18	GROSS APPROPRIATION	\$	<u>19,164,000</u>
19	Appropriated from:		
20	State general fund/general purpose	\$	19,164,000

PART 2

PROVISIONS CONCERNING APPROPRIATIONS
FOR FISCAL YEAR 2019-2020

GENERAL SECTIONS

Sec. 201. Pursuant to section 30 of article IX of the state constitution of 1963, total state spending from state sources under part 1 for the fiscal year 2019-2020 is \$262,745,700.00 and state spending from state sources to be paid to local units of government

1 for fiscal year 2019-2020 is \$60,025,900.00. The itemized statement
 2 below identifies appropriations from which spending to local units
 3 of government will occur:

4 **DEPARTMENT OF AGRICULTURE AND RURAL DEVELOPMENT:**

5 County fairs, shows, and expositions \$ 1,000,000

6 **CAPITAL OUTLAY**

7 Glen Oaks Community College 100

8 Macomb Community College 100

9 **DEPARTMENT OF ENVIRONMENT, GREAT LAKES, AND ENERGY**

10 Scrap tire grants 3,000,000

11 **DEPARTMENT OF HEALTH AND HUMAN SERVICES**

12 Children's waiver home care program 70,0000

13 Senior community health grant 100,000

14 **DEPARTMENT OF LABOR AND ECONOMIC OPPORTUNITY**

15 Going pro 15,000,000

16 Michigan enhancement grants 21,058,800

17 **DEPARTMENT OF NATURAL RESOURCES**

18 Boat launch/marina grants 30,000

19 **DEPARTMENT OF TREASURY**

20 Financial data analytic tool reimbursement 602,900

21 High water public infrastructure repair 5,000,000

22 Ionia County ice and flood disaster 164,000

23 Presidential primary 14,000,000

24 TOTAL \$ 60,025,900

25 Sec. 202. The appropriations made and expenditures authorized
 26 under this act and the departments, commissions, boards, offices,
 27 and programs for which appropriations are made under this act are
 28 subject to the management and budget act, 1984 PA 431, MCL 18.1101
 29 to 18.1594.

1 Sec. 203. If the state administrative board, acting under
 2 section 3 of 1921 PA 2, MCL 17.3, transfers funds from an amount
 3 appropriated under this act, the legislature may, by a concurrent
 4 resolution adopted by a majority of the members elected to and
 5 serving in each house, inter-transfer funds within this act for the
 6 particular department, board, commission, officer, or institution.

7 Sec. 204. Federal revenues up to \$50,000,000.00 authorized by
 8 and available from the federal government for the respiratory virus
 9 Coronavirus-19 (COVID-19) public health emergency are appropriated
 10 to departments for state and local preparedness and response
 11 activities. Departments receiving federal funds for this purpose
 12 shall report to the senate and house appropriations committees, the
 13 relevant senate and house appropriations subcommittees, the senate
 14 and house fiscal agencies, and the state budget office no later
 15 than June 30, 2020 and September 30, 2020 on the federal funds
 16 received, the types of activities supported with the funds, and the
 17 amount of funds expended to date.

18
 19 **DEPARTMENT OF AGRICULTURE AND RURAL DEVELOPMENT**

20 Sec. 301. (1) The department shall establish and administer a
 21 county fairs, shows, and expositions grant program. The program
 22 shall have the following objectives:

23 (a) Assist in the promotion of building improvements or other
 24 capital improvements at county fairgrounds of this state.

25 (b) Provide financial support, promotion, prizes, and premiums
 26 of equine, livestock, and other agricultural commodity expositions
 27 in this state.

28 (2) The department shall award grants on a competitive basis
 29 to county fairs or other organizations from the funds appropriated

1 in part 1 for county fairs, shows, and expositions grants. Grantees
2 will be required to provide a 50% cash match with grant awards and
3 identify measurable project outcomes. A county fair organization
4 that received a county fair capital improvement grant in the prior
5 fiscal year shall not receive a grant from the appropriation in
6 part 1.

7 (3) From the amount appropriated in part 1 for county fairs,
8 shows, and expositions, up to \$25,000.00 shall be expended for the
9 purpose of financial support, promotion, prizes, and premiums of
10 equine, livestock, and other agricultural commodity expositions in
11 this state, and festivals.

12 (4) All fairs receiving grants under this section shall
13 provide a report to the department on the financial impact
14 resulting from the capital improvement project on both fair and
15 nonfair events. These reports are due for 3 years immediately
16 following the completion of the capital improvement project.

17 (5) The department shall identify criteria, evaluate
18 applications, and provide recommendations to the director for final
19 approval of grant awards.

20 (6) The department may expend money from the funds
21 appropriated in part 1 for the county fairs, shows, and expositions
22 grants for administering the program.

23 (7) The unexpended portion of the county fairs, shows, and
24 expositions grants is considered a work project appropriation in
25 accordance with section 451a of the management and budget act, 1984
26 PA 431, MCL 18.1451a. The following apply to the project:

27 (a) The purpose of the project is to support building
28 improvements or other capital improvements at county fairgrounds of
29 the state.

1 (b) All grants will be distributed in accordance with this
2 section and the grant guidelines published prior to the request for
3 proposals.

4 (c) The estimated cost of the project is identified in the
5 appropriation line item.

6 (d) The tentative completion date for the work project is
7 September 30, 2022.

8 (8) The department shall provide a year-end report on the
9 county fairs, shows, and expositions grants no later than December
10 1, 2020 to the senate and house appropriations subcommittees on
11 agriculture and rural development, the senate and house fiscal
12 agencies, and the state budget office that includes a listing of
13 the grantees, award amounts, match funding, and project outcomes.

14 Sec. 302. From the funds appropriated in part 1 for county
15 fairs, shows, and expositions, \$50,000.00 shall be used to promote
16 festivals and events in this state.

17

18 **ATTORNEY GENERAL**

19 Sec. 351. (1) In addition to the funds appropriated in part 1,
20 there is appropriated up to \$500,000.00 from litigation expense
21 reimbursements awarded to the state.

22 (2) The funds may be expended for the payment of court
23 judgments, settlements, arbitration awards or other administrative
24 and litigation decisions, attorney fees, and litigation costs,
25 assessed against the office of the governor, the department of the
26 attorney general, the governor, or the attorney general when acting
27 in an official capacity as the named party in litigation against
28 the state. The funds may also be expended for the payment of state
29 costs incurred under section 16 of chapter X of the code of

1 criminal procedure, 1927 PA 175, MCL 770.16.

2 (3) Unexpended funds at the end of the fiscal year may be
3 carried forward for expenditure in the following year, up to a
4 maximum authorization of \$250,000.00.

5 Sec. 352. (1) From the funds appropriated in part 1 for clergy
6 abuse investigation, the department shall not expend funds for any
7 purpose other than the following:

8 (a) Victim advocacy services for victims of abuse by members
9 of the clergy identified in the church special investigation.

10 (b) Managing documents related to the church special
11 investigation.

12 (c) Costs associated with internal investigators to complete
13 the special investigation of the clergy of the Catholic church.

14 (2) The unexpended funds appropriated in part 1 for clergy
15 abuse investigation are designated as a work project appropriation,
16 and any unencumbered or unallotted funds shall not lapse at the end
17 of the fiscal year and shall be available for expenditures for
18 projects under this section until the projects have been completed.
19 The following is in compliance with section 451a of the management
20 and budget act, 1984 PA 431, MCL 18.1451a:

21 (a) The purpose of the project is for victim advocacy services
22 for victims of abuse by members of the clergy identified in the
23 church special investigation, managing documents related to the
24 church special investigation, and costs associated with internal
25 investigators completing the special investigation of the clergy of
26 the Catholic church.

27 (b) The project will be accomplished by utilizing state
28 employees or contracts with service providers, or both.

29 (c) The total estimated cost of the project is \$1,000,000.00.

1 (d) The tentative completion date is September 30, 2021.

2

3 **CAPITAL OUTLAY**

4 Sec. 401. For the state building authority financed
5 construction authorizations in part 1, the legislature hereby
6 determines that the leases of the facilities from the authority are
7 for a public purpose as authorized by 1964 PA 183, MCL 830.411 to
8 830.425. The legislature approves and authorizes the leases and
9 conveyances of the property to the state building authority, the
10 state building authority acquiring the facilities and leasing them
11 to the state and the educational institutions, or state, as
12 applicable, and the governor and secretary of state executing the
13 leases for and on behalf of the state pursuant to the requirements
14 of 1964 PA 183, MCL 830.411 to 830.425. Per the requirements of the
15 leases, it is the intent of the legislature to annually appropriate
16 sufficient amounts to pay the rent as obligated pursuant to the
17 leases.

18 Sec. 402. The scope of the North Central Michigan College
19 AD/CL Classroom Renovation and Expanded Learning Space project,
20 initially authorized for construction in 2018 PA 207, and re-
21 authorized in 2018 PA 618, is amended to remove a small addition on
22 the north side of the building and to remove major renovations and
23 space reconfigurations to a portion of the west end of the main
24 level of the building. The total project cost remains \$7,400,000.00
25 (total state building authority share \$3,399,800.00; community
26 college share \$4,000,000.00; state general fund/general purpose
27 share \$200.00).

28 Sec. 403. The scope of Schoolcraft College's Applied Science
29 Renovation and Expansion project, initially authorized for

1 construction in 2018 PA 618, is amended to remove the fitness
2 leadership and massage therapy academic programs and incorporate
3 the surgical technician, radiology technician, ultrasound
4 technician, and sterile processing technician programs. The cost to
5 construct the project is hereby increased to a new total project
6 cost of \$24,286,600.00 (total state building authority share
7 \$9,999,800.00; community college share \$14,286,600.00; state
8 general fund/general purpose share \$200.00).

