Pastor Dennis Jokela, Chaplain of the Kalamazoo County Sheriff's Department in Portage, offered the following invocation:

“Father God we are grateful to be able to come into Your presence in a free country such as ours.  
I ask that You bless this great nation and state.  
I ask You to pour out Your wisdom and revelation knowledge into everyone hearing the sound of my voice.  
I ask that You let Your Glory shine like a light emanating from this place filling our state.  
I speak life into those dead and dying places in our state Lord.  
For those places that are in need of Your restoration power I ask that You pour it out on them.  
I ask that You bless these proceedings today and bless the work of our hands.  
I ask all of this in Jesus' Mighty Name.  
Amen.”

### Motions and Resolutions

Reps. Vaupel, Noble, Hughes, Graves, Allor, Brinks, Chang, Chirkun, Cochran, Crawford, Elder, Ellison, Faris, Green, Greig, Jones, Kelly, Kesto, Maturen, Moss, Sabo, Schor, Sneller, Sowerby, Whiteford, Yanez and Zemke offered the following resolution:

#### **House Resolution No. 109.**

A resolution to commemorate the 73rd anniversary of D-Day and all of the Allied forces who fought along the beaches of Normandy so that Europe might be free from the bonds of tyranny and oppression.

Whereas, On June 6, 1944, approximately 150,000 Allied troops landed along a heavily-fortified stretch of French coastline, seeking to breach Fortress Europe and strike a crucial blow against the fascism of Nazi Germany; and

Whereas, More than 5,000 ships and 11,000 aircraft supported the invasion, making D-Day the largest air, land, and sea operation ever undertaken; and

Whereas, These soldiers, many of whom were not yet even 20 years old, faced a daunting and perilous task, as they fought through the ocean surf, braving artillery shells and machine gun fire with little to no natural cover to protect against enemy guns; and

Whereas, Allied forces suffered more than 10,000 casualties that day with more than 4,000 Allied soldiers making the ultimate sacrifice, laying down their lives on the beachheads of France in the name of liberty; and

Whereas, Many sons of America were laid to rest in the graveyards of Europe, young lives cut short before their time, brave and valiant men sacrificing the promise of their lifetime to lay footprints on the sands of Normandy, thousands of miles from their homes; and

Whereas, Those brave men who waged battle on the Normandy coast represent the best of mankind, embodying a love of country, a dedication to humanity, and, above all else, a profound and steadfast devotion to the causes of liberty and freedom; and

Whereas, All those American soldiers who lost their lives and shed their blood on that fateful day are testaments to America's enduring promise to forever stand tall against tyrannical governments, to always protect and defend democracy, and to never forget that our nation and all great nations were built upon the principles of freedom; and

Whereas, We must ever and always remember and honor the men who fought and died on that day, both those who returned home as heroes, husbands, and fathers, and also those whom history called to their final breath on Norman sands; and

Whereas, Michiganders, realizing full well that words ring hollow in honoring the bravery, valiance, and courage of these men, seek to honor their memories; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body commemorate the 73rd anniversary of D-Day and all of the Allied forces who fought along the beaches of Normandy so that Europe might be free from the bonds of tyranny and oppression. We encourage all Michiganders to observe the anniversary of D-Day and to forever honor those souls whose eulogy will always be a free and democratic Europe.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Yanez, Brinks, Chirkun, Cochran, Elder, Ellison, Faris, Green, Greig, Jones, Kelly, Maturen, Pagan, Rabhi, Sabo, Sneller, Sowerby, Wittenberg and Zemke offered the following resolution:

#### **House Resolution No. 110.**

A resolution to declare May 2017 as Neurofibromatosis Awareness Month in the state of Michigan.

