1 an individual, appointed by the legislative council to execute  
2 state-level data collection processes and criminal justice data  
3 collection processes and to manage the collection of data from  
4 counties participating in the criminal justice data collection  
5 program and from state agencies and departments, including, but not  
6 limited to, the state court administrative office, the department  
7 of technology, management, and budget, and the department of  
8 corrections.

9 (i) "State project team" means a group of individuals, or an  
10 individual, appointed by the legislative council to develop and  
11 assist in the implementation of processes and technology  
12 improvements that facilitate the collection of criminal justice  
13 data from the counties participating in the criminal justice data  
14 collection and management program and from state agencies and  
15 departments, including, but not limited to, the state court  
16 administrative office, the department of technology, management,  
17 and budget, and the department of corrections.

18 Sec. 3. (1) A criminal justice data collection and management  
19 program is created within the legislative council. The program  
20 shall be implemented in not fewer than 1 county, selected by the  
21 legislative council in consultation with the county's governing  
22 body, that shall work in coordination with state agencies and  
23 departments, including, but not limited to, the state court  
24 administrative office, the department of technology, management,  
25 and budget, and the department of corrections.

26 (2) Not more than 60 days after the effective date of this  
27 act, the legislative council shall appoint a state operations team

1 that shall oversee the work activities of the state project team  
2 and the county operations teams.

3 (3) The counties participating in the criminal justice data  
4 collection and management program shall be provided, by  
5 appropriation, any necessary grant funding to implement  
6 technological changes to county data collection systems based upon  
7 the recommendation of the state operations team.

8 (4) The counties participating in the criminal justice data  
9 collection and management program shall be provided, by  
10 appropriation, any necessary grant funding to implement additional  
11 data collection and new data collection practices based upon the  
12 recommendation of the state operations team.

13 (5) The legislative council shall distribute and manage grants  
14 appropriated for counties participating in the criminal justice  
15 data collection and management program under subsections (3) and  
16 (4).

17 (6) The counties participating in the criminal justice data  
18 collection and management program shall, through their county  
19 operations teams, collect and provide the following data to the  
20 state operations team on a daily basis:

21 (a) Offender data, including crimes committed by an offender,  
22 facilities in which an offender was placed, and programs in which  
23 an offender participated.

24 (b) Case data, including crimes of conviction, sentences  
25 imposed, location where crimes occurred and court where the  
26 criminal matter was disposed, and the sentencing judge.

27 (c) Program data, including program duration and cost,

1 rearrest recidivism rate for offenders after program completion,  
2 reconviction recidivism rate for offenders after program  
3 completion, reincarceration recidivism rate for offenders after  
4 program completion, and offender dropout rate.

5 (d) Crime data, including data regarding sentences within or  
6 outside of the sentencing guideline ranges, number of felony  
7 convictions, and number of misdemeanor convictions.

8 (7) The state court administrative office and department of  
9 corrections shall collect and provide the following data to the  
10 state operations teams on a daily basis:

11 (a) Rearrest recidivism by offense type.

12 (b) Reconviction recidivism by offense type.

13 (c) Reincarceration recidivism by offense type.

14 (d) Rearrest recidivism by risk assessment level as determined  
15 by the parole board prior to the grant of parole.

16 (e) Reconviction recidivism by risk assessment level as  
17 determined by the parole board prior to the grant of parole.

18 (f) Reincarceration recidivism by risk assessment level as  
19 determined by the parole board prior to the grant of parole.

20 (8) The state operations team shall collect the data under  
21 subsections (6) and (7) and provide that data to the department of  
22 technology, management, and budget on a daily basis.

23 (9) The department of technology, management, and budget shall  
24 house and maintain the data collected under subsections (6), (7),  
25 and (8).

26 (10) The department of technology, management, and budget  
27 shall only allow access to the data collected under this act by

1 members of the department of technology, management, and budget and  
2 the legislative council.

3 Enacting section 1. This act takes effect 90 days after the  
4 date it is enacted into law.