9 Sec. 404. The cost to construct the Washtenaw Community
10 College Advanced Transportation Center project, initially
11 authorized for construction in 2018 PA 207, is hereby increased by
12 \$2,229,300.00 to a new total project cost of \$7,900,000.00 (total
13 state building authority share \$1,999,800.00; community college
14 share \$5,900,000.00; state general fund/general purpose share
15 \$200.00).

16 Sec. 405. The cost to construct the Lake Superior State
17 University Center for Freshwater Research and Education project,
18 initially authorized for construction in 2018 PA 207, is hereby
19 increased by \$1,000,000.00 to a new total project cost of
20 \$14,200,000.00 (total state building authority share \$8,849,800.00;
21 university share \$5,350,000.00; state general fund/general purpose
22 share \$200.00).

23 Sec. 406. The cost and the scope to construct the Michigan
24 State Capitol Commission - State Capitol Restoration/Infrastructure
25 Upgrade project, initially authorized for construction in 2017 PA
26 107, and reauthorized in 2018 PA 618, is hereby increased by
27 \$5,000,000.00 to a new total project cost of \$115,009,400.00 (state
28 building authority share \$115,009,300.00; state general
29 fund/general purpose share \$100.00). The scope change includes the

1 addition of parking infrastructure to the capitol grounds.

2

3 **DEPARTMENT OF ENVIRONMENT, GREAT LAKES, AND ENERGY**

4 Sec. 451. The unexpended funds appropriated in part 1 for
5 environmental cleanup support are designated as a work project
6 appropriation, and any unencumbered or unallotted funds shall not
7 lapse at the end of the fiscal year and shall be available for
8 expenditures for projects under this section until the projects
9 have been completed. The following is in compliance with section
10 451a of the management and budget act, 1984 PA 431, MCL 18.1451a:

11 (a) The purpose of the project is to provide contaminated site
12 cleanup.

13 (b) The project will be accomplished by utilizing contracts
14 with service providers.

15 (c) The total estimated cost of the project is \$2,000,000.00.

16 (d) The tentative completion date is September 30, 2022.

17 Sec. 452. The unexpended funds appropriated in part 1 for
18 superfund cleanup are designated as a work project appropriation,
19 and any unencumbered or unallotted funds shall not lapse at the end
20 of the fiscal year and shall be available for expenditures for
21 projects under this section until the projects have been completed.
22 The following is in compliance with section 451a of the management
23 and budget act, 1984 PA 431, MCL 18.1451a:

24 (a) The purpose of the project is to provide contaminated site
25 cleanup.

26 (b) The project will be accomplished by utilizing contracts
27 with service providers.

28 (c) The total estimated cost of the project is \$3,000,000.00.

29 (d) The tentative completion date is September 30, 2023.

1 Sec. 453. From the funds appropriated in part 1 for scrap tire
2 grants, the department shall award \$3,000,000.00 for a project
3 based on a previously submitted grant application in a county with
4 a population between 29,000 and 30,000 according to the most recent
5 federal decennial census.

6 Sec. 454. From the funds appropriated in part 1 for EPA
7 containment study, the department shall award \$200,000.00 to a
8 nonprofit air quality research and planning organization to conduct
9 studies on speciated, high-temporal resolution volatile organic
10 compound measurements and high-resolution meteorological model
11 simulation with the weather research forecasting model.

12 Sec. 455. (1) From the funds appropriated in part 1 for
13 Michigan geological survey, the department shall award \$500,000.00
14 for the Michigan geological survey.

15 (2) The unexpended funds appropriated in part 1 for Michigan
16 geological survey are designated as a work project appropriation,
17 and any unencumbered or unallotted funds shall not lapse at the end
18 of the fiscal year and shall be available for expenditures for
19 projects under this section until the projects have been completed.
20 The following is in compliance with section 451a of the management
21 and budget act, 1984 PA 431, MCL 18.1451a:

22 (a) The purpose of the project is to provide funding for the
23 facilitation of basic and applied geological research of Michigan's
24 geological resources.

25 (b) The project will be accomplished through funding to a 4-
26 year state university for the operation and maintenance of the
27 survey.

28 (c) The total estimated cost of the work project is
29 \$500,000.00.

1 (d) The tentative completion date is September 30, 2022.

2 Sec. 456. (1) From the funds appropriated in part 1 for
3 multistate aquifer study, the department, in coordination with the
4 United States Geological Survey, shall award an amount not to
5 exceed \$500,000.00 to support a study, including the acquisition of
6 necessary equipment, to determine an estimated storage capacity and
7 maximum yield of the Michindoh Aquifer.

8 (2) The unexpended funds appropriated in part 1 multistate
9 aquifer study are designated as a work project appropriation, and
10 any unencumbered or unallotted funds shall not lapse at the end of
11 the fiscal year and shall be available for expenditures for
12 projects under this section until the projects have been completed.
13 The following is in compliance with section 451a of the management
14 and budget act, 1984 PA 431, MCL 18.1451a:

15 (a) The purpose of the project is to provide funding to
16 support a study on estimated storage capacity and maximum yield of
17 the Michindoh Aquifer.

18 (b) The project will be accomplished by utilizing contracts
19 with service providers.

20 (c) The total estimated cost of the work project is
21 \$500,000.00.

22 (d) The tentative completion date is September 30, 2022.

23

24 **DEPARTMENT OF HEALTH AND HUMAN SERVICES**

25 Sec. 501. From the funds appropriated in part 1 for child
26 advocacy centers, \$1,000,000.00 shall be allocated to support
27 general operations of child advocacy centers. The purpose of this
28 additional funding is to increase the amount of services provided
29 to children and their families who are victims of abuse over the

1 amount provided in the previous fiscal year. None of the additional
2 funding directed in this section shall be used for purposes other
3 than those described under section 4 of the children's advocacy
4 center act, 2008 PA 544, MCL 722.1044.

5 Sec. 502. (1) From the funds appropriated in part 1 for school
6 success partnership program, the department shall allocate
7 \$250,000.00 to support the Northeast Michigan Community Service
8 Agency programming. The department shall require the following
9 performance objectives be measured and reported for the duration of
10 the state funding for the school success partnership program:

11 (a) Increasing school attendance and decreasing chronic
12 absenteeism.

13 (b) Increasing academic performance based on grades with
14 emphasis on math and reading.

15 (c) Identifying barriers to attendance and success and
16 connecting families with resources to reduce these barriers.

17 (d) Increasing parent involvement with the child's school and
18 community.

19 (2) By July 15 of the current fiscal year, the Northeast
20 Michigan Community Service Agency shall provide reports to the
21 department on the number of children and families served and the
22 services that were provided to families to meet the performance
23 objectives identified in this section. The department shall
24 distribute the reports within 1 week after receipt to the senate
25 and house appropriations subcommittees on the department budget,
26 the senate and house fiscal agencies, the senate and house policy
27 offices, and the state budget office.

28 Sec. 503. (1) From the funds appropriated in part 1 for
29 adoption support services, the department shall allocate

1 \$250,000.00 to the Adoptive Family Support Network to operate and
2 expand its adoptive parent mentor program to provide a listening
3 ear, knowledgeable guidance, and community connections to adoptive
4 parents and children who were adopted in this state or another
5 state.

6 (2) The Adoptive Family Support Network shall submit to the
7 senate and house appropriations subcommittees on the department
8 budget, the senate and house fiscal agencies, the senate and house
9 policy offices, and the state budget office by August 1 of the
10 current fiscal year a report on the program described in subsection
11 (1), including, but not limited to, the number of cases served and
12 the number of cases in which the program prevented an out-of-home
13 placement.

14 Sec. 504. From the funds appropriated in part 1 for adoption
15 support services, the department shall allocate \$700,000.00 of
16 state general fund/general purpose and any eligible federal
17 matching funds to increase rates paid to adoption service providers
18 by up to 6.5% for adoption placement, adoption finalization, and
19 adoption permanency in all rate categories.

20 Sec. 505. (1) From the funds appropriated in part 1 for injury
21 control intervention project, \$1,500,000.00 shall be allocated for
22 implementation of evidence-based, real-time, quality assurance
23 decision support software in the treatment of traumatic brain
24 injury and for protocols that are to be available to all hospitals
25 providing those trauma services. The funds shall be used to
26 purchase statewide licenses for traumatic brain injury treatment
27 software and related software services and to offset hospital
28 software integration costs. The department shall seek federal
29 matching funds that may be available for implementation of this

1 section.

2 (2) By August 1 of the current fiscal year, the department
3 shall report to the senate and house appropriations subcommittees
4 on the department budget, the senate and house fiscal agencies, the
5 senate and house policy offices, and the state budget office on
6 both of the following:

7 (a) Expenditures broken down by purpose of expenditure.

8 (b) Expenditures broken down by hospital.

9 Sec. 506. (1) From the funds appropriated in part 1 for
10 medical services administration, the department shall allocate
11 \$200,000.00 of general fund/general purpose revenue and any
12 associated federal match toward the existing cloud-based analytics
13 platform for Medicaid claims to focus on behavioral health
14 services. The vendor shall identify areas of best practice, cost
15 reduction, opportunities for quality improvement, and comparative
16 cost analysis among providers, hospitals, and managed care
17 organizations. Through the existing platform, the vendor shall
18 facilitate specific analysis of the unique behavioral health cohort
19 of patients that compares specific episodic metrics combined with
20 substance use disorder data for the same time period. The data
21 analysis shall include the ability to adjust for variations in
22 patient risk and acuity differences when comparing performance
23 across regions and hospitals. Specific analytics for this cohort
24 shall provide data analysis on, but not be limited to, the
25 following:

26 (a) Readmission rates.

27 (b) Mortality rates and complication rates.

28 (c) Total episode costs, including pre- and post-discharge
29 costs, across high-volume episodes of care.