Whereas, The Children's Tumor Foundation is observing May as Neurofibromatosis Awareness Month to educate the public about this rare genetic disorder; and

Whereas, Although over 125,000 Americans are living with neurofibromatosis (NF) and 1 in every 3,000 births is diagnosed with NF, it is still relatively unknown to the public; and

Whereas, NF affects all populations equally, regardless of race, ethnicity, or gender; and

Whereas, NF causes tumors to grow on nerves throughout the body and also can affect development of the brain, cardiovascular system, bones, and skin; and

Whereas, The disorder can lead to blindness, deafness, bone abnormalities, disfigurement, learning disabilities, disabling pain, and cancer; and

Whereas, The Children's Tumor Foundation leads efforts to promote and financially sponsor world-class medical research aimed at finding effective treatments and, ultimately, a cure for NF; and

Whereas, The Children's Tumor Foundation is actively fostering collaborative partnerships in both science and industry to speed the drug research and development process through a number of consortia; and

Whereas, The Children's Tumor Foundation works to improve access to quality patient healthcare through its national NF Clinic Network; and

Whereas, The Children's Tumor Foundation provides patient and family support through its information resources, youth programs, and local chapter activities; and

Whereas, Much remains to be done in raising public awareness of NF to help promote early diagnosis, proper management and treatment, prevention of complications, and support for research; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2017 as Neurofibromatosis Awareness Month in the state of Michigan. It is with great honor and appreciation that we take this time to join other states and nations in spreading awareness of neurofibromatosis and how many Americans it affects. On this month, we will recognize Neurofibromatosis Awareness Month in our state, our country, and our world.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Hammoud, Brinks, Camilleri, Chang, Chirkun, Cochran, Elder, Ellison, Faris, Green, Greig, Jones, Kelly, Maturen, Moss, Pagan, Rabhi, Sabo, Schor, Sneller, Sowerby, Wittenberg, Yanez and Zemke offered the following resolution:

**House Resolution No. 111.**

A resolution to extend best wishes to Muslims in Michigan, the United States, and worldwide, for a joyous and meaningful observance of Ramadan, a holy month of prayer, fasting, charity, and reflection.

Whereas, This occasion is observed in commitment to the Islamic principles and in remembrance of the month in which the holy Quran was revealed to Prophet Muhammad (pbuh); and

Whereas, This month of sacrifice and contemplation begins on or about the evening of Friday, May 26, 2017, based on the visual sightings of the crescent moon. Ramadan continues until on or about the evening of Sunday, June 25, 2017, with Eid al-Fitr, the celebration of the completion of the month; and

Whereas, Muslims in Michigan, our nation, and around the world will observe Ramadan by fasting, emphasizing self-discipline, worship, charity, and reading the Holy Quran to improve patience, humility, and spirituality; and

Whereas, Muslims in Michigan will put their faith into action by organizing the Ramadan Fight Against Hunger to collect and distribute over 60 tons of food to the state's hungry and disadvantaged; and

Whereas, During Ramadan, Muslims spend this period in reflection and prayer while strengthening the bonds of family, friendship, and community. May is considered the most sacred month of the Islamic calendar; and

Whereas, The Muslim population has been growing in the United States and today's Muslim American population is a tapestry of ethnic, racial, linguistic, social, and economic groups; and

Whereas, One of the largest populations of Muslims in the United States resides in southeast Michigan and makes meaningful contributions to our state; now, therefore, be it

Resolved by House of Representatives, That the members of this legislative body extend best wishes to Muslims in Michigan, the United States, and worldwide, for a joyous and meaningful observance of Ramadan, a holy month of prayer, fasting, charity, and reflection.

The question being on the adoption of the resolution,

The resolution was adopted.

Pursuant to Joint Rule 20, the full title of the act shall be inserted to read as follows:

“An act to provide for the registration, titling, sale, transfer, and regulation of certain vehicles operated upon the public highways of this state or any other place open to the general public or generally accessible to motor vehicles and distressed vehicles; to provide for the licensing of dealers; to provide for the examination, licensing, and control of operators and chauffeurs; to provide for the giving of proof of financial responsibility and security by owners and operators of vehicles; to provide for the imposition, levy, and collection of specific taxes on vehicles, and the levy and collection of sales and use taxes, license fees, and permit fees; to provide for the regulation and use of streets and highways; to create certain funds; to provide penalties and sanctions for a violation of this act; to provide for civil liability of manufacturers, the manufacturers of certain devices, the manufacturers of automated technology, upfitters, owners, and operators of vehicles and service of process on residents and nonresidents; to regulate the introduction and use of certain evidence; to regulate and certify the manufacturers of certain devices; to provide for approval and certification of installers and servicers of certain devices; to provide for the levy of certain assessments; to provide for the enforcement of this act; to provide for the creation of and to prescribe the powers and duties of certain state and local agencies; to impose liability upon the state or local agencies; to provide appropriations for certain purposes; to repeal all other acts or parts of acts inconsistent with this act or contrary to this act; and to repeal certain parts of this act on a specific date.”

The House agreed to the full title.

Rep. Schor, having reserved the right to explain his protest against the passage of the bill, made the following statement:  
“Mr. Speaker and members of the House:

Mr. Clerk,

I voted against SB 163, which creates a Choose Life license plate. This bill would have government create and sell a license plate to take in dollars that then go directly to ‘projects that promote life-affirming choices that promote life-affirming programs and projects.’ So, the House passed a bill that will have government collect money for a group that has ideological, political, and religious beliefs and advocates on one side of a political debate. This is big government at its worst...taking sides in a long-standing political debate. If Right to Life and other ‘life-affirming’ groups need money, they should ask for it and collect it on their own. Seems that big government is bad, except when life affirming groups need funds.”

Rep. Geiss, having reserved the right to explain her protest against the passage of the bill, made the following statement:  
“Mr. Speaker and members of the House:

Floor Speech in Opposition to SB163—the Choose Life License Plate

Thank you Mr. Speaker for allowing me to speak to the bill before us. We need to consider the language and implications of this language much deeper and more critically before it speeds through this chamber and I have five good reasons to rise in opposition to Senate Bill 163 the specialty fundraising license plate for the Choose Life Michigan Fund which states, in part:

MONEY DISBURSED TO THE CHOOSE LIFE MICHIGAN FUND UNDER THIS SECTION SHALL BE DISTRIBUTED TO ELIGIBLE NONPROFIT ORGANIZATIONS THAT ARE EXEMPT FROM TAXATION UNDER SECTION 501(C)(3) OF THE INTERNAL REVENUE CODE, 26 USC 501, TO BE EXPENDED ON PROJECTS THAT PROMOTE LIFE-AFFIRMING CHOICES. AS USED IN THIS SUBSECTION:

A) ‘ELIGIBLE NONPROFIT ORGANIZATIONS’ INCLUDES, BUT IS NOT LIMITED TO, CRISIS PREGNANCY CENTERS, HOMES FOR PREGNANT WOMEN, AND OTHER ORGANIZATIONS THAT PROVIDE PRACTICAL SUPPORT TO PREGNANT WOMEN, PROVIDE PRACTICAL OUTREACH TO AT-RISK POPULATIONS, AND PROMOTE LIFE-AFFIRMING PROGRAMS AND PROJECTS.

(B) 'LIFE-AFFIRMING PROGRAMS AND PROJECTS' INCLUDES, BUT IS NOT LIMITED TO, MEDIA CAMPAIGNS, SPECIALTY OUTREACHES TO AT-RISK POPULATIONS, INCLUDING MINORITIES, TEENAGERS, COLLEGE-AGED WOMEN,

CAMPAIGNS TO PROMOTE ADOPTION, AND SUICIDE PREVENTION.

First, many crisis pregnancy centers are connected to religious organizations. And while a crisis pregnancy center itself may be a non-profit 501 c 3 organization, how closely tied it is to the business and ministry of a church or other religious organization places us in the potential position of funding religious activities, which comes perilously close to violating the third sentence of Article I, Section 4 of the Michigan Constitution, which states:

'No money shall be appropriated or drawn from the treasury for the benefit of any religious sect or society, theological or religious seminary; nor shall property belonging to the state be appropriated for any such purpose.'

Again, 'No money shall be appropriated or drawn from the treasury for the benefit of any religious sect or society.'

And I will emphasize the points that the Good Gentleman from Oak Park has made and further: The connection between the Choose Life Michigan Fund and the Right to Life Organization (which makes no bones about having strong religious ties) can be neither denied nor ignored. Further, this bill also comes perilously close to violating the fourth sentence of Article I, Section 4 of the Michigan Constitution, which states:

'The civil and political rights, privileges and capacities of no person shall be diminished or enlarged on account of his religious belief.'

