20 operate in this state as a pharmacy benefit manager shall submit to  
21 the director both of the following:

12 determined necessary or appropriate by the director. If a pharmacy  
13 benefit manager's license is suspended or restricted, the director

23 manager if the pharmacy benefit manager has been operating under a

14 Sec. 15. (1) A pharmacy benefit manager shall exercise good  
15 faith and fair dealing in the performance of its contractual  
16 duties. A provision in a contract between a pharmacy benefit  
17 manager and a carrier or a network pharmacy that attempts to waive  
18 or limit this obligation is void.

19 (2) A pharmacy benefit manager shall notify a carrier in  
20 writing of any activity, policy, or practice of the pharmacy  
21 benefit manager that directly or indirectly presents a conflict of  
22 interest with the duties imposed in this section.

23 Sec. 17. (1) A pharmacy benefit manager shall provide a  
24 reasonably adequate and accessible pharmacy benefit manager network  
25 for the provision of drugs for a health plan that must provide for  
26 convenient patient access to pharmacies within a reasonable  
27 distance from a patient's residence. A pharmacy benefit manager  
28 shall not include a mail-order pharmacy in calculating pharmacy  
29 benefit manager network adequacy.

1 (2) A pharmacy benefit manager shall submit to the director a  
2 pharmacy benefit manager network adequacy report that describes the  
3 pharmacy benefit manager network and the pharmacy benefit manager  
4 network's accessibility in this state in the time and manner  
5 prescribed by the director.

6 (3) A pharmacy benefit manager may apply for a waiver from the  
7 director if the pharmacy benefit manager is unable to meet the  
8 network adequacy requirements under subsection (1).

9 (4) To apply for a waiver under subsection (3), a pharmacy  
10 benefit manager must submit to the director an application in a  
11 form and manner prescribed by the director that does both of the  
12 following:

13 (a) Demonstrates with specific data why the pharmacy benefit  
14 manager is not able to meet the network adequacy requirements under  
15 subsection (1).

16 (b) Includes information as to the steps that the pharmacy  
17 benefit manager has taken and will take to address network  
18 adequacy.

19 (5) If the director grants a waiver under subsection (3), the  
20 waiver expires after 2 years. If a pharmacy benefit manager seeks a  
21 renewal of the waiver, the director shall consider the steps that  
22 the pharmacy benefit manager has taken over the 2-year period  
23 covered by the waiver to address network adequacy.

24 Sec. 19. (1) A pharmacy benefit manager that has an ownership  
25 interest either directly or indirectly, or through an affiliate or  
26 subsidiary, in a pharmacy must disclose to a carrier that contracts  
27 with the pharmacy benefit manager any difference between the amount  
28 paid to that pharmacy and the amount charged to the carrier.

29 (2) Subject to subsection (3), a pharmacy benefit manager or

1 carrier shall not penalize, require, or provide financial  
2 incentives, including variations in premiums, deductibles,  
3 copayments, or coinsurance, to an enrollee as an incentive to use a  
4 retail pharmacy, mail-order pharmacy, specialty pharmacy, or other  
5 network pharmacy in which a pharmacy benefit manager has an  
6 ownership interest or in which the network pharmacy has an  
7 ownership interest in the pharmacy benefit manager.

8 (3) Subsection (2) does not apply if any of the following  
9 requirements are met:

10 (a) The pharmacy benefit manager or carrier offers an enrollee  
11 the same financial incentives for using a network pharmacy, mail-  
12 order pharmacy, specialty pharmacy, or other network pharmacy in  
13 which the pharmacy benefit manager has no ownership interest.

14 (b) The network pharmacy agrees to accept the same pricing  
15 terms, conditions, and requirements related to the cost of the drug  
16 and the cost of dispensing the drug that are in the agreement with  
17 a network pharmacy in which the pharmacy benefit manager has an  
18 ownership interest.

19 (c) The pharmacy's status within the pharmacy network is  
20 identified as a preferred pharmacy if the payment paid to the  
21 preferred pharmacy is not higher than payment to a nonpreferred  
22 pharmacy.

23 (4) Except as otherwise provided in subsection (5), a pharmacy  
24 benefit manager or carrier shall not impose limits, including  
25 quantity limits or refill frequency limits, on an enrollee's access  
26 to medication that differ based solely on whether the carrier or  
27 pharmacy benefit manager has an ownership interest in a pharmacy or  
28 the pharmacy has an ownership interest in the pharmacy benefit  
29 manager.

1 (5) Subsection (4) does not prohibit a pharmacy benefit  
2 manager from imposing different limits, including quantity limits  
3 or refill frequency limits, on an enrollee's access to medication  
4 based on whether the enrollee uses a mail-order pharmacy or retail  
5 pharmacy if the enrollee has the option to use a mail-order  
6 pharmacy or retail pharmacy with the same limits imposed in which  
7 the pharmacy benefit manager or carrier does not have an ownership  
8 interest unless the pharmacy's status within the pharmacy network  
9 is identified as a preferred pharmacy.

10 (6) A pharmacy benefit manager or carrier shall not prohibit a  
11 340B Program entity or a pharmacy that has a license in good  
12 standing in this state under contract with a 340B Program entity  
13 from participating in the pharmacy benefit manager's or carrier's  
14 provider network. A pharmacy benefit manager or carrier shall not  
15 reimburse a 340B Program entity or a pharmacy under contract with a  
16 340B Program entity differently than other similarly situated  
17 pharmacies. As used in this subsection, "340B Program entity" means  
18 an entity authorized to participate in the federal 340B Program  
19 under section 340B of the public health service act, 42 USC 256b.

20 Sec. 21. (1) A contract between a pharmacy benefit manager and  
21 a pharmacist or a pharmacy that provides drug coverage for health  
22 plans must not prohibit or restrict a pharmacy or pharmacist from,  
23 or penalize a pharmacy or pharmacist for, disclosing to a covered  
24 person health care information that the pharmacy or pharmacist  
25 considers appropriate regarding any of the following:

26 (a) The nature of the treatment or the risks or the

6 an insurer.

7 (2) A pharmacy benefit manager shall not prohibit a pharmacy  
8 or pharmacist from discussing information regarding the total cost  
9 for pharmacist services for a drug or from selling a more  
10 affordable alternative to the enrollee or insured if a more  
11 affordable alternative is available.

12 Sec. 23. (1) Unless otherwise required more frequently by the  
13 director, beginning January 1, 2021, except as otherwise provided  
14 in subsection (2), a pharmacy benefit manager shall file an annual  
15 transparency report with the director that contains the information  
16 required under this section from the immediately preceding calendar  
17 year.

24 under the social welfare act, 1939 PA 280, MCL 400.1 to 400.119b.

25 (3) The transparency report required under subsection (1) must  
26 include all of the following information:

27 (a) The aggregate wholesale acquisition costs from a  
28 manufacturer or wholesale drug distributor for each therapeutic  
29 category of drugs for all of the pharmacy benefit manager's plan

16 (f) The aggregate retained rebate percentage.