1 (2) Within 30 days after the end of the previous fiscal
2 quarter, the department shall make available state medical
3 assistance program claims data from the previous quarter, without
4 charge, to the vendor in subsection (1).

5 Sec. 507. From the funds appropriated in part 1, the
6 department shall provide a 15% rate increase beginning April 1 of
7 the current fiscal year for private duty nursing services for
8 Medicaid beneficiaries under the age of 21. These additional funds
9 must be used to attract and retain highly qualified registered
10 nurses and licensed practical nurses to provide private duty
11 nursing services so that medically frail children can be cared for
12 in the most homelike setting possible.

13 Sec. 508. From the funds appropriated in part 1 for hospital
14 services and therapy, \$13,904,800.00 in general fund/general
15 purpose revenue and any associated federal match shall be awarded
16 as rural access payments to noncritical access hospitals that meet
17 criteria established by the department for services to low-income
18 rural residents. One of the reimbursement components of the
19 distribution formula shall be assistance with labor and delivery
20 services. The department shall ensure that the rural access
21 payments described in this section shall be distributed in a manner
22 that ensures both of the following:

23 (a) No hospital shall receive more than 10% of the total rural
24 access funding referenced in this section.

25 (b) To allow hospitals to understand their rural payment
26 amounts under this section, the department shall provide hospitals
27 with the methodology for distribution under this section and
28 provide each hospital with its applicable data that are used to
29 determine the payment amounts by August 1 of the current fiscal

1 year. The department shall publish the distribution of payments for
2 the current fiscal year and the immediately preceding fiscal year.

3 Sec. 509. (1) From the funds appropriated in part 1 for
4 comprehensive child welfare information system, the department
5 shall implement an agile software development plan that is funded
6 with a time and materials contract.

7 (2) The state shall be the owner of this software or it shall
8 be committed to the public domain.

9 (3) The department shall choose a product owner that will
10 implement a user-centered design that includes user stories into
11 the development of the comprehensive child welfare information
12 system. The product owner shall be an employee of the department
13 who has child welfare specific work experience.

14 (4) At the commencement of the project, the department shall
15 report to the house and senate appropriations subcommittees on the
16 department budget, the house and senate fiscal agencies, and the
17 state budget office on the individual who has been chosen as the
18 product owner.

19 (5) The department shall provide in-person updates every other
20 month and provide written reports in the off months. Updates and
21 reports shall be provided to the house and senate appropriations
22 subcommittees on the department budget, the house and senate fiscal
23 agencies, and the state budget office on the status of the work
24 completed to date. The reporting shall include demonstrations of
25 the completed work, also known as a sprint period. During these
26 demonstrations, the department shall provide a quality assessment
27 surveillance plan as shown in appendix B of "De-risking custom
28 technology projects" from the United States General Services
29 Administration. At each demonstration, the department shall

1 validate which user stories have been included into the software
2 development and the remaining user stories that will be included
3 into the product.

4 (6) As used in this section:

5 (a) "Agile software development" means the use of development
6 methodologies using iterative development with work completed by
7 cross-functional teams of software development.

8 (b) "Product owner" means a department employee who
9 iteratively prioritizes and defines the work for the product team,
10 works with users, stakeholders, technologists, and the software
11 vendor to envision the direction for the product, and ensures that
12 value is being delivered to end users as quickly as possible.

13 (c) "User centered design" means software development that
14 places the highest priority on the needs of the specific people who
15 are expected to use the software.

16 (d) "User stories" means a task that the agile software
17 development team will focus on over a given 2-week development
18 period and includes clearly labeled progress towards meeting the
19 needs of the end users.

20 Sec. 510. (1) From the funds appropriated in part 1 for
21 federally qualified health center transition, the department shall
22 allocate up to \$2,000,000.00 to a federally qualified health center
23 in a county with a population between 172,000 and 173,000 in the
24 most recent federal decennial census. These funds are intended to
25 ensure continued access to needed health services for patients
26 previously served through Muskegon Family Care.

27 (2) The funds appropriated in this section shall only be
28 provided when federal United States Department of Health and Human
29 Services Health Resources and Services Administration funding

1 allocated to support transition costs is fully expended.

2 Sec. 511. (1) From the funds appropriated in part 1 for human
3 trafficking survivors' assistance, the department shall allocate
4 \$500,000.00 of Michigan merit award trust fund to support a long-
5 term women's shelter in southeastern Michigan for women aged 18 and
6 older who are survivors of human trafficking that offers housing
7 and comprehensive services to address the physical, psychological,
8 and spiritual aspects of recovery through a voluntary 2-year
9 program. Services provided by the shelter include counseling and
10 therapy for both trauma and addiction, medical and dental
11 evaluations and services, job training, GED or high school
12 completion programs or college, skilled trade training, computer
13 skills training, job placement counseling, legal assistance, health
14 and wellness consulting, addiction recovery meetings, and
15 opportunities for spiritual growth.

16 (2) From the funds appropriated in part 1 for human
17 trafficking survivors' assistance, the department shall allocate
18 \$500,000.00 of Michigan merit award trust fund to support a long-
19 term women's shelter in a city with a population between 188,000
20 and 189,000 according to the most recent federal decennial census.
21 The shelter shall offer housing and comprehensive services to women
22 who are survivors of human trafficking.

23 Sec. 512. From the funds appropriated in part 1 for runaway
24 and homeless youth services program, the department shall allocate
25 \$800,000.00 to support runaway and homeless youth services
26 programs. The purpose of the additional funding is to support
27 current programs for contracted providers that provide emergency
28 shelter and services to homeless and runaway youth.

29 Sec. 513. From the funds appropriated in part 1 for senior

1 community health grant, \$100,000.00 shall be allocated for a grant
2 for senior community health improvement programming and
3 infrastructure needs projects to a community located in a county
4 with a population greater than 1,800,000 and in a city with a
5 population of between 96,900 and 97,000 according to the most
6 recent federal decennial census.

7 Sec. 514. From the funds appropriated in part 1 for substance
8 abuse community and school outreach, the department shall allocate
9 \$100,000.00 to a coalition located in a county with a population of
10 at least 1,500,000 according to the most recent federal decennial
11 census with an aim to lead and support communities to dispel the
12 myths and stigmas about drug addiction through public education,
13 sharing stories of recovery, partnering with local and state
14 leaders, creating positive social changes, and providing recovery
15 support services for those in need.

16 Sec. 515. (1) From the funds appropriated in part 1 for
17 unified clinics resiliency center for families and children, the
18 department shall allocate \$1,375,000.00 to a 4-year state
19 university located in a county with a population between 250,000
20 and 251,000 according to the most recent federal decennial census
21 to be used to develop and operate a resiliency center for families
22 and children to address the multifaceted needs of those
23 experiencing trauma, toxic stress, chronic disability,
24 neurodevelopmental disorders, or addictions.

25 (2) Outcomes and performance measures for the resiliency
26 center funded under this section shall include, but not be limited
27 to, the following:

28 (a) The number of children and families who received services
29 from the center.

1 (b) The types of screening offered by the center and the
2 number of clients that received each screening type.

3 (c) The number of trauma assessments completed through the
4 center's programs and the average cost of a trauma assessment for
5 each type of client, including children, adults, and families.

6 (d) The types of services offered by the center and the number
7 of clients that received each service type.

8 (e) The number of referrals for services made to children and
9 families.

10 (f) A breakdown of the expenditures made for the development
11 of the resiliency center for families and children by major
12 category.

13 (3) By August 1 of the current fiscal year, the resiliency
14 center for families and children shall report to the house and
15 senate appropriations subcommittees on the department budget, the
16 house and senate fiscal agencies, the house and senate policy
17 offices, and the state budget office on the status of the
18 development of the resiliency center funded under this section and
19 on the information required in subsection (2).

20 (4) The unexpended portion of funds appropriated in part 1 for
21 unified clinics resiliency center for families and children is
22 designated as a work project appropriation. Any unencumbered or
23 unallotted funds shall not lapse at the end of the fiscal year and
24 shall be available for expenditure for the project under this
25 section until the project has been completed. The following is in
26 compliance with section 451a(1) of the management and budget act,
27 1984 PA 431, MCL 18.1451a:

28 (a) The purpose of the work project is to provide funding for
29 the operation and maintenance of a unified clinics resiliency

1 center for families and children as provided by this section.

2 (b) The project will be accomplished through funding to a 4-
3 year state university for the operation and maintenance of the
4 center.

5 (c) The total estimated cost of the work project is
6 \$1,375,000.00 of general fund/general purpose revenue.

7 (d) The estimated completion date is September 30, 2022.

8 (5) It is the intent of the legislature that this is the first
9 year out of 3 years that funding is to be provided by the
10 legislature for the unified clinics resiliency center for families
11 and children described in this section, and that in each of the 2
12 following years, \$750,000.00 be provided by the legislature.

13
14 **DEPARTMENT OF LABOR AND ECONOMIC OPPORTUNITY**

15 Sec. 551. From the funds appropriated in part 1 for business
16 attraction and community revitalization, \$500,000.00 shall be used
17 to support economic development in the Michigan defense industry
18 through a Michigan Economic Development Corporation-affiliated
19 entity located in a county with a population of between 840,000 and
20 842,000 according to the most recent federal decennial census.

21 Sec. 552. (1) From the funds appropriated in part 1 for Going
22 pro, \$375,000.00 must be awarded for a program to assist adults
23 over the age of 23 in obtaining high school diplomas and placement
24 in career training programs.

25 (2) For purposes of this section, an eligible program provider
26 may be a public, nonprofit, or private accredited diploma-granting
27 institution, but must have at least 2 years of experience providing
28 dropout recovery services in the state of Michigan.

