

**No. 12**  
**STATE OF MICHIGAN**  
**JOURNAL**  
**OF THE**  
**House of Representatives**  
**99th Legislature**  
**REGULAR SESSION OF 2018**

---

House Chamber, Lansing, Tuesday, February 6, 2018.

1:30 p.m.

The House was called to order by the Speaker.

The roll was called by the Clerk of the House of Representatives, who announced that a quorum was present.

Afendoulis—present	Frederick—present	Kelly—present	Reilly—present
Albert—present	Garcia—present	Kesto—present	Rendon—present
Alexander—present	Garrett—present	Kosowski—present	Roberts—present
Allor—present	Gay-Dagnogo—present	LaFave—present	Robinson—present
Barrett—present	Geiss—present	LaGrand—present	Runestad—present
Bellino—present	Glenn—present	LaSata—present	Sabo—present
Bizon—present	Graves—present	Lasinski—present	Santana—present
Brann—present	Green—present	Lauwers—present	Scott—excused
Brinks—present	Greig—present	Leonard—present	Sheppard—present
Byrd—present	Greimel—present	Leutheuser—present	Singh—present
Calley—present	Griffin—present	Liberati—present	Sneller—present

Farrington—present			

Rep. Daniela Garcia, from the 90th District, offered the following invocation:

“Heavenly Father, today we meet for what seemingly is an ordinary week where we gather for discussion, debate and vote. As we gather, let us remember that we do not come to this great institution for ourselves, but for the residents of our communities in this state. We ask for wisdom, patience and grace and with every vote we take, there are very real implications for individuals, students and families in our state. We ask that You watch over our families as they often hear about and feel the consequences of our decisions. Finally, Lord, we seek protection for those serving our great nation, those protecting and serving in law enforcement and those who respond in our time of need. In Your name we pray, Amen.”

---

The Speaker called Associate Speaker Pro Tempore Tedder to the Chair.

---

Rep. Greig moved that Rep. Scott be excused from today’s session.  
The motion prevailed.

### **Motions and Resolutions**

Reps. Vaupel, Allor, Canfield, Chirkun, Clemente, Cochran, Crawford, Faris, Gay-Dagnogo, Green, Greig, Howrylak, Hughes, Jones, Kelly, Liberati, Love, Marino, Phelps, Rendon, Sabo, Sneller, Webber, Wittenberg and Yanez offered the following resolution:

#### **House Resolution No. 244.**

A resolution to declare February 6, 2018, as Diabetes and Cardiovascular Disease Awareness Day in the state of Michigan.

Whereas, Diabetes affects more than 29 million Americans and is a chronic condition that occurs when the body does not properly produce or use the hormone insulin that regulates blood sugar; and

Whereas, Type 2 diabetes is the most common type of diabetes, representing an estimated 90 to 95 percent of all diagnosed adult diabetes cases in the United States; and

Whereas, Michigan has a higher prevalence of diabetes than the nation as a whole. It is estimated that 701,000 Michigan adults have been diagnosed with diabetes, and another 364,400 have undiagnosed diabetes. Diabetes is the seventh leading cause of death in Michigan. Diabetes costs an estimated \$10.5 billion in Michigan each year; and

Whereas, Cardiovascular disease is a term used to define problems with the heart and blood vessels such as heart attacks, heart failure, and strokes; and

Whereas, Cardiovascular disease is the leading cause of death associated with diabetes due to complications associated with diabetes, such as high blood sugar, high blood pressure, and obesity; and

Whereas, In Michigan, 28 percent of people with diabetes aged 18 and older reported having cardiovascular disease; and

Whereas, People with type 2 diabetes are at two to four times greater risk for developing heart disease, stroke, or other cardiovascular disease, and at an earlier age; and

Whereas, Findings from a recent study revealed 52 percent of adults living with type 2 diabetes are unaware they are at an increased risk; and

Whereas, Two out of three deaths in people with type 2 diabetes are attributed to cardiovascular disease in the U.S., accounting for 68 percent of deaths in people with type 2 diabetes; and

