Pastor Diane Bareis Greble, Pastor of St. John's Lutheran Church in Fowlerville, offered the following invocation:

“Holy God, Merciful and Mighty:

We come together and acknowledge Your presence and authority over us today and every day. We ask Your blessing and grace for the citizens of our state, that all may know peace and prosperity.

We pray for our governor and his staff; for the courts; for the senate; for our counties, cities and towns. But especially today I hold before You this House of Representatives. Bless each member with wisdom, vision and courage. Help each one to represent honestly the wills and needs of their constituents. Let the work that is to be done here today represent the very best of each member's gifts, intellect and spirit and make a way for legislation to be accomplished, that it will make way the things that need to occur.

I pray today for the family members of each Representative here today. Bring consolation for the sacrifices that have been made due to the responsibilities of this office. Let the bonds of love, trust and faithfulness be strengthened in their homes, that husbands and wives, parents and children may all be healthy in body and spirit.

We give You thanks, Gracious God, for all You have done, for all You are doing, and for all that is yet to be, placing our lives in Your hands. Amen.”

The Speaker assumed the Chair.

Rep. Nesbitt moved that Rep. Muxlow be excused from today's session.
The motion prevailed.

Motions and Resolutions

The Speaker, on behalf of the entire membership of the House of Representatives, offered the following resolution:

House Resolution No. 165.

A resolution of tribute offered as a memorial for Vera Rison, former member of the House of Representatives.

Whereas, It is with sorrow that the members of this legislative body join with others who knew and highly regarded the life of Vera Rison in mourning her passing. Although this passionate servant in the community is now gone from our midst, she will be long remembered; and

Whereas, A long-time stalwart of the Flint community, Vera Rison garnered a reputation for compassionate care for others in need. That passion to serve resulted in a distinguished career in public service that includes contributions at the local and state levels of government. As a member of the Genesee County Board of Commissioners, she chaired the Human Services Committee and was involved in a variety of boards and community organizations. In recognition of her dedication, the Vera B. Rison Women's Shelter of Hope was designated in her honor; and

Whereas, In 1996, Vera Rison was elected to the Michigan House of Representatives where she became a staunch advocate for disadvantaged and marginalized constituents in her district and throughout the state. From serving on the Criminal Justice and Family and Children Services committees to her involvement as minority whip, she served this branch of the Legislature with distinction; now, therefore, be it

Resolved by the House of Representatives, That we offer our highest tribute in honor of the memory of Vera Rison, a member of the Michigan House of Representatives from 1997 to 2002; and be it further

Resolved, That copies of this resolution be transmitted to the Rison family as evidence of our high esteem for her life and legacy.

The question being on the adoption of the resolution,

The resolution was adopted by unanimous standing vote.

The Speaker called Associate Speaker Pro Tempore Franz to the Chair.

Reps. Iden, Crawford, Faris, Heise, Hovey-Wright, Maturen, Pagan, Potvin, Schor and Singh offered the following resolution:

House Resolution No. 166.

A resolution to declare October 2015 as Anti-Bullying Awareness Month in the state of Michigan.

Whereas, October is recognized across the United States of America as Anti-Bullying Awareness Month in an effort to raise public awareness about the importance of combatting this devastating societal problem; and

Whereas, Bullying continues to cause severe problems for countless children in and out of schools and online. All citizens in Michigan should be concerned about ways to reduce this very prevalent situation; and

Whereas, Bullying brings fear and hopelessness into the lives of innocent children in every corner of this state on a daily basis; and

Whereas, Victims of bullying are more likely to struggle in their classes, decrease their participation at school, and drop out before graduation. Adults that were bullied as children are more prone to depression and anxiety; and

Whereas, While most adults won't tolerate similar bullying tactics at their places of work, victimized children are commonly expected to confront their abusers on their own and often feel that they have no way to defend themselves; and

Whereas, Online cyber-bullying is currently on the rise and in some ways even more insidious than physical face-to-face bullying; and

Whereas, Constant name calling, threats, physical abuse, and gossip can leave a child psychologically injured and hopeless; and

Whereas, A bully harasses and degrades a victim and victimized children need the support of parents and school administrators to thrive; and

Whereas, Inaction by adults further increases the risk and prevalence of bullying activities and such inaction can result in continued mental and physical misery for children subjected to bullying on a regular basis; and

Whereas, There is evidence that young bullying victims are more likely to consider suicide than their peers; and

Whereas, Public Act 241 of 2011, also known as "Matt Epling Safe School Law", requires every school district in Michigan to adopt a local policy prohibiting harassment and bullying at school; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare October 2015 as Anti-Bullying Awareness Month in the state of Michigan; and be it further

Resolved, That Michigan schools, students, parents, recreation programs, religious institutions, and community organizations be encouraged to engage in a variety of awareness and prevention activities designed to make our communities safer for all children and adolescents not only in October, but throughout the year; and be it further

Resolved, That the members of this legislative body encourage all Michigan citizens to work to protect our children from this ever-growing epidemic.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Pagel, LaFontaine, Graves, Bumstead, Kelly, Victory, Hovey-Wright, Bizon, Crawford, Faris, Heise, Hooker, Howrylak, Maturen, Pagan, Potvin, Schor and Singh offered the following resolution:

House Resolution No. 167.

A resolution to declare October 2015 as Apple Month in the state of Michigan.

Whereas, Apples are one of the largest and most valuable fruit crops in Michigan; and

Whereas, The apple industry's annual economic impact is estimated at \$700 – 900 million; and

Whereas, Michigan is the third-largest apple producing state in the nation; and

Whereas, There are more than 9.2 million apple trees in commercial production, covering 36,500 acres on 850 family-run farms in Michigan; and

Whereas, Michigan apple growers produce more than 18 varieties of apples, available in grocery stores, supermarkets, farm markets, cider mills and U-picks; and

Whereas, Eating Michigan apples regularly can contribute to good health; and

Whereas, Michigan apple growers are expected to harvest 30 million bushels of apples in 2015; and

Resolved by the House of Representatives, That the members of this legislative body declare October 2015 as Apple Month in the state of Michigan.

The question being on the adoption of the resolution,

Rep. Pagel moved to substitute (H-1) the resolution as follows:

Substitute for House Resolution No. 167.

A resolution to declare October 2015 as Apple Month in the state of Michigan.

Whereas, Apples are one of the largest and most valuable fruit crops in Michigan; and

Whereas, The apple industry's annual economic impact is estimated at \$700 – 900 million; and

Whereas, Michigan is the third-largest apple producing state in the nation; and

Whereas, There are more than 9.2 million apple trees in commercial production, covering 36,500 acres on 850 family-run farms in Michigan; and