29 (3) The department shall issue a request for qualifications

1 for eligible program providers to participate in the pilot program.
2 To be considered a qualified program provider, the institution must
3 possess all of the following:

- 4 (a) Experience providing dropout reengagement services.
- 5 (b) Ability to provide academic intake assessments.
- 6 (c) Capacity to provide an integrated learning plan.
- 7 (d) Course catalog that includes access to all graduation
8 requirements.
- 9 (e) Capability to provide remediation coursework.
- 10 (f) Means to provide academic resilience assessment and
11 intervention.
- 12 (g) Capacity to provide employability skills development.
- 13 (h) Ability to provide WorkKeys preparation.
- 14 (i) Ability to provide industry credentials.
- 15 (j) Capability to provide credit for on-the-job training.
- 16 (k) Access to a robust support framework, including
17 technology, social support, and academic support accredited by a
18 recognizing accrediting body.

19 (4) The department shall announce qualified program providers
20 no later than May 1. Qualified program providers must start
21 providing programming by June 1.

22 (5) The department shall reimburse qualified program providers
23 for each month of satisfactory monthly progress as described in
24 section 23a of the state school aid act of 1979, 1979 PA 94, MCL
25 388.1623a, at a rate of \$500.00 per month. A payment shall be made
26 to a qualified program provider for the completion of the following
27 by a pupil:

- 28 (a) \$500.00 for the completion of an employability skills
29 certification program equal to at least 1 unit of high school

1 credit obtained through classroom or online instruction.

2 (b) \$250.00 for the attainment of an industry-recognized
3 credential requiring up to 50 hours of training.

4 (c) \$500.00 for the attainment of an industry-recognized
5 credential requiring 50 to 100 hours of training.

6 (d) \$750.00 for the attainment of an industry-recognized
7 credential requiring more than 100 hours of training.

8 (e) \$1,000.00 for the attainment of a high school diploma.

9 (f) \$2,500.00 for placement in a job in an in-demand career
10 pathway.

11 (6) The department shall develop policies and guidelines to
12 implement this section.

13 Sec. 553. As a condition of receiving funds appropriated in
14 part 1 for Going pro, the department shall provide a report on
15 Going pro expenditures, by program or grant type, for the prior
16 fiscal year. In addition, the report shall include projected
17 expenditures, by program or grant type, for the current fiscal
18 year. The report shall be posted online and distributed to the
19 chairpersons of the senate and house of representatives standing
20 committees on appropriations, the chairpersons of the relevant
21 senate and house of representatives appropriations subcommittees,
22 the senate and house fiscal agencies, and the state budget director
23 by September 30.

24 Sec. 554. The department shall publish data and reports on May
25 15 and September 30 on the agency website concerning the status of
26 career technology and Going pro funded in part 1. The report shall
27 include the following:

28 (a) The number of awardees participating in the program and
29 the names of those awardees organized by major industry group.

1 (b) The amount of funding received by each awardee under the
2 program.

3 (c) The amount of funding leveraged from each awardee.

4 (d) Training models established by each awardee.

5 (e) The number of individuals enrolled in classroom training,
6 on-the-job training, or new USDOL registered apprentices.

7 (f) The number of individuals who completed the program and
8 were hired by awardee.

9 (g) The number of applications received and the number of
10 grants awarded for each region.

11 (h) The department shall expand workforce training and
12 reemployment services to better connect workers to in-demand jobs
13 and identify specific outcomes with performance metrics for this
14 initiative, including, but not limited to, new apprenticeships,
15 individuals to be hired and trained, current employees trained,
16 training completed, and employment retention rate at 6 months, and
17 hourly wage at 6 months.

18 Sec. 555. As a condition of receiving funds in part 1 for
19 Going pro, the department shall administer the program as follows:

20 (a) The department shall work cooperatively with grantees to
21 maximize the amount of funds from part 1 that are available for
22 direct training.

23 (b) The department, workforce development partners, including
24 regional Michigan Works! agencies, and employers shall collaborate
25 and work cooperatively to prioritize and streamline the expenditure
26 of the funds appropriated in part 1. The department shall ensure
27 that Going pro provides a collaborative statewide network of
28 workforce and employee skill development partners that addresses
29 the employee talent needs throughout the state.

1 (c) The department shall ensure that grants are utilized for
2 individual skill enhancement and to address in-demand talent needs
3 in Michigan.

4 (d) The department shall develop program goals and detailed
5 guidance for prospective participants to follow to qualify under
6 the program. The program goals and detailed guidance shall be
7 posted on the department website and distributed to workforce
8 development partners, including local Michigan Works! agencies, by
9 April 1. Periodic assessments of employer and employee needs shall
10 be evaluated on a regional basis, and the department shall identify
11 solutions and goals to be implemented to satisfy those needs. The
12 department shall notify the senate and house of representatives
13 standing committees on appropriations, the relevant senate and
14 house of representatives appropriations subcommittees, the senate
15 and house fiscal agencies, and the state budget director on any
16 program goal, solution, or guidance changes not fewer than 14 days
17 prior to the finalization and publication of the changes. Revenue
18 received by the department for Going pro may be expended for the
19 purpose of those programs.

20 (e) Up to \$5,000,000.00 of the funds may be expended to match
21 federal funds. The intent of these funds will involve improving and
22 increasing the skill level of employees in skilled trades in the
23 automotive industry and the manufacturing processes within the
24 changing manufacturing environment.

25 Sec. 556. From the appropriation in part 1 for Going pro,
26 funds may be deposited into the Going pro talent fund created under
27 section 5 of the Going pro talent fund act, 2018 PA 260, MCL
28 408.155. All funds in the Going pro talent fund are appropriated
29 and available for expenditure to support the Going pro talent

1 program pursuant to sections 7 and 9 of the Going pro talent fund
2 act, 2018 PA 260, MCL 408.157 to 408.159.

3 Sec. 557. In addition to the appropriations in part 1, Travel
4 Michigan may receive and expend private revenue related to the use
5 of "Pure Michigan" and all other copyrighted slogans and images.
6 This revenue may come from the direct licensing of the name and
7 image or from the royalty payments from various merchandise sales.
8 Revenue collected is appropriated for the marketing of the state as
9 a travel destination. The funds are available for expenditure when
10 they are received by the department of treasury. If the fund
11 receives revenues from the use of "Pure Michigan", the fund shall
12 provide a report that lists the revenues by source received from
13 the use of "Pure Michigan" and all other copyrighted slogans and
14 images. The report shall provide a detailed list of expenditures of
15 revenues received under this section. The report shall be provided
16 to the chairpersons of the senate and house of representatives
17 standing committees on appropriations, the relevant senate and
18 house of representatives appropriations subcommittees, the house
19 and senate fiscal agencies, and the state budget director by March
20 1.

21 Sec. 558. (1) From the funds appropriated in part 1 for the
22 electronic recording commission, the commission shall expend up to
23 \$200,000.00 annually this fiscal year and in the 2 subsequent
24 fiscal years for grants to counties to facilitate or upgrade real
25 property e-recording capabilities. These grants shall be
26 distributed to counties following application to and approval by
27 the commission. The grants shall not exceed \$12,000.00 per request
28 and must be used to invest in or upgrade software necessary for the
29 electronic recording of real property documents.

1 (2) The commission shall determine an appropriate percentage
2 of total funds to be reserved for newly participating counties and
3 counties which will expend the funds to upgrade the designated
4 software. The commission may require a 10% match in funds from each
5 county to which funds are awarded.

6 (3) Unexpended grant funds appropriated in part 1 for the
7 electronic recording commission are designated as a work project
8 appropriation, and any unencumbered or unallotted funds shall not
9 lapse at the end of the fiscal year and shall be available for
10 expenditures for grants under this section until the grant program
11 is completed.

12 Sec. 559. (1) From the funds appropriated in part 1 for
13 Michigan enhancement grants, \$971,000.00 shall be awarded for a
14 retirement funding shortfall at an association established to
15 provide services and support to Michigan's workforce development
16 system located in a county with a population of between 16,000 and
17 17,000 according to the most recent federal decennial census.

18 (2) From the funds appropriated in part 1 for Michigan
19 enhancement grants, \$200,000.00 shall be awarded for a library
20 project located in a county with a population of between 32,700 and
21 32,800 and in a city with a population of between 1,200 and 1,300
22 according to the most recent federal decennial census.

23 (3) From the funds appropriated in part 1 for Michigan
24 enhancement grants, \$1,000,000.00 shall be awarded for an auto show
25 located in a city with a population of greater than 600,000
26 according to the most recent federal decennial census.

27 (4) From the funds appropriated in part 1 for Michigan
28 enhancement grants, \$500,000.00 shall be awarded to a city with a
29 population of greater than 80,000 located in a county with a

1 population of between 280,800 and 280,900 according to the most
2 recent federal decennial census for security camera upgrades around
3 the Michigan Capitol Building.

4 (5) From the funds appropriated in part 1 for Michigan
5 enhancement grants, \$500,000.00 shall be awarded to a city with a
6 population of greater than 80,000 located in a county with a
7 population of between 280,800 and 280,900 according to the most
8 recent federal decennial census for expenses associated with large
9 special events that occur at the Michigan Capitol Building.

10 (6) From the funds appropriated in part 1 for Michigan
11 enhancement grants, \$150,000.00 shall be awarded for lane upgrades
12 associated with a new dairy processing operation located in a
13 county with a population of between 75,300 and 75,400 and in a city
14 with a population of between 7,800 and 7,900 according to the most
15 recent federal decennial census.

16 (7) From the funds appropriated in part 1 for Michigan
17 enhancement grants, \$250,000.00 shall be awarded for a roundabout
18 intersection study located in a county with a population of between
19 1,200,000 and 1,205,000 and in a charter township with a population
20 of between 40,000 and 41,000 according to the most recent federal
21 decennial census.

