Pastor Michael Cisler of North Kent Bible Church of Rockford offered the following invocation:

Heavenly Father, we thank You for this day which You have provided. Forgive us our sins as we forgive those who sin against us. Provide wisdom and direction for these men and women who serve today. Surround them with support and encouragement as they do that which is right. I pray that they would know which is best in every situation today and in this coming year.

God, bless them in their position as Senators, but bless them also in their responsibilities to their families. Grant them the strength to be the husbands and the wives that they need to be, providing honor and love to their spouses. Grant them the wisdom to be the mothers and fathers, even grandparents, that you desire them to be, raising children of integrity and fortitude. As they sow hard work and service, may they reap blessings and honor, not from people, but from You.

We pray today for the state of Michigan. We pray for the needs of those who live here—needs of health, housing, jobs, food and water, and resources. Help us as a community to work together to make a positive impact on those around us in need. Thank you, God.

We pray this in Jesus' name. Amen.

The President, Lieutenant Governor Calley, led the members of the Senate in recital of the *Pledge of Allegiance*.

**Senate Resolution No. 116**

The motion prevailed, a majority of the members serving voting therefor.

Senator Kowall offered the following resolution:

**Senate Resolution No. 116.**

A resolution to honor the work of PlanetM and recognize January 14-21, 2018, as AutoMobili-D Week at the North American International Auto Show in the state of Michigan.

Whereas, Detroit is a city that rose to greatness on the back of automobile manufacturing, becoming one of the world's great industrial centers and a shining example of American ingenuity and innovation; and

Whereas, Michigan has risen with the fortunes of the automobile industry, shares a vested interest in its vitality, and hopes for continued global leadership; and

Whereas, Maintaining global leadership in the automobile industry will be challenged, both by the transition to a new mobility industry, and by the efforts of other states and nations who desire to supplant Michigan's preeminence; and

Whereas, PlanetM represents a coordinated effort to publicize, promote, and present Michigan's vast private and public assets for leadership in current and future mobility, and also draws upon the collected expertise in private companies, business organizations, higher education and the creativity and energy of individual developers, thinkers, and innovators; and

Whereas, PlanetM will demonstrate the strength of its efforts as the title sponsor of the AutoMobili-D conference held in conjunction with the North American International Auto Show in Detroit from January 14-21, 2018; and

Whereas, The AutoMobili-D conference will feature more than 250 brands in order to provide a true showcase of the automotive ecosystem, from startups to suppliers to automakers showcasing technologies. This conference will focus on key mobility areas including connected vehicle technology, automated driving, e-mobility, mobility services, and smart cities; and

Whereas, A specific highlight of AutoMobili-D will be the partnership with the Michigan Economic Development Corporation's PlanetM program and Techstars Mobility (a mobility-focused accelerator based in Detroit) to curate the roster of participating startups including nearly 60 firms from across the globe with expertise and plans for artificial intelligence, machine learning, autonomous and connected platforms, infrastructure to vehicle communications, and cybersecurity; and

Whereas, AutoMobili-D will build upon the success of its inaugural session in 2017 to provide a valuable and very current supplement to the North American International Auto Show itself; and

Whereas, The North American International Auto Show is already one of the premiere auto shows in the world that draws international attention, millions of visitors from the industry, and the public alike; and

Whereas, The North American International Auto Show also hosts brand-defining global vehicle debuts, providing over \$5 million annually to Detroit-area charities through the Charity Preview and an annual \$450 million economic impact to the southeastern Michigan region due to the tireless and long-standing efforts of the organizers and the Detroit-area auto dealers; and

Whereas, The efforts of PlanetM and the activities of AutoMobili-D will help the North American International Auto Show as well as the automobile and mobility industries reach even higher heights to benefit Michigan's economy and its citizens; now, therefore, be it

Resolved by the Senate, That the members of this legislative body honor the work of PlanetM and recognize January 14-21, 2018, as AutoMobili-D Week at the North American International Auto Show in the state of Michigan; and be it further

Resolved, That copies of this resolution be transmitted to PlanetM, the North American International Auto Show, and the Detroit Auto Dealers Association as a token of our high esteem.

The question being on the adoption of the resolution,

The resolution was adopted.

Senators Brandenburg, Colbeck, Emmons, Hildenbrand, Hood, Horn, Johnson, Jones, Knollenberg, MacGregor, Meekhof, O'Brien, Pavlov, Robertson, Rocca, Schmidt, Schuitmaker, Warren, Bieda, Conyers, Hansen, Hopgood and Zorn were named co-sponsors of the resolution.

Senator Kowall asked and was granted unanimous consent to make a statement and moved that the statement be printed in the Journal.

The motion prevailed.

Senator Kowall's statement is as follows:

This resolution is to honor the work of PlanetM and recognize January 14-21, 2018, as AutoMobili-D Week at the North American International Auto Show. Detroit is a city that rose to greatness on the back of automobile manufacturing, becoming one of the world's great industrial centers and a shining example of American ingenuity and innovation. Michigan has risen with the fortunes of the automotive industry, and shares a vested interest in its vitality and hopes for continued global leadership.

PlanetM represents Michigan's vast private and public assets for leadership in current and future mobility, and also draws upon the collected expertise in private companies, business organizations, higher education, and the creativity and energy of individual developers, thinkers, and innovators.

The AutoMobili-D conference will feature more than 250 brands in order to provide a true showcase of the automotive ecosystem, from startups to suppliers to automakers showcasing technologies. This conference will focus on key mobility areas including connected vehicle technology, automated driving, e-mobility, mobility services, and smart cities.

The North American International Auto Show is already one of the premier auto shows in the world that draws international attention, millions of visitors from the industry, and the public alike. The North American International Auto Show also hosts brand-defining global vehicle debuts, providing over \$5 million annually to the Detroit-area charities through the Charity Preview, and an annual \$450 million economic impact to the Southeastern Michigan region due to the tireless and long-standing efforts of the organizations and the Detroit-area auto dealers. That's the equivalent of having a Super Bowl every year in the city of Detroit.

I would to thank the Detroit auto dealers, MDOT, PlanetM, and MEDC for all their work.