Whereas, The total health care costs for the treatment of diabetes were reported to be approximately \$245 billion annually, with direct medical costs accounting for \$176 billion of the total costs. In 2013, cardiovascular disease was 28% of the costs for treating diabetes patients; and

Whereas, Appropriate awareness and education about the cardiovascular risks associated with diabetes can effectively reduce the overall outcome and financial burden of the illness; and

Whereas, The Michigan Department of Health and Human Services and other relevant partners seek to promote awareness, education, and action related to diabetes and the link to cardiovascular disease; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare February 6, 2018, as Diabetes and Cardiovascular Disease Awareness Day in the state of Michigan. We encourage state agencies, public health authorities, healthcare providers, employers, insurers, and other healthcare stakeholders to promote education and awareness of the

connection between diabetes and cardiovascular disease, risk factors, and opportunities to promote better health for the individuals and populations at risk.

The question being on the adoption of the resolution,  
The resolution was adopted.

Reps. Geiss, Canfield, Chirkun, Clemente, Cochran, Crawford, Elder, Faris, Gay-Dagnogo, Green, Greig, Howrylak, Hughes, Jones, Kelly, Kosowski, Liberati, Love, Pagan, Phelps, Rabhi, Rendon, Sabo, Sneller, Sowerby, Webber, Wittenberg, and Yanez offered the following resolution:

**House Resolution No. 245.**

A resolution to declare February 2018 as Black History Month in the state of Michigan.

Whereas, The origins of Black History Month begin in 1915 after the Thirteenth Amendment abolished slavery in the United States. Since 1976, every President has adopted the month of February as Black History Month, an annual celebration of African-American achievements and roles in U.S. History; and

Whereas, Due to the Civil Rights Movement and a growing awareness of black identity, Black History Month is a time to reflect on the burdens of racial prejudice and explore, understand, and appreciate the identities and cultures across and within the African diaspora; and

Whereas, We pay tribute to Dr. Carter G. Woodson who organized a national Negro History Week as an initiative to bring national attention to the contributions of black people throughout American history that has evolved into a month-long celebration of black progress and power; and

Whereas, President Gerald R. Ford officially recognized Black History Month in 1976, calling upon the public to “seize the opportunity to honor the too-often neglected accomplishments of black Americans in every area of endeavor throughout our history”; and

Whereas, The state of Michigan recognizes the injustices that African Americans have endured and commends the African-American community for the continuous pursuit of overcoming those injustices and changing the course and nature of history. We honor the prominent leaders and activists who have paved the way for equality and justice; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare February 2018 as Black History Month in the state of Michigan. We honor the contributions and sacrifices made in building pride in black history and educating all Americans; and be it further

Resolved, That we join other organizations throughout the state of Michigan and this country to use this occasion to raise awareness of the hardships African Americans have endured, celebrate the milestones we have achieved, and continue the unrelenting pursuit of equality and justice for all.

The question being on the adoption of the resolution,  
The resolution was adopted.

### **Reports of Standing Committees**

The Speaker laid before the House

**House Resolution No. 191.**

A resolution of support for the initiative to bring the first Fisher House to Michigan.

(For text of resolution, see House Journal No. 85 of 2017, p. 1865.)

(The resolution was reported by the Committee on Military and Veterans Affairs on January 30, with substitute (H-2).)

(For substitute, see House Journal No. 9, p. 123.)

The question being on the adoption of the proposed substitute (H-2) recommended by the Committee,

The substitute (H-2) was adopted, a majority of the members present voting therefor.

The question being on the adoption of the resolution,  
The resolution was adopted.

### **Messages from the Senate**

The Speaker laid before the House

**House Bill No. 4752, entitled**

A bill to amend 1961 PA 236, entitled “Revised judiciary act of 1961,” by amending sections 871 and 877 (MCL 600.871 and 600.877), as amended by 2012 PA 596.

(The bill was received from the Senate on January 31, with substitute (S-1), full title inserted and immediate effect given by the Senate, consideration of which, under the rules, was postponed until February 1, see House Journal No. 10, p. 164.)