22 (8) From the funds appropriated in part 1 for Michigan
23 enhancement grants, \$1,500,000.00 shall be awarded to a road
24 commission for a road resurfacing and rehabilitation project
25 located in a county with a population of between 70,300 and 70,400
26 according to the most recent federal decennial census.

27 (9) From the funds appropriated in part 1 for Michigan
28 enhancement grants, \$50,000.00 shall be awarded to a residential
29 community center located in a county with a population of between

1 344,000 and 345,000 and in a township with a population of between
2 2,800 and 2,900 according to the most recent federal decennial
3 census.

4 (10) From the funds appropriated in part 1 for Michigan
5 enhancement grants, \$1,000,000.00 shall be awarded for a human and
6 social services organization providing assistance to the
7 disadvantaged, hardship cases, and newcomer populations located in
8 a county with a population of between 840,900 and 841,000 and in a
9 city with a population of between 129,600 and 129,800 according to
10 the most recent federal decennial census.

11 (11) From the funds appropriated in part 1 for Michigan
12 enhancement grants, \$250,000.00 shall be awarded to a center for
13 the arts located in a county with a population of between 32,600
14 and 32,700 and in a city with a population of between 5,600 and
15 5,700 according to the most recent federal decennial census to
16 support access for local schools for educational opportunities at
17 the facility.

18 (12) From the funds appropriated in part 1 for Michigan
19 enhancement grants, \$450,000.00 shall be awarded for a water
20 treatment plant project located in a county with a population of
21 between 250,300 and 250,400 and in a city with a population of
22 between 1,800 and 1,900 according to the most recent federal
23 decennial census.

24 (13) From the funds appropriated in part 1 for Michigan
25 enhancement grants, \$200,000.00 shall be awarded to a township with
26 a population of between 4,700 and 4,800 located in a county with a
27 population of between 160,200 and 160,300 according to the most
28 recent federal decennial census for the purchase of a fire truck.

29 (14) From the funds appropriated in part 1 for Michigan

1 enhancement grants, \$25,000.00 shall be awarded for a nonmotorized
2 path and bathrooms at a park located in a county with a population
3 of greater than 1,800,000 and in a city with a population of
4 between 3,200 and 3,300 according to the most recent federal
5 decennial census.

6 (15) From the funds appropriated in part 1 for Michigan
7 enhancement grants, \$150,000.00 shall be awarded to a not-for-
8 profit camp owned and maintained by an intermediate school district
9 that is located in a county with a population of between 152,000
10 and 152,100 according to the most recent federal decennial census.

11 (16) From the funds appropriated in part 1 for Michigan
12 enhancement grants, \$2,000,000.00 shall be awarded for a nature
13 center associated with the Detroit Zoo located in a county with a
14 population of between 840,900 and 841,000 according to the most
15 recent federal decennial census.

16 (17) From the funds appropriated in part 1 for Michigan
17 enhancement grants, \$1,000,000.00 shall be awarded to a private,
18 not-for-profit provider of children and family welfare services and
19 behavioral health care services with more than 15 centers
20 throughout the state.

21 (18) From the funds appropriated in part 1 for Michigan
22 enhancement grants, \$7,500.00 shall be awarded for STEM equipment
23 purchases for a school district with a district headquarters
24 located in a county with a population of between 1,200,000 and
25 1,203,000 and in a city with a population of between 6,900 and
26 7,100 according to the most recent federal decennial census.

27 (19) From the funds appropriated in part 1 for Michigan
28 enhancement grants, \$750,000.00 shall be awarded to a foundation
29 that develops the leadership of youth and young adults by engaging

1 them in community service located in a county with a population of
2 greater than 1,800,000 and in a city with a population of between
3 57,000 and 58,000 according to the most recent federal decennial
4 census.

5 (20) From the funds appropriated in part 1 for Michigan
6 enhancement grants, \$500,000.00 shall be awarded to a symphony
7 orchestra for building elevator repairs located in a city with a
8 population of greater than 600,000 according to the most recent
9 federal decennial census.

10 (21) From the funds appropriated in part 1 for Michigan
11 enhancement grants, \$500,000.00 shall be awarded for early
12 childhood education programs at a public television station with a
13 broadcast center located in a county with a population of between
14 1,200,000 and 1,203,000 and in a city with a population of between
15 13,000 and 14,000 according to the most recent federal decennial
16 census.

17 (22) From the funds appropriated in part 1 for Michigan
18 enhancement grants, \$1,000,000.00 shall be awarded for a bridge
19 project located in a county with a population of between 263,000
20 and 264,000 and in a city with a population of between 2,800 and
21 2,900 according to the most recent federal decennial census.

22 (23) From the funds appropriated in part 1 for Michigan
23 enhancement grants, \$100,000.00 shall be awarded for a specialized
24 substance use disorder detoxification pilot project administered by
25 a community-based organization within a county with a population of
26 between 340,000 and 350,000 according to the most recent federal
27 decennial census. The community-based organization must partner
28 with the local legal community, public safety, schools, and
29 legislators to educate and raise awareness for opioid addiction.

1 (24) From the funds appropriated in part 1 for Michigan
2 enhancement grants, \$100,000.00 shall be awarded for a youth
3 wrestling program located in a city with a population of greater
4 than 600,000 according to the most recent federal decennial census.

5 (25) From the funds appropriated in part 1 for Michigan
6 enhancement grants, \$50,000.00 shall be awarded for a cultural
7 center located in a county with a population of between 11,100 and
8 11,200 and in a city with a population of between 2,400 and 2,500
9 according to the most recent federal decennial census.

10 (26) From the funds appropriated in part 1 for Michigan
11 enhancement grants, \$100,000.00 shall be awarded for a youth sex
12 offender diversion program located in a county with a population of
13 between 600,000 and 603,000 according to the most recent federal
14 decennial census.

15 (27) From the funds appropriated in part 1 for Michigan
16 enhancement grants, \$500,000.00 shall be awarded to a charter
17 township with a population of between 32,400 and 32,500 located in
18 a county with a population of between 107,700 and 107,800 according
19 to the most recent federal decennial census for the purchase of a
20 fire engine.

21 (28) From the funds appropriated in part 1 for Michigan
22 enhancement grants, \$100,000.00 shall be awarded to a downtown
23 development authority located in a county with a population of
24 between 1,200,000 and 1,203,000 and in a city with a population of
25 between 11,800 and 11,900 according to the most recent federal
26 decennial census.

27 (29) From the funds appropriated in part 1 for Michigan
28 enhancement grants, \$1,800,000.00 shall be awarded for the planning
29 and design phase of a road project located in a county with a

1 population of between 250,000 and 250,500 according to the most
2 recent federal decennial census.

3 (30) From the funds appropriated in part 1 for Michigan
4 enhancement grants, \$120,000.00 shall be awarded for prosecutorial
5 services to reduce specialty court caseloads located in a county
6 with a population of between 172,100 and 172,200 according to the
7 most recent federal decennial census.

8 (31) From the funds appropriated in part 1 for Michigan
9 enhancement grants, \$100,000.00 shall be awarded for walking and
10 bike path expansions and street light installation located in a
11 county with a population of between 1,200,000 and 1,203,000 and in
12 a city with a population of between 4,000 and 4,100 according to
13 the most recent federal decennial census.

14 (32) From the funds appropriated in part 1 for Michigan
15 enhancement grants, \$500,000.00 shall be awarded for a sound wall
16 project located in a county with a population of greater than
17 1,800,000 and in a city with a population of between 30,000 and
18 30,100 according to the most recent federal decennial census.

19 (33) From the funds appropriated in part 1 for Michigan
20 enhancement grants, \$200,000.00 shall be awarded to a talent
21 development coalition located in a county with a population of
22 between 1,200,000 and 1,203,000 according to the most recent
23 federal decennial census.

24 (34) From the funds appropriated in part 1 for Michigan
25 enhancement grants, \$500,000.00 shall be awarded for a park
26 development initiative located in a county with a population of
27 greater than 1,800,000 and in a city with a population of between
28 4,600 and 4,700 according to the most recent federal decennial
29 census.

1 (35) From the funds appropriated in part 1 for Michigan
2 enhancement grants, \$250,000.00 shall be awarded for cultural
3 center upgrades located in a county with a population of greater
4 than 1,800,000 and in a city with a population of between 9,100 and
5 9,200 according to the most recent federal decennial census.

6 (36) From the funds appropriated in part 1 for Michigan
7 enhancement grants, \$85,000.00 shall be awarded for renovations at
8 a historic mansion located in a county with a population of between
9 1,200,000 and 1,203,000 and in a city with a population of between
10 10,300 and 10,400 according to the most recent federal decennial
11 census.

12 (37) From the funds appropriated in part 1 for Michigan
13 enhancement grants, \$225,000.00 shall be awarded to a nonpartisan,
14 not-for-profit civic education organization located in a county
15 with a population of between 280,800 and 281,000 and in a city with
16 a population of greater than 80,000 according to the most recent
17 federal decennial census.

18 (38) From the funds appropriated in part 1 for Michigan
19 enhancement grants, \$300,000.00 shall be awarded to a foundation
20 for an early childhood center expansion located in a county with a
21 population of between 344,000 and 345,000 and in a city with a
22 population of between 19,400 and 19,500 according to the most
23 recent federal decennial census.

24 (39) From the funds appropriated in part 1 for Michigan
25 enhancement grants, \$250,000.00 shall be awarded for a greenspace
26 initiative located in a county with a population of between 840,000
27 and 841,000 and in a city with a population of between 129,000 and
28 130,000 according to the most recent federal decennial census.

29 (40) From the funds appropriated in part 1 for Michigan

1 enhancement grants, \$250,000.00 shall be awarded to a children's
2 center located in a city with a population of greater than 600,000
3 according to the most recent federal decennial census for
4 behavioral health programs and outreach.

