3 PART 2

4 PROVISIONS CONCERNING APPROPRIATIONS

5 GENERAL SECTIONS

6 Sec. 201. In accordance with the provisions of section 30 of
7 article IX of the state constitution of 1963, total state spending
8 from state resources in this appropriation act for the fiscal year
9 ending September 30, 2018 is \$18,650,000.00 and total state
10 spending from state sources to be paid to local units of government
11 is \$18,000,000.00.

12 Sec. 202. The appropriations authorized under this act are
13 subject to the management and budget act, 1984 PA 431, MCL 18.1101
14 to 18.1594.

15 DEPARTMENT OF STATE POLICE

Sec. 301. (1) Funding appropriated in part 1 for the school safety initiative shall be used to provide and administer competitive grants to public or nonpublic schools, school districts, and intermediate school districts to purchase technology and equipment and to conduct school building safety assessments to improve the safety and security of school buildings, students, and school staff. The department of state police, grants and community services division, shall administer the grant program described in this section.

1 (2) The goal of the grant program is to create a safer school
2 environment through equipment and technology enhancements.

3 (3) Applications shall be accepted directly from public or
4 nonpublic schools, school districts, and intermediate school
5 districts. School district and intermediate school district
6 applications are required to be for buildings that have pre-K to 12
7 classrooms and students. There is a limit of 1 application per
8 eligible applicant. Individual schools may submit their own
9 application but must not also be included in a school district
10 application if they submitted an individual application. All grants
11 shall be funded on a reimbursement-only basis.

12 (4) From the funds appropriated in part 1 for school safety
13 initiative, \$5,000,000.00 shall be made available, subject to the
14 requirements of subsection (3), to individual public or nonpublic
15 schools, school districts, and intermediate school districts.
16 Applications are limited to \$25,000.00 per application for
17 individual schools and \$250,000.00 for school districts or
18 intermediate school districts.

19 (5) From the funds appropriated in part 1 for school safety
20 initiative, \$10,000,000.00 shall be made available, subject to the
21 requirements of subsection (3), to individual public or nonpublic
22 schools, school districts, and intermediate school districts. There
23 shall be no limitation on the amount applied for but the applicant
24 must provide a 25% match in order to qualify for the funds.

25 (6) Applications shall be selected for funding based on
26 eligibility, the project description and whether the project
27 reflects the highest security need of the applicant within grant

1 funding constraints, the budget narrative, the budget, project
2 goals, objectives, and performance measures. Priority shall be
3 given to projects that involve multiple agencies working in
4 partnership, to proposals that seek to secure exterior access
5 points of school buildings, and to those applicants that did not
6 receive a school safety initiative grant in the past. Grant
7 applicants must demonstrate proof that a school has an emergency
8 operations plan that had been updated after August 1, 2014, to
9 align with the state of Michigan emergency operations plan guidance
10 and include a signed letter of support from the chief local law
11 enforcement official.

12 (7) Eligible expenditures under school safety initiative
13 grants include 1 or more of the following:

14 (a) Physical security enhancement equipment, such as door
15 locks, proximity access card readers, keypads, motion detection
16 systems, lighting, closed-circuit television systems, and video
17 intercom devices.

18 (b) Improve exterior access points of school buildings.

19 (c) Public address systems.

20 (d) Inspection and screening systems.

21 (e) Shatterproof glass or film for exterior doors or windows.

22 (f) Signs, such as "Emergency Exit Only" and "Visitors
23 Register at Front Office" signs.

24 (g) Fences and gates.

25 (h) School safety assessment.

26 (8) The following items shall not be eligible for grant
27 expenditure:

1 (a) Weapons, including tasers.

2 (b) Personal body armor for routine use.

3 (c) Construction of new facilities.

4 (d) Costs in applying for this grant, such as consultants and
5 grant writers.

6 (e) Expenses incurred prior to the date of the award or after
7 the end of the grant performance period.

8 (f) Personnel costs.

9 (g) Indirect costs or indirect administrative expenses.

10 (h) All travel, including first class or out-of-state travel.

11 (i) Contributions or donations.

12 (j) Management or administrative training and conferences,
13 except as otherwise pre-approved by the department of state police.

14 (k) Management studies or research and development.

15 (l) Memberships and dues, unless a specific requirement of the
16 project that has been pre-approved by the department of state
17 police.

18 (m) Vehicles, watercraft, or aircraft, including unmanned or
19 remotely piloted aircraft and vehicles.

20 (n) Service contracts and training beyond the performance
21 period of the grant award.

22 (o) Food, refreshments, and snacks.

23 (9) The department shall issue grant guidance and application
24 materials, including required performance measures, no later than
25 July 1, 2018 and shall issue awards no later than October 31, 2018.
26 A project must be completed by March 1, 2019.

27 (10) The department of state police shall report on grant

Senate Bill No. 601 as amended April 26, 2018

1 activities to the house and senate appropriations subcommittees on
2 state police and the state budget office by December 31, 2018,
3 including performance outcomes as identified in individual grant
4 agreements.

5 Sec. 302. (1) From the funds appropriated for the school
6 emergency notification system, \$3,000,000.00 shall be used to
7 expand the existing advanced 9-1-1 contract for the sole purpose of
8 implementing a statewide K-12 << >> school panic button app system
9 in support of <<public and non-public schools>>. The phone
10 application based system must allow authorized users to
11 simultaneously place a voice call to 9-1-1 while also providing
12 intelligent notifications via text, electronic mail, and push
13 notifications to relevant communities to which the users belong,
14 key stakeholders, and authorized users including school staff,
15 school resource officers, 9-1-1, and first responder agencies based
16 on the location and category of emergency event. These
17 notifications shall contain information regarding the identity of
18 the reporting party, his or her location, type of response required
19 based on incident type, and additional location details. The system
20 must also allow 9-1-1, school officials, and first responder
21 agencies to send messages to panic button app users both during and
22 after emergency events in order to facilitate ongoing
23 communications and coordination.

24 (2) The school emergency notification system must also
25 integrate with the state's current supplemental 9-1-1 database,
26 containing information voluntarily provided by individuals and
27 facility managers via a secure web application. Any information

Senate Bill No. 601 as amended April 26, 2018

1 submitted by K-12 schools under that program, including items such
2 as floor plans, automated external defibrillator information,
3 school safety plans, reunification plans, and entry or exit points,
4 should automatically present itself to 9-1-1 anytime the panic
5 button app is activated.

6 (3) The appropriation described in this section is for the
7 purpose of defraying the initial costs associated with
8 implementation of the secure schools program, including
9 installation, training, and maintenance costs. Funds will be
10 distributed in 2 payments with the first payment upon enactment of
11 this bill and the final payment to be made no later than September
12 30, 2018.

13 Sec. 303. From the funds appropriated for intelligence
14 operations, the department of state police shall gather information
15 << >> on the
16 following:

17 <<
18 >>
19 <<(a)>>Emergency contact information for each K-12 school
in this
20 state.

<<(b)>>Which schools, if any, are operating a tip line separate
21 from that of the ok2say system.
