THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 3. (1) The governor is responsible for coping with
2 dangers to this state or the people of this state presented by a
3 disaster or emergency.

4 (2) The governor may issue executive orders, proclamations,
5 and directives having the force and effect of law to implement this
6 act. Except as provided in section 7(2), an executive order,
7 proclamation, or directive may be amended or rescinded by the
8 governor.

9 (3) The governor shall, by executive order or proclamation,

1 declare a state of disaster if he or she finds a disaster has
2 occurred or the threat of a disaster exists. The state of disaster
3 shall continue until the governor finds that the threat or danger
4 has passed, the disaster has been dealt with to the extent that
5 disaster conditions no longer exist, or until the declared state of
6 disaster has been in effect for 28 days. After 28 days, the
7 governor shall issue an executive order or proclamation declaring
8 the state of disaster terminated, unless a request by the governor
9 for an extension of the state of disaster for a specific number of
10 days is approved by resolution of both houses of the legislature.
11 An executive order or proclamation issued pursuant to this
12 subsection shall indicate the nature of the disaster, the area or
13 areas threatened, the conditions causing the disaster, and the
14 conditions permitting the termination of the state of disaster. An
15 executive order or proclamation shall be disseminated promptly by
16 means calculated to bring its contents to the attention of the
17 general public and shall be promptly filed with the emergency
18 management division of the department and the secretary of state,
19 unless circumstances attendant upon the disaster prevent or impede
20 its prompt filing.

21 (4) The governor shall, by executive order or proclamation,
22 declare a state of emergency if he or she finds that an emergency
23 has occurred or that the threat of an emergency exists. The state
24 of emergency shall continue until the governor finds that the
25 threat or danger has passed, the emergency has been dealt with to
26 the extent that emergency conditions no longer exist, or until the
27 declared state of emergency has been in effect for 28 days. After
28 28 days, the governor shall issue an executive order or
29 proclamation declaring the state of emergency terminated, unless a

1 request by the governor for an extension of the state of emergency
2 for a specific number of days is approved by resolution of both
3 houses of the legislature. An executive order or proclamation
4 issued pursuant to this subsection shall indicate the nature of the
5 emergency, the area or areas threatened, the conditions causing the
6 emergency, and the conditions permitting the termination of the
7 state of emergency. An executive order or proclamation shall be
8 disseminated promptly by means calculated to bring its contents to
9 the attention of the general public and shall be promptly filed
10 with the emergency management division of the department and the
11 secretary of state, unless circumstances attendant upon the