5 (41) From the funds appropriated in part 1 for Michigan
6 enhancement grants, \$175,000.00 shall be awarded for a neighborhood
7 greenspace initiative located in a city with a population of
8 greater than 600,000 according to the most recent federal decennial
9 census.

10 (42) From the funds appropriated in part 1 for Michigan
11 enhancement grants, \$200,000.00 shall be awarded to a naval museum
12 located in a county with a population of between 107,000 and
13 108,000 according to the most recent federal decennial census for
14 infrastructure upgrades.

15 (43) From the funds appropriated in part 1 for Michigan
16 enhancement grants, \$120,000.00 shall be awarded for park
17 infrastructure upgrades located in a county with a population of
18 between 280,800 and 281,000 and in a city with a population of
19 between 46,000 and 50,000 according to the most recent federal
20 decennial census.

21 (44) From the funds appropriated in part 1 for Michigan
22 enhancement grants, \$150,000.00 shall be awarded to a broadband
23 cooperative located in a county with a population of between
24 344,700 and 344,900 and in a city with a population of between
25 4,900 and 5,000 according to the most recent federal decennial
26 census for infrastructure planning and survey mapping.

27 (45) From the funds appropriated in part 1 for Michigan
28 enhancement grants, \$200,000.00 shall be awarded for a corridor
29 infrastructure project located in a county with a population of

1 between 344,700 and 344,900 and in a charter township with a
2 population of between 34,600 and 34,700 according to the most
3 recent federal decennial census.

4 (46) From the funds appropriated in part 1 for Michigan
5 enhancement grants, \$200,000.00 shall be awarded to a not-for-
6 profit located in a county with a population of greater than
7 1,800,000 and in a city with a population of greater than 600,000
8 for a building rehabilitation program.

9 (47) From the funds appropriated in part 1 for Michigan
10 enhancement grants, \$500,000.00 shall be awarded to a charter
11 township with a population of between 41,000 and 41,100 located in
12 a county with a population of between 1,200,000 and 1,203,000
13 according to the most recent federal decennial census for the
14 purchase of a special operations and response vehicle for the fire
15 department.

16 (48) From the funds appropriated in part 1 for Michigan
17 enhancement grants, \$100,000.00 shall be awarded to a center that
18 serves as a partnership between business, church, social
19 enterprise, and not-for-profit organizations located in a county
20 with a population of between 602,600 and 602,700 and in a city with
21 a population of greater than 188,000 according to the most recent
22 federal decennial census to support job and career training
23 programs for young adults.

24 (49) From the funds appropriated in part 1 for Michigan
25 enhancement grants, \$500,000.00 shall be awarded to a fire
26 department located in a county with a population of greater than
27 1,800,000 and in a city with a population of between 27,600 and
28 27,800 according to the most recent federal decennial census for
29 fire station facility upgrades.

1 (50) From the funds appropriated in part 1 for Michigan
2 enhancement grants, \$125,000.00 shall be awarded to a not-for-
3 profit agency located in a county with a population of between
4 280,800 and 281,000 and in a charter township with a population of
5 between 25,800 and 25,900 according to the most recent federal
6 decennial census to support foster youth transitional housing
7 partnership with a local housing commission.

8 (51) From the funds appropriated in part 1 for Michigan
9 enhancement grants, \$300,000.00 shall be awarded to a development
10 center located in a county with a population of between 425,700 and
11 425,900 and in a city with a population of between 102,400 and
12 103,000 according to the most recent federal decennial census to
13 support community programming.

14 (52) From the funds appropriated in part 1 for Michigan
15 enhancement grants, \$200,000.00 shall be awarded to a community
16 school district headquartered in a county with a population of
17 between 840,900 and 841,000 and in a city with a population of
18 between 16,300 and 16,400 according to the most recent federal
19 decennial census for facility roof repairs.

20 (53) From the funds appropriated in part 1 for Michigan
21 enhancement grants, \$2,500,000.00 shall be awarded to a city with a
22 population of between 3,000 and 3,100 located in a county with a
23 population of between 30,900 and 31,000 according to the most
24 recent federal decennial census for water line replacement.

25 (54) From the funds appropriated in part 1 for Michigan
26 enhancement grants, \$200,000.00 shall be awarded to a city with a
27 population of between 29,900 and 31,000 located in a county with a
28 population of between 425,700 and 425,800 according to the most
29 recent federal decennial census for water line replacement.

1 (55) From the funds appropriated in part 1 for Michigan
2 enhancement grants, \$1,411,300.00 shall be awarded to a county road
3 commission located in a county with a population of between 36,600
4 and 36,700 according to the most recent federal decennial census
5 for the repayment of a state infrastructure bank loan related to
6 road repairs due to flooding.

7 (56) From the funds appropriated in part 1 for Michigan
8 enhancement grants, \$250,000.00 shall be awarded to a land bank
9 located in a county with a population of between 136,100 and
10 136,200 according to the most recent federal decennial census for
11 building demolition.

12 (57) From the funds appropriated in part 1 for Michigan
13 enhancement grants, \$1,000,000.00 shall be awarded to a public
14 museum in a county with a population between 400,000 and 450,000
15 and in a city with a population over 100,000 according to the most
16 recent federal decennial census.

17 (58) From the funds appropriated in part 1 for Michigan
18 enhancement grants, \$1,000,000.00 shall be awarded to an
19 independent biomedical research and science education organization
20 in a county with a population between 600,000 and 610,000 and in a
21 city with a population over 185,000 according to the most recent
22 federal decennial census to be used for matching federal funds,
23 private and nonprofit grants, and private contributions.

24 (59) From the funds appropriated in part 1 for Michigan
25 enhancement grants, \$250,000.00 shall be awarded to the Conductive
26 Learning Center at Aquinas College. The funding shall be used to
27 support the operational costs of the conductive education model
28 taught at the Conductive Learning Center to maximize the
29 independence and mobility of children and adults with neuromotor

1 disabilities. The conductive education model funded under this
2 grant must be based on the concept of neuroplasticity and the
3 ability of people to learn and improve when they are motivated,
4 regardless of the severity of their disability.

5 (60) From the funds appropriated in part 1 for Michigan
6 enhancement grants, \$200,000.00 shall be awarded to a fire
7 department located in a city with a population between 128,000 and
8 130,000 and in a county with a population between 800,000 and
9 900,000 according to the most recent federal decennial census. The
10 grant shall be used to purchase chest compression devices for
11 patients in the field and on the move to a hospital.

12 (61) From the funds appropriated in part 1 for Michigan
13 enhancement grants, up to \$250,000.00 shall be used as last dollars
14 to fund the gap between the total cost of hosting a national
15 conference for a national council that currently receives
16 association dues from this state and the total amount privately
17 raised. After the conference has concluded, any remaining funds
18 shall be used for Pure Michigan activities.

19 (62) From the funds appropriated in part 1 for Michigan
20 enhancement grants, \$500,000.00 shall be awarded to a school
21 district that has between 8,700 and 9,000 total pupils in
22 membership as calculated under section 6 of the state school aid
23 act of 1979, 1979 PA 94, MCL 388.1606, has at least 300 special
24 education pupils in membership, and is located in an intermediate
25 school district that has a combined pupil membership for all its
26 constituent districts between 150,000 and 200,000. The grant shall
27 be used to offset costs associated with a school-based community
28 infrastructure project.

29 (63) From the funds appropriated in part 1 for Michigan

1 enhancement grants, \$200,000.00 shall be awarded to a township with
2 a population between 3,200 and 3,300 located in a county with a
3 population between 159,000 and 170,000 according to the most recent
4 federal decennial census. The grant shall be used to replace a
5 bridge that was constructed at least 78 years ago and is located
6 near a county park entrance.

7 (64) From the funds appropriated in part 1 for Michigan
8 enhancement grants, \$750,000.00 shall be awarded to a county with a
9 population between 60,100 and 63,000 according to the most recent
10 federal decennial census to repair the longest covered bridge in
11 Michigan.

12 (65) From the funds appropriated in part 1 for Michigan
13 enhancement grants, \$1,000,000.00 shall be awarded to an early
14 childhood collaborative that serves students located in a county
15 with a population between 400,000 and 500,000 according to the most
16 recent federal decennial census. The grant shall be used to
17 continue the expansion of early childhood services because of a
18 drinking water declaration of emergency.

19 (66) From the funds appropriated in part 1 for Michigan
20 enhancement grants, \$700,000.00 shall be awarded to a city with a
21 population of greater than 100,000 located in a county with a
22 population between 400,000 and 500,000 according to the most recent
23 federal decennial census. The grant shall be used to support a
24 cooperative grocery store to expand access to food within a food
25 desert.

26 (67) From the funds appropriated in part 1 for Michigan
27 enhancement grants, \$200,000.00 shall be awarded to a local road
28 commission located in a city with a population of greater than
29 100,000 and in a county with a population between 400,000 and

1 500,000 according to the most recent federal decennial census. The
2 grant shall be used to expand pathways from parking to industrial
3 facilities.

4 (68) From the funds appropriated in part 1 for Michigan
5 enhancement grants, \$250,000.00 shall be awarded to a national,
6 nonprofit program that connects National Guard, reserve, retired,
7 and transitioning active-duty military service members with skilled
8 training and quality career opportunities in the construction
9 industry. Grant funding must be used to recruit and assist veterans
10 to transition into apprenticeship programs in this state.

11 (69) From the funds appropriated in part 1 for Michigan
12 enhancement grants, \$175,000.00 shall be awarded to a county
13 sheriff's department located in a county with a population between
14 280,000 and 300,000 according to the most recent federal decennial
15 census. The grant shall be used to support the purchase of body
16 scanners for inmates.

