

# HOUSE BILL NO. 6539

December 17, 2020, Introduced by Reps. Gay-Dagnogo, Jones, Sneller, Cherry, Yancey, Guerra, Hood, Camilleri, Brenda Carter, Garrett, Kuppa, Cynthia Neeley and Stone and referred to the Committee on Judiciary.

A bill to amend 1965 PA 203, entitled  
"Michigan commission on law enforcement standards act,"  
by amending section 9e (MCL 28.609e), as added by 2018 PA 552.

**THE PEOPLE OF THE STATE OF MICHIGAN ENACT:**

1           Sec. 9e. (1) Beginning January 1, 2020, an individual seeking  
2 to become licensed under section 9, 9b, 9c, or 9d shall complete  
3 active violence response training that emphasizes coordinated  
4 tactical response to rapidly developing incidents in which  
5 intentional physical injury or death to a specific population

1 occurs through the use of conventional or unconventional weapons  
2 and tactics.

3 (2) The commission shall promulgate rules establishing the  
4 minimum standards for the active violence response training  
5 required under subsection (1).

6 (3) Beginning January 1, 2020, an individual who is licensed  
7 under section 9, 9b, 9c, or 9d shall complete the active violence  
8 response training described under subsection (1).

9 (4) Beginning January 1, 2021, an individual seeking to become  
10 licensed under section 9, 9b, 9c, or 9d shall complete crisis  
11 intervention team training that is designed to assist law  
12 enforcement officers in responding to an individual with mental  
13 illness and in identifying warning signs of mental illness in other  
14 law enforcement officers.

15 (5) The commission shall promulgate rules establishing the  
16 minimum standards for the training required under subsection (4),  
17 which must include training on all of the following:

18 (a) A history of the mental health system.

19 (b) The signs, symptoms, common treatments, and medications  
20 for various mental illnesses, including, but not limited to, post-  
21 traumatic stress disorder.

22 (c) Potential interactions with an individual with mental  
23 illness, and potential interactions with family members and service  
24 providers of an individual with mental illness.

25 (d) De-escalation techniques.
