11 442, MCL 15.231 to 15.246.

12 (9) Information collected under this act relating to any  
13 assessments collected or remitted or gallons of propane imported,

11 representatives. The commission may contract with other agencies,  
12 associations, or organizations including, but not limited to, the  
13 industry association and MiPERC. The commission may incur other  
14 expenses to carry on the promotion activities for propane under  
15 subsection (1) and to otherwise carry out the purposes of this act.

16       (4) This state is not liable for the acts of the commission or  
17 its contracts. A member, employee, agent, or representative of the

23 any money obtained through donations and gifts or provided by a  
24 governmental agency may be used within limits stipulated by the  
25 donor or governmental agency. No more than 10% of the money

4 sued, plead and be impleaded, contract and be contracted with, and  
5 carry out all powers granted to it. The commission is a public body  
6 and has the powers necessary to effectuate the purposes of this  
7 act. A grant of power to the commission is an extension of the  
8 power of the commission and not a limitation of the power of the  
9 commission.

10 Sec. 7. (1) Subject to a referendum under section 11(2),  
11 beginning on January 1 of the year following the effective date of  
12 this act, an initial assessment at the rate of 1/10 of 1 cent per  
13 gallon is levied upon odorized propane sold and placed into  
14 commerce in this state. The commission shall determine the

21 must not exceed 1/2 of 1 cent per gallon.

22 (4) Each wholesale propane distributor or other owner of  
23 propane at the time of odorization in this state, or at the time of  
24 import of odorized propane into this state, shall make and collect  
25 an assessment based on the volume of odorized propane sold and  
26 placed into commerce in this state. Each wholesale propane  
27 distributor shall separately identify and itemize the assessment on  
28 an invoice, bill of sale, or other similar billing document given  
29 to a retail propane marketer for the sale of odorized propane.

1 (5) Each person responsible for collecting the assessment  
2 shall remit all assessments to the commission on a quarterly basis,  
3 not later than the 25th day of the month following the end of each  
4 calendar quarter. Each person responsible for collecting the  
5 assessment shall file a report, on a form provided by the  
6 commission, not later than the 25th day of the month following the  
7 end of the calendar quarter regardless of the amount due.

8 (6) Each person responsible for collecting the assessment  
9 shall keep records of the volume of odorized propane the person  
10 imported, sold, delivered, or used in this state, including the  
11 number of gallons, name of purchaser, and rate of assessment with  
12 respect to odorized propane that is subject to this act. All  
13 records made or kept as required by this subsection must be made  
14 available to the commission upon its written request to determine  
15 compliance with this act. The commission shall keep the records  
16 confidential and shall not disclose the records except to its  
17 accountants, attorneys, or financial advisors without a court order  
18 directing it to do so.

19 (7) The commission shall deposit all assessments it collects  
20 under this act into the propane commission fund created in section  
21 8. The commission shall not commingle the assessments with other  
22 funds. The commission shall use the assessments it collects for the  
23 purposes of this act.

24 Sec. 8. (1) The propane commission fund is created within the  
25 state treasury. All assessments collected by the commission must be  
26 deposited with the state treasurer and credited to the propane  
27 commission fund.

28 (2) The state treasurer may receive money or other assets from  
29 any source for deposit into the fund, including private gifts,

1 bequests, and donations. The state treasurer shall direct the  
2 investment of the fund. The state treasurer shall credit to the  
3 fund interest and earnings from fund investments.

4 (3) Money in the fund at the close of the fiscal year remains  
5 in the fund and does not lapse to the general fund.

6 (4) The commission is the administrator of the fund for  
7 auditing purposes.

8 (5) The commission shall expend money from the fund to carry  
9 out its responsibilities under this act.

10 Sec. 9. A person that fails to collect or remit an assessment  
11 under this act shall pay to the commission the amount due, plus  
12 both of the following:

13 (a) A late fee of 10% of the amount due.

14 (b) An additional late fee of 1% of the amount due for each  
15 month the payment is overdue.

16 Sec. 10. (1) The department shall enforce the provisions of  
17 this act. The commission shall reimburse the department for costs  
18 incurred by the department in holding referenda, reviewing  
19 petitions, and enforcing this act. The money received by the  
20 department must be allocated for the department's use.

21 (2) The commission may file a written complaint with the  
22 director documenting that a person has failed to collect or remit  
23 an assessment or failed to pay a late fee due to the commission  
24 under this act. On receipt of a complaint, the director shall  
25 investigate its allegations. If, after investigation, the director  
26 finds that the person has failed to collect or remit an assessment  
27 or failed to pay a late fee to the commission, the director may  
28 bring an action to recover unpaid assessments or late fees plus the  
29 reasonable costs, including attorney fees, incurred in the action.

1 The director may use assessment funds to cover all reasonable costs  
2 and expenses incurred in connection with the recovery of unpaid  
3 assessments and late fees.

4 Sec. 11. (1) All of the following apply to a referendum held  
5 under subsection (2) or (3):

6 (a) Each retail propane marketer with customers in this state  
7 is entitled to 1 vote representing a single firm, individual  
8 proprietorship, corporation, company, association, partnership, or  
9 spouse- or family-owned business, regardless of the number of bulk  
10 plants or retail sales outlets owned.

11 (b) Votes must be submitted by mail.

12 (c) Passage of the referendum requires more than 50% of the  
13 votes of all of the retail propane marketers with customers in this  
14 state, as described in subdivision (a).

15 (d) Subject to subdivisions (a) to (c), the director may  
16 promulgate rules for conducting the referendum.

17 (2) Within 60 days after the effective date of this act, the  
18 director shall hold a referendum on the question of whether the  
19 initial assessment described in section 7(1) will be levied.

20 (3) If the initial referendum under subsection (2) passes,  
21 notwithstanding any other provision of this act, the director shall  
22 hold a subsequent referendum on the question of whether the  
23 assessment will be terminated if the director receives a petition  
24 signed by not less than 33-1/3% of all retail propane marketers  
25 with customers in this state, as described in subsection (1)(a).

26 (4) If the referendum described in subsection (2) fails to  
27 pass, or if a referendum terminating the assessment under  
28 subsection (3) passes, the commission shall do all of the  
29 following:

1           (a) Recommend to the legislature that it repeal this act  
2 effective 6 months after the date of the referendum.

3           (b) Phase out the commission's operations in the 6 months  
4 following the date of the referendum.

5           (c) After 6 months from the date of the referendum, take no  
6 further action to further the purposes of this act.