The question being on concurring in the substitute (S-1) made to the bill by the Senate,

The substitute (S-1) was concurred in, a majority of the members serving voting therefor, by yeas and nays, as follows:

**Roll Call No. 46****Yeas—108**

Afendoulis	Farrington	Kahle	Rabhi
Albert	Frederick	Kelly	Reilly
Alexander	Garcia	Kesto	Rendon

The House agreed to the title as amended.

The bill was referred to the Clerk for enrollment printing and presentation to the Governor.

By unanimous consent the House returned to the order of

### Reports of Standing Committees

The Speaker laid before the House

#### House Resolution No. 228.

A resolution to propose a framework to guide agencies and ensure the most impactful and relevant decisions in the use of the funds contained in the supplemental budget for PFAS-related activities.

(For text of resolution, see House Journal No. 5, p. 56.)

(The resolution was reported by the Committee on Natural Resources on January 31, with substitute (H-1).)

(For substitute, see House Journal No. 10, p. 157.)

The question being on the adoption of the proposed substitute (H-1) recommended by the Committee,

The substitute (H-1) was adopted, a majority of the members present voting therefor.

Rep. Brinks moved to substitute (H-2) the resolution as follows:

#### Substitute for House Resolution No. 228.

A resolution to propose a framework to guide agencies and ensure the most impactful and relevant decisions in the use of the funds contained in the supplemental budget for PFAS-related activities.

Whereas, Perfluoroalkyl and polyfluoroalkyl substances (PFAS), also referred to as perfluorinated chemicals (PFCs), are a large group of chemicals used in a variety of industrial applications and consumer products. For decades, these chemicals were used for their heat, oil, and water resistant properties in firefighting foam, nonstick pots and pans, stain resistant carpets, and other products. Some of these chemicals accumulate and spread easily in the environment; and

Whereas, Some PFAS molecules have been shown to produce a variety of adverse responses in laboratory animals, and epidemiological evidence suggests PFAS exposure may be associated with a variety of health outcomes, provided the level of exposure is sufficient; and

Whereas, Some PFAS have been detected at 14 locations, including 28 individual sites, in Michigan to date. Perfluorooctane sulfonate (PFOS) and perfluorooctanoic acid (PFOA) are the two most commonly detected of these chemicals. In many cases, the Michigan Department of Environmental Quality (DEQ) is in the process of coordinating with various stakeholders to determine the extent of the issue and implementing actions accordingly; and

Whereas, Governor Snyder issued Executive Directive No. 2017-4 on November 13, 2017, to establish a Michigan PFAS Action Response Team (MPART). The team is charged with researching, identifying, and establishing response actions relative to the discovery, communication, and mitigation of PFAS; now, therefore, be it

Resolved by the House of Representatives, That, in order to ensure the most impactful and relevant decisions in the use of the funds contained in the supplemental budget that was approved by the legislature for PFAS-related activities (Public Act 201 of 2017), we propose that the Michigan PFAS Action Response Team create a PFAS Scientific Advisory Committee that is equally comprised of scientific experts from government, academia, industry, and public interest groups whose backgrounds include experience with PFAS in the scientific disciplines of analytical chemistry, environmental fate, toxicology, epidemiology, and risk assessment; and be it further

Resolved, That the PFAS Scientific Advisory Committee should review the state of knowledge on PFAS and conduct a non-biased, scientific risk assessment. The review and assessment should include, but not be limited to, a scientific review of animal and human epidemiological data to evaluate the United States Environmental Protection Agency's current drinking water health advisory level of 70 parts per trillion (ppt) for PFOS and PFOA and to provide a rationale for any new level for the state of Michigan; and be it further

Resolved, That the PFAS Scientific Advisory Committee should review any other PFAS chemicals of concern to determine the state of knowledge concerning these chemicals and advise the MPART on its findings and any need for further study; and be it further

Resolved, That state departments should determine the nature and extent of PFAS contamination, who is responsible for its presence, the extent of public exposure, and the sites where complete exposure pathways exist; and be it further

Resolved, That, based on its review and risk assessment, the PFAS Scientific Advisory Committee should provide science-based, logical advice to the MPART. The MPART should take into account the PFAS Scientific Advisory Committee's research and advice when developing the state's PFAS action plan. In addition, the state development of the action plan should include:

- 1) Stakeholder review and input by industry, academia, individuals and businesses impacted by PFAS contamination, and non-profit organizations; and
- 2) A full review of the capabilities of existing partnerships, third parties, and federal, state, and local agencies to support actions, including but not limited to:
  - a. Use of existing labs or analytical methods to accelerate technical capability development and testing; and
  - b. Quality Assurance/Quality Control third-party validation of any analytical data generated.

