Rev. Dan Scheid, Rector of St. Paul's Episcopal Church in Flint, offered the following invocation:

“O God, Who created us in Your own image, Who is the fountain of wisdom, Whose will is good, and Whose word is truth:

I give You thanks for the fruits of the earth, the industry of our people, and for the labors of our workers. Make us, I pray, faithful stewards of Your great bounty, for the provision of our necessities and the relief of all who are in need. And grant that every one of us may enjoy a just and fair portion of the riches of this land.

Look with justice, compassion, and mercy upon the people in this state and the community of nations who live with injustice, terror, disease, and death as their constant companions. Have mercy upon us and help us to eliminate our cruelty to these our neighbors.

Strengthen those who spend their lives establishing equal protection of the law and equal opportunities for all. Grant us grace fearlessly to contend against evil and to make no peace with oppression.

Direct, in our time, I pray, members of the press and of the academy, who report and speak where many listen, and write what many read; that they may do their part in making the heart of this people wise, its mind sound, and its will just.

Send down upon those who hold office in our counties, cities, and townships the spirit of wisdom, charity, and justice; that with steadfast purpose they may faithfully serve in their offices to promote the well-being of all people.

I ask You to guide and bless the Legislature, Executive, and Courts of this state of Michigan and of our nation, that they may pass, enforce, and interpret laws that are wise and good, to the glory of Your name and the welfare of Your people.

And Almighty God, Who has promised to hear the petitions of Your people: I ask You in Your mercy to incline Your ear to us who have made our prayers and supplications unto You; and grant that those things which we have faithfully asked according to Your will may be obtained to the relief of our necessity and to show forth Your glory. Amen.”

House Resolution No. 216.

A resolution to urge Major League Baseball to continue its support for minor-league baseball teams.

(For text of resolution, see House Journal No. 4, p. 43.)

With the recommendation that the following substitute (H-1) be adopted and that the resolution then be adopted.

Substitute for House Resolution No. 216.

A resolution to urge Major League Baseball to continue its support for minor-league baseball teams.

Whereas, Major League Baseball is currently considering a plan that would include the elimination of 42 minor-league teams; and

Whereas, Minor-league baseball teams are major economic drivers in their communities, providing jobs and tax revenue while benefiting local business by drawing people into commercial areas. The elimination of these teams would have a pronounced negative effect on local businesses and residents whose jobs depend on gameday activities; and

Whereas, Minor-league baseball teams are a source of community pride and promote local investment and economic development. Some teams have been a part of their communities for decades. These communities have invested in their teams, including in stadium infrastructure projects that will be wasted if local teams lose support; and

Whereas, Minor-league baseball teams provide community benefits beyond economic impact. Minor-league games are affordable family fun that create untold memories while attending games and foster a connection to the national pastime. The elimination of minor-league baseball teams could take these experiences away from families for which Major League Baseball games are either too expensive or too far away; and

Whereas, Failure to reach a new agreement between Major League Baseball (MLB) and Minor League Baseball (MiLB) could lead to the elimination of the affiliations of all minor league teams including Michigan's three minor league teams: the West Michigan WhiteCaps, the Lansing Lugnuts, and the Great Lakes Loons; now, therefore, be it

Resolved by the House of Representatives, That we urge Major League Baseball to continue to negotiate in good faith with Minor League Baseball to reach a solution that achieves Major League Baseball's goals without having to eliminate any minor league affiliations; and be it further

Resolved, That copies of this resolution be transmitted to the Commissioner of Major League Baseball and the President of Minor League Baseball.
