## SUMMARY:

House Bill 6103 would amend the Michigan Vehicle Code to remove the requirement that a lamp or reflector on a vehicle operated on public highways be both covered and unlit if the vehicle is not expressly required or permitted to be equipped with the lamp or reflector under the Code or if the lamp or reflector does not meet standards prescribed in 49 CFR 571.108.<sup>1</sup>

Under the bill, such a lamp or reflector would only need to be unlit, rather than both unlit and covered.

MCL 257.698

## FISCAL IMPACT:

The bill would have no direct fiscal impact on the state or local units of government.