Consistent with scientific principles and the development of sound public policy, the recommended action plan should:

- 1) Implement risk management in a pragmatic and prioritized manner;
- 2) Allow for site-specific risk assessment;
- 3) Prioritize risk management actions, based on concentrations and complete exposure pathways, in a pre-defined process; and
- 4) Provide for risk communication activities by local communities; and be it further

Resolved, That we propose that a much more precautionary drinking water limit for PFOS and PFOA than 70 ppt should be used, as informed by work done in other states such as Vermont, Minnesota, and New Jersey, for any interim cleanup or response actions until the PFAS Scientific Advisory Committee completes its review, risk assessment, and recommendations; and be it further

Resolved, That copies of this resolution be transmitted to the Governor; the members of the Michigan PFAS Action Response Team; and the directors of the Department of Environmental Quality, the Department of Health and Human Services, the Department of Military and Veterans Affairs, the Department of Natural Resources, and the Department of Agriculture and Rural Development.

The motion did not prevail and the substitute (H-2) was not adopted, a majority of the members serving not voting therefor. The question being on the adoption of the resolution, The resolution was adopted.

The Speaker laid before the House

#### **House Concurrent Resolution No. 18.**

A concurrent resolution to propose a framework to guide agencies and ensure the most impactful and relevant decisions in the use of the funds contained in the supplemental budget for PFAS-related activities.

(For text of concurrent resolution, see House Journal No. 5, p. 59.)

(The concurrent resolution was reported by the Committee on Natural Resources on January 31, with substitute (H-1).)

(For substitute, see House Journal No. 10, p. 158.)

The question being on the adoption of the proposed substitute (H-1) recommended by the Committee,

The substitute (H-1) was adopted, a majority of the members present voting therefor.

Rep. Brinks moved to substitute (H-2) the resolution as follows:

**Substitute for House Concurrent Resolution No. 18.**

A concurrent resolution to propose a framework to guide agencies and ensure the most impactful and relevant decisions in the use of the funds contained in the supplemental budget for PFAS-related activities.

Whereas, Perfluoroalkyl and polyfluoroalkyl substances (PFAS), also referred to as perfluorinated chemicals (PFCs), are a large group of chemicals used in a variety of industrial applications and consumer products. For decades, these chemicals were used for their heat, oil, and water resistant properties in firefighting foam, nonstick pots and pans, stain resistant carpets, and other products. Some of these chemicals accumulate and spread easily in the environment; and

Whereas, Some PFAS molecules have been shown to produce a variety of adverse responses in laboratory animals, and epidemiological evidence suggests PFAS exposure may be associated with a variety of health outcomes, provided the level of exposure is sufficient; and

Whereas, Some PFAS have been detected at 14 locations, including 28 individual sites, in Michigan to date. Perfluorooctane sulfonate (PFOS) and perfluorooctanoic acid (PFOA) are the two most commonly detected of these chemicals. In many cases, the Michigan Department of Environmental Quality (DEQ) is in the process of coordinating with various stakeholders to determine the extent of the issue and implementing actions accordingly; and

Whereas, Governor Snyder issued Executive Directive No. 2017-4 on November 13, 2017, to establish a Michigan PFAS Action Response Team (MPART). The team is charged with researching, identifying, and establishing response actions relative to the discovery, communication, and mitigation of PFAS; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That, in order to ensure the most impactful and relevant decisions in the use of the funds contained in the supplemental budget that was approved by the legislature for PFAS-related activities (Public Act 201 of 2017), we propose that the Michigan PFAS Action Response Team create a PFAS Scientific Advisory Committee that is equally comprised of scientific experts from government, academia, industry, and public interest groups whose backgrounds include experience with PFAS in the scientific disciplines of analytical chemistry, environmental fate, toxicology, epidemiology, and risk assessment; and be it further