17 (70) From the funds appropriated in part 1 for Michigan
18 enhancement grants, \$750,000.00 shall be awarded to a fire
19 department located in a city with a population greater than 100,000
20 and in a county with a population between 280,000 and 300,000
21 according to the most recent federal decennial census. The grants
22 shall be used to purchase a ladder truck to service the city area.

23 (71) From the funds appropriated in part 1 for Michigan
24 enhancement grants, \$100,000.00 shall be awarded to a county with a
25 population between 300,000 and 400,000 according to the most recent
26 federal decennial census. The grant shall be used to pilot
27 mentoring and after-school programs for at-risk students in
28 partnership with other not-for-profit organizations.

29 (72) From the funds appropriated in part 1 for Michigan

1 enhancement grants, \$50,000.00 shall be awarded to a county with a
2 population between 300,000 and 400,000 according to the most recent
3 federal decennial census. The grant shall be used to support the
4 county pest control to address increased vermin in a local
5 township.

6 (73) From the funds appropriated in part 1 for Michigan
7 enhancement grants, \$300,000.00 shall be awarded to a downtown
8 development authority located in a city with a population between
9 19,000 and 22,000 and a county with a population between 300,000
10 and 400,000 according to the most recent federal decennial census.
11 The grant shall be used to make improvements to an art center to
12 support individuals with disabilities.

13 (74) From the funds appropriated in part 1 for Michigan
14 enhancement grants, \$30,000.00 shall be awarded to a community
15 development corporation that has a memorandum of understanding with
16 a city that has a population between 19,000 and 22,000 located in a
17 county with a population between 300,000 and 400,000 according to
18 the most recent federal decennial census. The grant shall be used
19 to conduct a feasibility study on building a parking ramp located
20 within the city.

21 (75) From the funds appropriated in part 1 for Michigan
22 enhancement grants, \$270,000.00 shall be awarded to a Junior
23 Reserve Officers Training Corps program located at a high school in
24 a city with a population above 500,000 according to the most recent
25 federal decennial census. The grant shall be used to facilitate a
26 partnership between the Junior Reserve Officers Training Corps
27 program and the Michigan National Guard.

28 (76) From the funds appropriated in part 1 for Michigan
29 enhancement grants, \$500,000.00 shall be awarded to a county with a

1 population between 1,000,000 and 1,500,000 according to the most
2 recent federal decennial census. The grant shall be used to support
3 an increase in the county's participation in a federal free lunch
4 program.

5 (77) From the funds appropriated in part 1 for Michigan
6 enhancement grants, \$500,000.00 shall be awarded to a city with a
7 population above 500,000 according to the most recent federal
8 decennial census. The grant shall be used to support improvements
9 to picnic shelters in a community park.

10 (78) From the funds appropriated in part 1 for Michigan
11 enhancement grants, \$250,000.00 shall be awarded to a disability
12 network that serves 2 counties that each have a population above
13 800,000 according to the most recent federal decennial census. The
14 grant shall be used to support services and operations.

15 (79) From the funds appropriated in part 1 for Michigan
16 enhancement grants, \$1,000,000.00 shall be awarded to a community
17 house located in a city with a population above 100,000 and in a
18 county with a population between 600,000 and 700,000 according to
19 the most recent federal decennial census. The grant shall be used
20 to support the construction of an early childhood education and
21 senior activity center located within the city.

22 (80) From the funds appropriated in part 1 for Michigan
23 enhancement grants, \$100,000.00 shall be awarded to a city with a
24 population between 17,000 and 18,000 located in a county with a
25 population above 1,500,000 according to the most recent federal
26 decennial census. The grant shall be used to make improvements to a
27 city park's amphitheater.

28 (81) From the funds appropriated in part 1 for Michigan
29 enhancement grants, \$50,000.00 shall be awarded to an enrichment

1 center located in a city with a population between 5,500 and 8,000
2 and a county with a population above 1,500,000 according to the
3 most recent federal decennial census. The grant shall be used to
4 support vocational programs focused on skills training.

5 (82) From the funds appropriated in part 1 for Michigan
6 enhancement grants, \$600,000.00 shall be awarded to a city with a
7 population between 29,000 and 30,000 located in a county with a
8 population between 1,000,000 and 1,500,000 according to the most
9 recent federal decennial census. The grant shall be used to support
10 the demolition costs of an electroplating services building.

11 (83) From the funds appropriated in part 1 for Michigan
12 enhancement grants, \$250,000.00 shall be awarded to a school
13 district located in a city with a population above 500,000
14 according to the most recent federal decennial census. The grant
15 shall be used to install air filtration systems throughout the
16 district.

17 (84) From the funds appropriated in part 1 for Michigan
18 enhancement grants, \$100,000.00 shall be awarded to a city with a
19 population above 500,000 according to the most recent federal
20 decennial census. The grant shall be used to support green
21 infrastructure projects throughout the community.

22 (85) From the funds appropriated in part 1 for Michigan
23 enhancement grants, \$25,000.00 shall be awarded to a city with a
24 population above 500,000 according to the most recent federal
25 decennial census. The grant shall be used to support community
26 garden restorations at a street block club.

27 Sec. 560. (1) From the funds appropriated in part 1 for
28 Michigan enhancement grants, the Michigan strategic fund shall
29 execute a grant agreement with each recipient, pursuant to

1 subsection (2). All grant funds are considered to be direct
2 appropriations and, subject to receipt of all information under
3 subsections (2) and (3), shall be disbursed by the Michigan
4 strategic fund, as determined by the grant agreement. An initial
5 disbursement of 50% shall be provided to the grantee upon execution
6 of the grant agreement.

7 (2) The Michigan strategic fund shall execute a grant
8 agreement with each recipient in order to receive funding. The
9 grant agreement shall include, but is not limited to, the
10 following:

11 (a) All necessary identifying information for the recipient,
12 including any necessary tax identification information.

13 (b) A description of the project for which the grant funds
14 will be expended, including tentative timeline and estimated
15 budget. No expenditures outside of the project purpose, as stated
16 in the executed grant agreement, shall be reimbursed from
17 appropriations in part 1.

18 (c) A requirement that after the initial 50% disbursement,
19 additional funds shall only be disbursed after verification that
20 the initial payment has been fully expended, in accordance with the
21 project purpose. The remaining funds shall be disbursed in a manner
22 specified in the grant agreement. The grantee must provide
23 sufficient documentation, as determined by the Michigan strategic
24 fund, to verify that all expenditures were made in accordance with
25 the project purpose.

26 (d) A requirement for quarterly reports from the recipient to
27 the Michigan strategic fund that provide the status of the project
28 and an accounting of all funds expended by the recipient.

29 (e) A claw-back provision that allows this state to recoup or

1 otherwise collect any funds that are declined, unspent, or
2 otherwise misused.

3 (3) The grantee shall respond to all reasonable information
4 requests from the Michigan strategic fund related to grant
5 expenditures and retain grant records for a period of not less than
6 3 years, and the grant may be subject to audit or site visits, or
7 both, as determined by the Michigan strategic fund. The grant
8 agreement required under subsection (2) shall include signed
9 assurance by the chief executive officer or other executive officer
10 of the grant recipient that this requirement will be met.

11 (4) All funds awarded shall be expended by the recipient, and
12 projects completed, by September 30, 2022. If at that time, as
13 evidenced by the quarterly reports, any unexpended funds remain,
14 those funds shall be returned by the grantee to the state treasury.
15 The state budget director may, on a case-by-case basis, extend this
16 deadline, upon request by a grant recipient.

17 (5) If a grantee does not provide information sufficient to
18 execute a grant agreement by September 1, 2020, funds associated
19 with that grant shall be returned to the state treasury.

20 (6) The Michigan strategic fund shall provide quarterly
21 updates on the accounting and status of each project to the senate
22 and house appropriations committees, the senate and house fiscal
23 agencies, and the state budget office.

24 Sec. 561. (1) The funds appropriated in part 1 from the talent
25 investment fund created under section 8a of the higher education
26 loan authority act, 1975 PA 222, MCL 390.1158a, for the Michigan
27 reconnect grant program shall be distributed pursuant to this
28 section and shall only be made available after House Bill No. 5576,
29 House Bill No. 5580, and Senate Bill No. 268 of the 100th

1 Legislature are enacted into law.

2 (2) As a condition of receiving the funds appropriated in part
3 1 for the Michigan reconnect grant program, the department shall
4 allocate 10.0 FTE positions for navigators who provide support
5 services for Michigan reconnect grant program students and 2.0 FTE
6 positions for oversight and implementation of the Michigan
7 reconnect grant program.

8 Sec. 562. (1) From the funds appropriated in part 1 for
9 museums support, \$500,000.00 shall be awarded to support an Arab-
10 American museum located in a county with a population over
11 1,300,000 and in a city with a population of between 97,000 and
12 500,000 according to the most recent federal decennial census.

13 (2) From the funds appropriated in part 1 for museums support,
14 \$500,000.00 shall be awarded to support capital improvements to an
15 African-American museum in a city with a population of greater than
16 600,000 according to the most recent federal decennial census.

17 (3) From the funds appropriated in part 1 for museums support,
18 \$500,000.00 shall be awarded to support a memorial center in a
19 county with a population of between 1,000,000 and 1,700,000 and in
20 a city with a population of between 79,000 and 80,000 according to
21 the most recent federal decennial census to expand educational
22 access.

23

24 **DEPARTMENT OF MILITARY AND VETERANS AFFAIRS**

25 Sec. 601. The appropriation in part 1 for buddy-to-buddy
26 program shall be used to train volunteer Michigan veterans to
27 provide outreach and support for other Michigan service members and
28 veterans in dealing with the challenges they face, including those
29 related to finances, securing benefits, legal issues, education,

1 and health, family, and emotional concerns.

