with rare "orphan" diseases and assisting the organizations that serve them, offers programs of education, advocacy, research, and other services; and

Whereas, Thousands of Michigan residents are affected by rare diseases as patients, friends and family, caregivers, physicians and other medical professionals, providers of social services, and researchers seeking to develop safe and effective treatments; and

Whereas, Since most rare diseases are genetic, over 50% of the people affected by rare diseases in the United States are children; and

Whereas, People with a rare disease experience challenges due to the nature of their disease including difficulty in obtaining a timely and accurate diagnosis; difficulty in finding physicians or treatment centers with the needed expertise, and treatments that are generally more expensive than those for common diseases,

Whereas, Research on rare diseases is important because it often adds significantly to the general understanding of more common diseases; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare February 28, 2015, as Rare Disease Day in the state of Michigan; and be it further

Resolved, That the members of this legislative body urge all Michiganders to use this day as an opportunity to educate themselves about the challenges of rare diseases; and be it further

Resolved, That a copy of this resolution be transmitted to the National Organization for Rare Disorders.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Maturen, Bizon, Heise and Hooker offered the following resolution:

**House Resolution No. 24.**

A resolution to urge the U.S. Department of Defense Missile Defense Agency to select the Fort Custer Training Center as the location for a new ground based interceptor ballistic missile defense mission.

Whereas, The Fort Custer Training Center is one of four sites being considered for a new ground based interceptor ballistic missile defense mission. The training center is a 7,500 acre training base for the U.S. Army Reserves and other branches of the military. The training center and the nearby Air National Guard Base are integral to the economy of Southwest Michigan providing more than \$22 million in total wages and salaries and \$26 million in gross regional product. The community surrounding the Fort Custer Training Center embraces the soldiers and their families, supporting their missions and realizing how important their duties are to our nation; and

Whereas, The selection of the training center as the location for a new ground based interceptor ballistic missile defense mission would have significant economic impact on the region. An estimated \$700 million in new construction and 2,100 new direct and associated jobs could be realized in the Calhoun and Kalamazoo counties if the defense system were built here. An analysis prepared by the W.E. Upjohn Institute for Employment Research advises the project would have a \$3.2 billion economic impact on the region's economy; and

Whereas, The ground based interceptor ballistic missile defense system is the key defense tool protecting our state and nation from ballistic missile attacks. The placement of the ballistic missile defense system in Battle Creek will take full advantage of Fort Custer's tactical location and security. Michigan is prepared to support the construction and operation of the new missile defense system, as well as the military personnel who will maintain it; now, therefore, be it

Resolved by the House of Representatives, That we urge the U.S. Department of Defense, Missile Defense Agency to select the Fort Custer Training Center as the location for a new ground based interceptor ballistic missile defense mission; and be it further

Resolved, That copies of this resolution be transmitted to the United States Missile Defense Agency, the United States Secretary of Defense, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Military and Veterans Affairs.

Reps. Maturen, Bizon, Heise and Hooker offered the following concurrent resolution:

**House Concurrent Resolution No. 3.**

A concurrent resolution to urge the U.S. Department of Defense Missile Defense Agency to select the Fort Custer Training Center as the location for a new ground based interceptor ballistic missile defense mission.

Whereas, The Fort Custer Training Center is one of four sites being considered for a new ground based interceptor ballistic missile defense mission.