Resolved, That the PFAS Scientific Advisory Committee should review the state of knowledge on PFAS and conduct a non-biased, scientific risk assessment. The review and assessment should include, but not be limited to, a scientific review of animal and human epidemiological data to evaluate the United States Environmental Protection Agency's current drinking water health advisory level of 70 parts per trillion (ppt) for PFOS and PFOA and to provide a rationale for any new level for the state of Michigan; and be it further

Resolved, That the PFAS Scientific Advisory Committee should review any other PFAS chemicals of concern to determine the state of knowledge concerning these chemicals and advise the MPART on its findings and any need for further study; and be it further

Resolved, That, based on its review and risk assessment, the PFAS Scientific Advisory Committee should provide science-based, logical advice to the MPART. The MPART should take into account the PFAS Scientific Advisory Committee's research and advice when developing the state's PFAS action plan. In addition, the state development of the action plan should include:

- 1) Stakeholder review and input by industry, academia, individuals and businesses impacted by PFAS contamination, and non-profit organizations; and
- 2) A full review of the capabilities of existing partnerships, third parties, and federal, state, and local agencies to support actions, including but not limited to:
  - a. Use of existing labs or analytical methods to accelerate technical capability development and testing; and
  - b. Quality Assurance/Quality Control third-party validation of any analytical data generated.

Consistent with scientific principles and the development of sound public policy, the recommended action plan should:

- 1) Implement risk management in a pragmatic and prioritized manner;
- 2) Allow for site-specific risk assessment;
- 3) Prioritize risk management actions, based on concentrations and complete exposure pathways, in a pre-defined process; and
- 4) Provide for risk communication activities by local communities; and be it further

Resolved, That we propose that a much more precautionary drinking water limit for PFOS and PFOA than 70 ppt should be used, as informed by work done in other states such as Vermont, Minnesota, and New Jersey, for any interim cleanup or response actions until the PFAS Scientific Advisory Committee completes its review, risk assessment, and recommendations; and be it further

Resolved, That copies of this resolution be transmitted to the Governor; the members of the Michigan PFAS Action Response Team; and the directors of the Department of Environmental Quality, the Department of Health and Human Services, the Department of Military and Veterans Affairs, the Department of Natural Resources, and the Department of Agriculture and Rural Development.

The motion did not prevail and the substitute (H-2) was not adopted, a majority of the members serving not voting therefor. The question being on the adoption of the concurrent resolution,

The concurrent resolution was adopted.

**Second Reading of Bills****House Bill No. 5034, entitled**

A bill to amend 1967 PA 281, entitled "Income tax act of 1967," by amending section 30 (MCL 206.30), as amended by 2015 PA 161.

Was read a second time, and the question being on the adoption of the proposed substitute (H-2) previously recommended by the Committee on Tax Policy,

The substitute (H-2) was adopted, a majority of the members serving voting therefor.

Rep. Miller moved that the bill be placed on the order of Third Reading of Bills.

The motion prevailed.

**House Bill No. 4528, entitled**

A bill to amend 1978 PA 368, entitled "Public health code," by amending sections 16105a, 16167, 16169, 16170, 16170a, and 20910 (MCL 333.16105a, 333.16167, 333.16169, 333.16170, 333.16170a, and 333.20910), sections 16105a, 16167, and 16170 as added by 1993 PA 80, sections 16169 and 16170a as amended by 2013 PA 268, and section 20910 as amended by 2006 PA 582.

Was read a second time, and the question being on the adoption of the proposed substitute (H-1) previously recommended by the Committee on Health Policy,

The substitute (H-1) was adopted, a majority of the members serving voting therefor.

Rep. Yanez moved that the bill be placed on the order of Third Reading of Bills.

The motion prevailed.

---

Rep. Lauwers moved that House Committees be given leave to meet during the balance of today's session.

The motion prevailed.

By unanimous consent the House returned to the order of

**Announcement by the Clerk of Printing and Enrollment**

The Clerk announced that the following bills had been reproduced and made available electronically on Thursday, February 1:
