Deacon Jim Damitio, Permanent Deacon of Sacred Heart Parish in Mount Pleasant, offered the following invocation:

“Almighty and Eternal God, we are truly grateful for the natural resources we enjoy in this the beautiful state of Michigan with its forests, farms, lakes and streams. We ask that You will bless the citizens of our state and the legislators gathered here in this our House of Representatives.

Endow those who serve here with the age-old cardinal virtues of prudence, justice, fortitude and temperance, as they formulate laws for the betterment of our great state. May they work with the same diligence and selflessness that the founding fathers of our great nation did when they created the greatest republic in the history of the world.

Finally we ask that these Representatives legislate wisely so that the citizens of the state of Michigan may continue to enjoy that which You our Creator intended for us, namely the unbought grace of life!

In His great name we pray, Amen.”

### Motions and Resolutions

Reps. Lucido, Elder, Ellison, Hughes, Rabhi, Rendon, Schor and Sneller offered the following resolution:

**House Resolution No. 124.**

A resolution to declare July 2017 as Michigan Music Month in the state of Michigan.

Whereas, The state of Michigan has a rich history of producing influential music; and

Whereas, The city of Detroit has been one of the most influential cities in music for the last half-century; and

Whereas, The state of Michigan has produced an artist who topped the Billboard charts each year for more than 50 years; and

Whereas, The state of Michigan was the home of three major music innovations, early punk rock, Motown/soul, and techno music; and

Whereas, The Motown sound defined a city and a generation; and

Whereas, Detroit is home to several internationally recognized music festivals such as the Electronic Music Festival and the Jazz Festival; and

Whereas, The importance of recognizing Michigan’s contributions to the music of the world is increasingly necessary; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare July 2017 as Michigan Music Month in the state of Michigan; and be it further

Resolved, That we recognize musicians and artists of all kinds who have contributed to the unique sounds of Michigan music; and be it further

Resolved, That copies of this resolution shall be transmitted to the members of the Michigan congressional delegation, the Governor of Michigan, and the Secretary of the Michigan Senate.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Moss, Zemke, Greig, Faris, Wittenberg, Pagan, Hertel, Elder, Ellison, Rabhi, Sabo, Schor and Sneller offered the following resolution:

**House Resolution No. 125.**

A resolution to urge the U.S. Congress to propose, pass, and send to the states for ratification a constitutional amendment clarifying that free speech rights are held by natural persons, not corporate entities, and guaranteeing that the U.S. Congress and state legislatures may regulate all moneys raised and spent for political purposes.

Whereas, Free and fair elections are a cornerstone of democratic government that is “of the people, by the people, and for the people”; and

Whereas, The U.S. Congress and state legislatures have long regulated political contributions and expenditures. In accord with our country’s values, campaign laws can help to promote fair play and even the playing field, regardless of wealth; and

Whereas, In 2010, the U.S. Supreme Court issued its closely contested 5-4 decision on *Citizens United v. Federal Election Commission*, ruling that the U.S. Congress and the states lack the constitutional right to ban independent corporate and union expenditures to political campaigns. The *Citizens United* decision also relied on a previous Supreme Court decision from 1976, *Buckley v. Valeo*, which likened political campaign spending to speech. Moreover, since the *Citizens United* case, other Supreme Court rulings have further eroded barriers to money in elections; and

Whereas, Decisions made in a representative government should emanate from the people’s will and not be unduly influenced by special interests with vast resources. The *Citizens United* decision, permitting corporate, union, and other legal entities to spend on political campaigns without limits, is corrosive to democracy and may breed corruption; and

Whereas, Free speech is a constitutional right held by natural persons that should not extend to corporations, unions, or other legal entities, as was done in the *Citizens United* decision. These legal entities established under the law make important contributions to our society, but it is wrong to equate them with natural persons who enjoy the same speech rights; and

Whereas, The *Citizens United* decision and other court decisions that have greatly expanded the role of money in elections and curtailed reasonable regulations should be overturned; now, therefore, be it

Resolved by the House of Representatives, That we urge the U.S. Congress to propose, pass, and send to the states for ratification a constitutional amendment clarifying that free speech rights are held by natural persons, not corporate entities, and guaranteeing that the U.S. Congress and state legislatures may regulate all moneys raised and spent for political purposes; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Elections and Ethics.

Reps. Howrylak, Greimel, Brann, Lucido, Elder, Ellison, Hughes and Sneller offered the following resolution:

**House Resolution No. 126.**

A resolution to declare August 19, 2017, as International Homeless Animals Day in the state of Michigan.