One could aptly argue that the likely purchaser of this plate will be the person who insists that their religious conviction or belief is what compels them to support this specialty license plate, and as such its sheer existence serves to use a religious belief to enlarge the civil and political rights privileges and capacities of one over another.

Second: Also from Section 6 A of the bill we must question the phrasing and the meaning of 'THAT PROVIDE PRACTICAL SUPPORT TO PREGNANT WOMEN, PROVIDE PRACTICAL OUTREACH TO AT-RISK POPULATIONS, AND PROMOTE LIFE-AFFIRMING PROGRAMS AND PROJECTS.'

Pregnancy requires much more than 'practical' support. I am confident that the sponsor has neither carried nor delivered a child (given his gender). Like many of us here—I have, and can speak with some authority on this. Pregnancy—a healthy, planned pregnancy even in the most ideal of situations requires medical, emotional and financial solidity.

But what about the unintended, unplanned, ill-timed pregnancies tend to happen at the worst possible times and in some of the most dire circumstances and are the very types of pregnancies to which these programs cater. Are these programs equipped to help with the newly pregnant mother who is addicted and needs to get clean and sober as well as have prenatal care? Are these programs equipped to direct a low-income, uninsured newly-pregnant woman to the types of programs and safety net programs that will truly assist her? Are these programs equipped to assist the homeless mother-to-be? What happens to the woman who was staying at a home for pregnant women after she delivers? What about the infant? Are these programs equipped to assist the pregnant in an abusive relationship or living in an abusive household? I think not—not in the ways that will actually help both lives have good starts to motherhood, help prevent maternal death or reduce infant mortality.

Places that only provide 'practical support' cannot provide for and do not have the ability to provide for the wide range of aspects of pregnancy, labor, delivery and post-partum care that are necessary for healthy outcomes that lead to better LIVES and outcomes for the mother and infant. Furthermore, funneling funds to organizations that are unchecked, unregulated and have to respond to ZERO oversight when it comes to providing, sound, accurate help and information to women at one of the most fragile times of their lives is short-sighted and a waste of funds.

To add support to the excellent points made by the Good Woman from Canton: such funds would be better served going towards programs such as MIHP and the Nurse-Family Partnership that provide evidence-based programs and assistance to pregnant women and to post-partum mothers and their infants. Pregnancy is not only about carrying a child to term, it is also about what happens at the logical conclusion of a pregnancy, which is labor, delivery and the care of the neonate.

Third, while it is wonderful that section 6 B includes both adoption and suicide prevention among its list of 'life affirming' programs, other parts of this section's language are problematic. I take umbrage with the assumption that the at-risk populations that are specifically mentioned include minorities, teenagers and college-aged women. Minority women are not the only ones at high risk for unplanned, unintended or ill-timed pregnancies...we must ask why rural and low-income white women are not specifically named in this bill language. (The intent is suspect.) Furthermore, unplanned, unintended or ill-timed pregnancies by teenagers and young adult women are best prevented by medically accurate sex education, contraception, healthy relationships, healthy behaviors and such prevention programs as MDHHS' Teen Outreach Program. Michigan is ranked number 21 for teen births with 19.4 births per 1,000 girls ages 15-19. Being proactive or prophylactic (if you will) with this particular segment of the 'at-risk' population would be wiser and more responsible than waiting until there's a pregnancy to help these young women.

Fourth, I also have concerns about the possible confusion with the Donate Life license plate, for which funds are directed towards the organ donor registry.

Fifth, we also must ask ourselves the deep question of why this is being fast-tracked now, when clearly other issues (such as the budget) should be among our priorities, not creating a fundraising license plate for which the practical application thereof is profoundly murky. It is for these five good reasons that I urge a no vote on this legislation."

Rep. Garrett, having reserved the right to explain her protest against the passage of the bill, made the following statement:  
“Mr. Speaker and members of the House:

Based on the trying and difficult time that our society finds itself in I chose to vote No on SB 163 due to how funds would be allocated. No funds would be diverted to infant mortality, pre-natal and post-natal care. At the federal level of government we are facing significant health care cuts that will deny vital access to maternity and quality care.”
