Pastor Dan Lewis of Troy Christian Chapel of Troy offered the following invocation:

In the name of God, our gracious Father, there is no God like You in heaven or on earth. You are a God of not merely power, but of faithfulness; not only of justice, but of compassion.

God, we know very well that the course of human events and public leadership is marked by both fulfillment and failure. May we learn from both. In those moments of triumph, may we clearly see that humility, not pride, is the best response. For who has anything that he has not received, and where is the success that is not the result of the strivings of many? In our times of shortfall, may we realize that we are called to depend upon Your divine mercy which is abundant and free. Who among us has not felt the need for grace in the face of human limitation?

So on this day, June 9, we sincerely ask for Your guidance in the affairs of this state. May those who lead us lead well; may those who make decisions act in wisdom; and may those for whom these deliberations will become reality unite in their support for the good of all. May every eye be raised toward You whose eyes are upon us all.

With reverent hearts and submitted minds, we ask for Your blessing, for from You, through You, and to You are all things. In the name of Christ Jesus our Lord, Amen.

The President, Lieutenant Governor Calley, led the members of the Senate in recital of the *Pledge of Allegiance*.

**Senate Resolution No. 68**

The motion prevailed, a majority of the members serving voting therefor.

**Senate Resolution No. 68.**

A resolution to proclaim October 4-10, 2015, as Lions Week.

Whereas, There are over 12,000 Lions members, both men and women, in more than 500 clubs throughout Michigan. Around the world, their 46,000 clubs and 1.35 million members make them the world's largest service club organization; and

Whereas, In 1925, Helen Keller addressed the Lions Clubs International Convention in Cedar Point, Ohio, and challenged Lions to become "knights of the blind in the crusade against darkness." Since then, they have worked tirelessly to aid the blind and visually impaired and have earned high marks for both integrity and transparency throughout their 95-year history; and

Whereas, Lions meet the needs of local communities and the world. The 1.35 million members of their volunteer organization in 207 countries and geographic areas are different in many ways, but share a core belief—community is what we make it; and

Whereas, In Michigan, Lions Clubs perform a huge variety of services to their communities, such as providing eyeglasses and hearing aids to those who cannot afford them; hosting holiday parties for underprivileged kids; underwriting food giveaways; assisting in sending kids to camp; maintaining parks; visiting seniors; supporting organ donation drives; vision testing for young children; and many more; and

Whereas, All Michigan Lions Clubs come together to support four state projects: Leader Dogs for the Blind, Michigan Eye Bank, Bear Lake Camp, and Lions of Michigan Foundation, which help fund endeavors such as disaster relief in the United States and abroad; now, therefore, be it

Resolved by the Senate, That we hereby proclaim October 4-10, 2015, as Lions Week in the state of Michigan. May Lions Clubs throughout Michigan reaffirm their member-service mission: "To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs"; and be it further

Resolved, That copies of this resolution be transmitted to the Lions of Michigan Council of Governors and the Lions of Michigan State Office as a reflection of our esteem.

The question being on the adoption of the resolution,

The resolution was adopted.

Senators Bieda, Booher, Hansen, Hopgood, Kowall, MacGregor, Marleau, Proos, Schuitmaker and Zorn were named co-sponsors of the resolution.

**Senate Resolution No. 66.**

A resolution to support congressional H.Res. 233, expressing the sense of the United States House of Representatives that Iran should immediately release the three United States citizens that it holds, as well as provide all known information on any United States citizens that have disappeared within its borders.

The question being on the adoption of the resolution,

The resolution was adopted.

Senator Ananich asked and was granted unanimous consent to make a statement and moved that the statement be printed in the Journal.

The motion prevailed.

Senator Ananich's statement is as follows:

Amir Hekmati has been unjustly imprisoned for 1,380 days. He is the longest-held American political prisoner in Iran. I commend the efforts of my congressman Dan Kildee to raise awareness of Amir's continued captivity and his work with members of Congress—Democrats and Republicans—to bring Amir home.

Our Senate resolution today is bipartisan and hopefully will have the support of both Republicans and Democrats. I want to thank my colleagues Senators Horn and Knezek. Senator Horn is the Senator for the Hekmati family, and I appreciate his efforts to work with me on this.

The resolution is in support of House Resolution No. 233, Congressman Kildee's resolution at the federal level. It says that in no uncertain terms, Iran must release Amir Hekmati. He is innocent and has done no wrong. He is being held because of his service to our country as a U.S. Marine—once a Marine, always a Marine. It is important that we continue to draw attention to Amir's case so that Iran knows that the world is watching their actions.

Every Michigan resident and every American can join our efforts and can take to social media using the hashtag #freeamirnow. I encourage my colleagues to go out front to the board with a bumper sticker and get the information for social media to make sure we send the strong message that it is unacceptable to keep an American for 1,380 days and counting.

Thank you for taking up this resolution. I thank the Majority Leader for taking such swift action. I also thank my colleagues for their support.
