Rev. Dr. Edward L. Branch, Senior Pastor of Third New Hope Baptist Church in Detroit, offered the following invocation:

“God of love and peace, we honor You today for Your goodness and Your mercy toward us. Thank You for the beauty and glory of this day and for the many open doors and fresh opportunities before us. Thank You for entrusting us with the responsibility to love, protect and care for others. Especially those who are sometimes thought of as the least and the last among us.

Thank You for the great state of Michigan and its system of government. Thank You for the House of Representatives and for those who have been elected to serve this community for this challenging season.

God, we pray Your blessing upon this session and upon all who are present for these proceedings. We pray that Your love and grace will be shown through the lives and actions of these individuals elected to serve the citizens of this community. I pray strength and courage and integrity and boldness upon them so that they can best do the jobs they are assigned to do. May this and each meeting be a charge to them to do justice and to love mercy and to walk humbly with their God.

We pray that You will cover them and keep them in every way. Use them to Your own glory and for the betterment of Your people. I pray a prayer of covering upon our national and local governments and for all the causes that bind us together as one. Where we are weak, give us strength. Where we are cold and insensitive, warm our hearts. Where we are fearful, give us courage. Give us beauty for our ashes.

Dear God, may Your name be blessed and glorified in all things. Both now and forever. Amen.”

The Speaker called Associate Speaker Pro Tempore Tedder to the Chair.

Rep. Greig moved that Rep. Scott be excused from today’s session.
The motion prevailed.

Rep. Yanez, having reserved the right to explain his protest against the passage of the bill, made the following statement:
“Mr. Speaker and members of the House:

This bill is a political trick in an election year. It does nothing to make this state and its people either better and/or more prosperous. It will not fix one pothole, educate one child or support one senior or veteran. This bill was unnecessary and a total waste of the peoples time.”

Rep. Howrylak, having reserved the right to explain his protest against the passage of the bill, made the following statement:
“Mr. Speaker and members of the House:

House Bill 4053 is an excellent example of why we need a non-partisan legislature. It is a solution in search of a problem, a result of partisan posturing in an election year. It is unnecessary and it is a waste of time. Our country does not have an official language. Our state has never had an official language either. There is no problem and therefore no solution needed. Finally, the bill ignores the rights of deaf individuals, as American Sign Language is a language separate and unique from English. Not allowing American Sign Language to have equal standing with English for the official purposes of government is terrible policy and demeaning to members of the deaf community.”

Rep. Afendoulis, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

I am opposed to House Bill 4053 for a number of reasons. First and foremost, I believe this legislation is a solution in search of a problem. I am a second generation Greek American. My grandparents all immigrated to this country from Greece, and not one of them spoke English. They learned our language out of necessity, but also out of respect for our common values and a willingness to be part of our culture. Today, not one of my grandparents’ great grandchildren speak Greek. In my experience in dealing with state government agencies, in private industry, in local government, and most recently as a state legislator, I have not encountered government agencies conducting or are refusing to conduct business in English. If this were to occur in the future this type of legislation may merit consideration. Unless and until we reach that point in time, I do not believe this legislation has merit.”
