House Bill 4112 (Substitute H-1 as reported without amendment)

Sponsor: Representative Al Pscholka

House Committee: Appropriations

Senate Committee: Appropriations

**CONTENT**

The bill would provide supplemental appropriations for fiscal year (FY) 2014-15 as part of the Governor's proposal to balance the FY 2014-15 budget. The bill includes negative Gross appropriations of \$120.2 million and negative General Fund/General Purpose (GF/GP) appropriations of \$169.4 million. The bill reflects caseload and cost adjustments of a negative \$90.8 million GF/GP in the Departments of Community Health and Human Services, \$93.1 million of GF/GP reductions in various departments, and \$14.5 million of GF/GP increases for the Departments of Military and Veterans Affairs (\$3.3 million), State (\$0.2 million), and Treasury (\$11.0 million). The bill also includes a \$20.0 million State restricted revenue appropriation for community mental health non-Medicaid services, as well as other Federal and State restricted appropriations recommended by the State Budget Office (SBO) in request 2015-3. Table 1 summarizes the appropriations in the bill.

**FISCAL IMPACT**

The bill would decrease FY 2014-15 Gross State appropriations by \$120.2 million and decrease GF/GP appropriations by \$169.4 million. This \$169.4 million GF/GP funding reduction is part of the actions proposed to balance the FY 2014-15 GF/GP budget which, under current law, faces a projected year-end balance of a negative \$532.4 million. Executive Order 2015-5, which reduced GF/GP appropriations by \$106.4 million, was approved by both the House and Senate Appropriations Committees on February 12, 2015. That action, along with the \$169.4 million of reductions contained in this bill, the \$250.3 million of GF/GP reductions and fund

shifts included in House Bill 4110, and \$6.6 million of prior year work project lapses that are recommended by the State Budget Director, would result in total GF/GP reductions of \$532.7 million and a projected FY 2014-15 year-end balance of \$0.3 million. Table 2 outlines the Governor's proposal to balance the FY 2014-15 GF/GP budget.