2

3 **DEPARTMENT OF NATURAL RESOURCES**

4 Sec. 651. From the funds appropriated in part 1 for state
5 parks, \$500,000.00 is allocated for the Michigan conservation
6 corps.

7 Sec. 652. In addition to the funds appropriated in part 1 for
8 Brandon Road Lock and Dam, any interest or earnings deposited into
9 the Michigan infrastructure fund is appropriated and may be
10 expended for the Brandon Road Lock and Dam.

11 Sec. 653. From the funds appropriated in part 1 for Blanchard
12 Dam bond inspection and repair needs study, \$10,000.00 is allocated
13 for the department to conduct a study of dam repair needs and for
14 dam inspection in a county with a population between 70,000 and
15 70,500 according to the most recent federal decennial census.

16 Sec. 654. From the funds appropriated in part 1 for boat
17 launch/marina grants, up to \$30,000.00 shall be awarded to a city
18 with a population of between 3,900 and 4,000 located in a county
19 with a population of between 425,700 and 425,900 according to the
20 most recent federal decennial census for kayak launch upgrades.

21 Sec. 655. From the funds appropriated in part 1 for boat
22 launch/marina grants, up to \$970,000.00 shall be awarded to a
23 township with a population of between 1,500 and 1,600 located in a
24 county with a population of between 21,700 and 21,800 according to
25 the most recent federal decennial census for upgrades at Cedar
26 River Marina.

27

28 **DEPARTMENT OF STATE**

29 Sec. 701. The unexpended funds appropriated in part 1 for a

1 branch security program are designated as a work project
 2 appropriation, and any unencumbered or unallotted funds shall not
 3 lapse at the end of the fiscal year and shall be available for
 4 expenditures for projects under this section until the projects
 5 have been completed. The following is in compliance with section
 6 451a of the management and budget act, 1984 PA 431, MCL 18.1451a:

7 (a) The purpose of the project is to improve security for the
 8 public and employees in secretary of state branch offices.

9 (b) The project will be accomplished by new state employees.

10 (c) The total estimated cost of the project is \$395,000.00.

11 (d) The tentative completion date is September 30, 2021.

12

13 **DEPARTMENT OF TECHNOLOGY, MANAGEMENT, AND BUDGET**

14 Sec. 751. (1) From the funds appropriated in part 1, the state
 15 budget director is authorized to purchase tax vouchers described in
 16 this subsection. The state budget director may purchase tax
 17 vouchers described in this subsection only if the tax vouchers meet
 18 all of the following:

19 (a) The tax vouchers were issued under section 23 of the
 20 Michigan early stage venture investment act of 2003, 2003 PA 296,
 21 MCL 125.2253, by Venture Michigan Fund, a Michigan early stage
 22 venture investment corporation created under that act.

23 (b) The tax vouchers are held for the benefit of Stanton
 24 Equity Trading Delaware LLC, or its successors and permitted
 25 assigns.

26 (c) The tax vouchers that have a face value of \$19,100,000.00
 27 are due to be tendered on or before September 30, 2020.

28 (2) From the funds appropriated in part 1, the state budget
 29 director may expend up to \$19,100,000.00 to purchase the tax

1 vouchers that are tendered during the fiscal year ending September
2 30, 2020.

3 (3) Once the purchase of the tax vouchers is completed by the
4 state budget director, the state budget director shall forward the
5 tax vouchers to the state treasurer for destruction.

6 Sec. 752. The funds appropriated in part 1 for the Coronavirus
7 public health emergency shall be allocated to departments, in
8 amounts and by a method approved by the state budget director, for
9 expenditure for critical state and local preparedness and response
10 activities for the respiratory virus Coronavirus-19 (COVID-19).
11 These activities may include, but are not limited to, Coronavirus
12 monitoring, laboratory testing, contact tracing, infection control,
13 and continuation of critical state government functions.
14 Departments expending funds allocated from this appropriation shall
15 report to the senate and house appropriations committees, relevant
16 senate and house appropriations subcommittees, senate and house
17 fiscal agencies, and the state budget office no later than June 30,
18 2020 and September 30, 2020 on the types of activities supported
19 with the funds, and the amount of funds expended to date.

20 Sec. 753. (1) The Coronavirus response fund is created within
21 the state treasury.

22 (2) From the funds appropriated in part 1 for the Coronavirus
23 response fund, \$15,000,000.00 shall be deposited into the
24 Coronavirus response fund.

25 (3) Funds may only be spent from the Coronavirus response fund
26 upon appropriation, or legislative transfer pursuant to section 393
27 of the management and budget act, 1984 PA 431, MCL 18.1393.

28 (4) Interest and earnings from the investment of funds
29 deposited in the Coronavirus response fund shall be deposited in

1 the general fund.

2 (5) Funds in the Coronavirus response fund at the close of a
3 fiscal year shall remain in the Coronavirus response fund and shall
4 not lapse to the general fund.

5 Sec. 754. In addition to the funds appropriated in part 1,
6 there is appropriated an amount not to exceed \$15,000,000.00 for
7 state restricted contingency funds. These funds are not available
8 for expenditure until they have been transferred to another line
9 item in part 1 under section 393(2) of the management and budget
10 act, 1984 PA 431, MCL 18.1393.

11

12 **DEPARTMENT OF TREASURY**

13 Sec. 801. (1) From the funds appropriated in part 1 for
14 financial data analytic tool reimbursement, the department shall
15 provide reimbursements to cities, villages, townships, counties,
16 and regional councils of government (participating organizations)
17 for the licensing of data analytic tools as described under this
18 section. Reimbursements are for participating organizations that
19 choose to use a data analytic tool with 1 of the 2 vendors approved
20 by the DTMB under section 936 of article VIII of 2017 PA 107. Funds
21 allocated under this section are intended to provide participating
22 organizations with financial forecasting and transparency reporting
23 tools to improve the financial health of participating
24 organizations and to improve communication with the public.

25 (2) The approved data analytic tool vendors under section 936
26 of article VIII of 2017 PA 107 must continue to do all of the
27 following:

28 (a) Analyze financial data.

29 (b) Analyze pension and other postemployment benefit trends.

1 (c) Provide early warning indicators of financial stress.

2 (d) Provide peer community comparisons of financial data.

3 (e) Provide financial projections for at least 3 subsequent
4 fiscal years.

5 (3) Funds from any financial data analytic tool reimbursement
6 work projects shall be used prior to using funds appropriated in
7 the current year. Funds allocated under this section shall be paid
8 to participating organizations that execute an agreement on behalf
9 of their geographic local units as a reimbursement for already
10 having a licensing agreement or for entering into a licensing
11 agreement not later than December 1 of each year, with a vendor
12 approved under section 936 of article VIII of 2017 PA 107, to
13 implement a data analytic agreement. Reimbursement under this
14 section shall be made as follows:

15 (a) All participating organizations seeking reimbursement
16 shall submit requests not later than December 31 of each year to
17 the department indicating the cost paid for the financial data
18 analytic tool by virtue of providing an invoice, purchase order, or
19 proof of payment or by either of the approved vendors of record
20 submitting on behalf of the participating organizations.

21 (b) The department shall determine the sum of the funding
22 requested by all participating organizations under subdivision (a)
23 and, if there are sufficient funds, shall reimburse 1/2 of the
24 costs submitted by each participating organization or approved
25 vendor under subdivision (a). If there are insufficient funds to
26 pay 1/2 of the costs submitted under subdivision (a), the
27 reimbursement shall be made on an equal percentage basis using 2018
28 census population estimates from the United States Census Bureau.

29 (c) The reimbursement to a participating organization shall

1 not be greater than the amount paid for a data analytic
2 application.

3 (d) A participating organization shall not be reimbursed for
4 the purchase of more than 1 software application.

5 (e) Any unexpended funds shall continue as a work project
6 appropriation, and any unencumbered or unallotted funds shall not
7 lapse at the end of the fiscal year and shall be available for
8 expenditures for projects under this section until the projects
9 have been completed. The following is in compliance with section
10 451a of the management and budget act, 1984 PA 431, MCL 18.1451a.

11 (i) The purpose of the project is for financial data analytic
12 tool reimbursement.

13 (ii) The project will be accomplished by utilizing state
14 employees, contracts with a vendor, or contracts with local units,
15 or any combination of these.

16 (iii) The total estimated cost of the project is \$602,900.00.

17 (iv) The tentative completion date is September 30, 2023.

18 (4) Payments under this section shall be made on a schedule
19 determined by the department.

20 (5) Within 30 days after the department has made all payments
21 under subsection (3), the department shall report the following to
22 the senate and house of representatives standing committees on
23 appropriations subcommittees on general government, the state
24 budget office, and the fiscal agencies:

25 (a) The total amount of payments made.

26 (b) If the payments were prorated, the amount of proration.

27 (c) A list of each payment made to cities, villages,
28 townships, counties, and regional councils of government.

29 Sec. 802. From the funds appropriated in part 1 for high water

1 public infrastructure repair, the department shall award grants to
2 counties, cities, villages, and townships for public infrastructure
3 damages or prevention methods due to high waters and shoreline
4 erosion. Grants shall be awarded on a competitive basis and shall
5 be used to address public infrastructure projects or repairs that
6 benefit the overall health, safety, and welfare of communities. A
7 grant to a single community shall not exceed \$250,000.00 and the
8 recipient shall be required to contribute a minimum of 25% of the
9 total project cost.

10 Sec. 803. From the funds appropriated in part 1 for property
11 tax assessor training, the department shall expand in-person
12 training throughout this state in at least each regional prosperity
13 zone. The department shall notify all property tax assessors in
14 each regional zone when training is available for that zone.

15

16 **REPEALERS**

17 Sec. 901. (1) Section 461 of 2019 PA 154 is repealed.

18 (2) Section 936 of 2019 PA 56 is repealed.
