

HOUSE BILL NO. 6533

December 17, 2020, Introduced by Rep. LaGrand and referred to the Committee on Health Policy.

A bill to amend 1978 PA 368, entitled
"Public health code,"
(MCL 333.1101 to 333.25211) by adding sections 5116 and 9228.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 **Sec. 5116. If a local health officer confirms or reasonably**
2 **suspects that an individual attending school or a program of group**
3 **residence, care, or camping has a communicable disease and that**

1 there is a risk of the spread of the communicable disease, or a
2 local health officer confirms or reasonably suspects that there is
3 a risk of the spread of a communicable disease within the community
4 for which a vaccine is available, the local health officer may
5 exclude from attendance any of the following individuals until the
6 local health officer determines that there is likely no further
7 risk of the spread of the communicable disease:

8 (a) An individual lacking a certificate described in section
9 9206 indicating that the individual has been immunized for the
10 communicable disease.

11 (b) An individual whom the local health officer otherwise
12 considers susceptible to the communicable disease.

13 Sec. 9228. The department shall inform the public of the rules
14 promulgated under section 9227(1) (a) to (c) through the use of mass
15 media and by posting the rules on the department's website.

16 Enacting section 1. This amendatory act takes effect 90 days
17 after the date it is enacted into law.