Whereas, Governor Rick Snyder declared July 8, 2016, as Pet Adoption Awareness Day; and

Whereas, Each year, 7.6 million companion animals enter shelters in the United States and 2.7 million shelter animals are euthanized each year; and

Whereas, Only 35 percent of dogs and 37 percent of cats in shelters get adopted; and

Whereas, The 2014 Michigan Shelter Survey reports that, approximately 24 percent of the animals that enter a shelter in the state are euthanized; and

Whereas, In light of this dismal statistic, there is a need to increase public awareness about the benefits of pet adoption. Pet adoption helps individuals find a truly loving companion, while providing a shelter animal a much needed forever home; and

Whereas, In 2016, the Michigan Humane Society saved the lives of more than 11,200 animals; and

Whereas, Animal shelters are always in need of donations and volunteers. These organizations would cease to function without donations and volunteers from the community; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare August 19, 2017, as International Homeless Animals Day in the state of Michigan.

We recognize the immense benefits of pet adoption and the positive impact this practice makes in communities across the state.

The question being on the adoption of the resolution,

Rep. Howrylak moved to substitute (H-1) the resolution as follows:

**Substitute for House Resolution No. 126.**

A resolution to declare August 19, 2017, as International Homeless Animals Day in the state of Michigan.

Whereas, Governor Rick Snyder declared July 8, 2016, as Pet Adoption Awareness Day; and

Whereas, Each year, 6.5 million companion animals enter shelters in the United States and 1.5 million shelter animals are euthanized each year; and

Whereas, Only 35 percent of dogs and 37 percent of cats in shelters get adopted; and

Whereas, The 2014 Michigan Shelter Survey reports that, approximately 24 percent of the animals that enter a shelter in the state are euthanized; and

Whereas, In light of this dismal statistic, there is a need to increase public awareness about the benefits of pet adoption. Pet adoption helps individuals find a truly loving companion, while providing a shelter animal a much needed forever home; and

Whereas, In 2016, the Michigan Humane Society saved the lives of more than 11,200 animals; and

Whereas, Animal shelters are always in need of donations and volunteers. These organizations would cease to function without donations and volunteers from the community; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare August 19, 2017, as International Homeless Animals Day in the state of Michigan. We recognize the immense benefits of pet adoption and the positive impact this practice makes in communities across the state.

The motion prevailed and the substitute (H-1) was adopted, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Farrington, Crawford, Elder, Ellison, Hughes, Rabhi, Rendon, Sabo, Schor and Sneller offered the following resolution:

**House Resolution No. 127.**

A resolution to declare July 2017 as Craft Beer Month in the state of Michigan.

Whereas, Michigan craft brewers are a vibrant affirmation and expression of Michigan's entrepreneurial traditions, operating as community-based small businesses and providing employment for more than 5,000 workers; and

Whereas, Michigan has craft brewers in every region of the state and more than 220 craft brewers statewide; and

Whereas, Michigan ranks sixth in the nation for overall number of breweries, microbreweries, and brewpubs; and

Whereas, The Michigan Brewers Guild celebrates Michigan Craft Beer Month each year by hosting a Summer Festival in July; and

Whereas, Craft brewers in Michigan support state agriculture by purchasing hops, malted barley, wheat, beet sugar, cherries, apples, and numerous other fruits, herbs, and vegetables grown in Michigan; and

Whereas, Michigan craft brewers promote Michigan's spirit of independence through a renaissance in handcrafted beers like those first brought to Michigan by European settlers and produced here by our forefathers, including Bernhard Stroh, for the enjoyment of the citizenry; and

Whereas, Striving to educate legal drinking-age residents, Michigan craft brewers convey awareness about the differences in beer flavor, aroma, color, alcohol content, body, and other complex variables, beer history, and gastronomic qualities of beer; and

Whereas, Michigan craft brewers champion the message of responsible enjoyment to their customers and work within their communities to prevent alcohol abuse and underage drinking; and

Whereas, Craft brewers in Michigan produce more than 100 distinct styles of flavorful beers, the quality and diversity of which have made Michigan the envy of many states, contributing to balanced trade with increased Michigan exports and promoting Michigan tourism; and

Whereas, Michigan craft brewers have been a successful business model by contributing more than \$144 million in wages with a total economic contribution of more than \$600 million, thriving and expanding in furthering their economic importance to the state; and

Whereas, Michigan craft brewers are vested in the future, health, and welfare of their communities as employers providing a diverse array of quality local jobs, as contributors to the local tax base, and as committed sponsors of a broad range of vital community institutions and philanthropic causes, including not-for-profit housing development associations, chambers of commerce, humane societies, athletic teams, and medical research; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare July 2017 as Craft Beer Month in the state of Michigan. We recognize the contributions that Michigan craft brewers have made to the state's communities, economy, and history; and be it further

Resolved, That we commend Michigan craft brewers for providing jobs, improving the balance of trade, supporting Michigan agriculture, and educating residents about the history and culture of beer while promoting the responsible consumption of beer as a beverage of moderation.

The question being on the adoption of the resolution,

The resolution was adopted.
