Rev. Robert Smith, Jr., Senior Pastor of New Bethel Baptist Church in Detroit, offered the following invocation:

“Great Mystery Whom we call God, we ask for Your Divine Presence in this chamber. Give wisdom to these lawmakers beyond their textbook knowledge. Before they leave this place, arrest them, convict, and sentence them to the task of liberating our sisters and brothers from the chains of ignorance and poverty. Amen.”

The Speaker called the Speaker Pro Tempore to the Chair.

### **Motions and Resolutions**

Reps. Frederick, Liberati, Bollin, Calley, Cherry, Chirkun, Crawford, Hood, Hope, Jones, Kahle, Kuppa, Love, Manoogian, Shannon, Sneller, Sowerby, Stone, Warren, Webber, Whitsett and Wittenberg offered the following resolution:

#### **House Resolution No. 49.**

A resolution to declare April 2, 2019, as Autism Awareness Day in the state of Michigan.

Whereas, Autism is the result of a neurological disorder that affects the normal functioning of the brain and impacts development in the areas of social interaction and communication skills; and

Whereas, The demands of living with a person with autism are great and families frequently experience significant financial costs for specialized education and support services. The uniqueness of each individual with autism makes the experience of living with autism different for each family; and

Whereas, Autism is a lifelong condition and the necessary support and treatment changes as people on the spectrum move through major life phases. Their quality of life depends not only upon the foundation that is provided in childhood, but on ongoing supports that are specific to the educational, medical, social, recreational, family, and employment needs of the individual; and

Whereas, Autism knows no racial, ethnic, social boundaries, family income, lifestyle, or educational levels, and can affect any family and any child. Autism is the fastest-growing developmental disability in the United States and it is estimated that it is prevalent in 1 in every 59 children under the age of 8 and is four times more likely to occur in boys than in girls; and

Whereas, Early intervention services are the primary therapeutic option for young people with autism and that early intervention significantly improves the outcome for people with autism and can reduce the level of funding and services needed to treat people with autism later in life; and

Whereas, New opportunities are being created through collaborative efforts of family members, professionals, and all levels of government to bring about significant changes in the public perception of young people and adults with developmental disabilities, including those with autism, opening new doors to independent and productive lives; and

Whereas, The Michigan Developmental Disabilities Council supports people with developmental disabilities, including those with autism, to achieve their life’s dreams and ensure that all citizens of Michigan have the opportunities and support to achieve their full potential; and

Whereas, Numerous efforts to support individuals in Michigan have been made in recent years, including legislation enacted in 2012 to require insurance coverage of autism therapy treatment. Furthermore, the Michigan Autism Council was established by Executive Order to adopt and implement the Michigan Autism Spectrum Disorder Plan; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare April 2, 2019, as Autism Awareness Day in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Liberati, Frederick, Bollin, Calley, Cherry, Chirkun, Crawford, Haadsma, Hope, Jones, Kahle, Kuppa, Love, Manoogian, Shannon, Sneller, Sowerby, Stone, Warren, Webber, Whitsett and Wittenberg offered the following resolution:

#### **House Resolution No. 50.**

A resolution to declare April 2019 as Autism Awareness Month in the state of Michigan.

Whereas, Autism refers to a range of conditions characterized by challenges with social skills, repetitive behaviors, speech, and nonverbal communication, as well as by unique strengths and differences. In 2013, the American Psychiatric Association merged four previously distinct diagnoses into one umbrella diagnosis of autism spectrum disorder (ASD). These included autistic disorder, childhood disintegrative disorder, pervasive developmental disorder-not otherwise specified (PDD-NOS) and Asperger syndrome. It is the result of a neurological disorder that affects the normal functioning of the brain that is believed to be caused by genetic and environmental factors; and

Whereas, Families living with autism face unique challenges and frequently experience significant financial costs for specialized education and support services. The uniqueness of each individual with autism makes the experience of living with autism different for each family; and

Whereas, Autism is a lifelong condition and the necessary support and treatment changes as people on the spectrum move through major life phases. Their quality of life depends not only upon the foundation that is provided in childhood, but on ongoing supports that are specific to the educational, medical, social, recreational, family, and employment needs of the individual; and

Whereas, Autism knows no racial, ethnic, social boundaries, family income, lifestyle, or educational levels, and can affect any family and any child. Autism is the fastest-growing developmental disability in the United States and it is estimated that it is prevalent in 1 in every 59 children under the age of 8 and is four times more likely to occur in boys than in girls; and

Whereas, April 2019 is National Autism Awareness Month; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare April 2019 as Autism Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Hertel, Elder, Stone, Sowerby, Kennedy, Witwer, Lasinski, Pagan, Jones, Love, Cherry, Chirkun, Kuppa, Liberati, Manoogian, Shannon, Sneller, Warren, Whitsett and Wittenberg offered the following resolution:

**House Resolution No. 51.**

A resolution to declare March 22, 2019, as Youth Parenting Awareness Day in the state of Michigan.

Whereas, There were 5,307 births to teen mothers in Michigan in 2017, which accounted for 4.8% of all births in the state. In 2015, 17% of births to teens ages 15-19 were repeat births; and

Whereas, The state has shown commitment to supporting all individuals in their parenting responsibilities with the prior enactment of Parenting Awareness Month in March, yet there is no youth-specific parenting awareness day in Michigan that recognizes young parents and those who work with and support them; and

Whereas, Young parents deserve equal support, services, and resources as other parents to ensure the health and well-being of their children. Parenting is a choice and all individuals who elect to become parents should be respected in their choice; and

Whereas, Young parents often face additional hardships in educational achievement, employment opportunities, financial stability; dating, interpersonal, and sexual violence; mental health, housing access, child care services, and receiving quality maternal and infant health; and

Whereas, With support, young parents are more likely to finish high school, get their GED, pursue higher level education, achieve and retain employment, and maintain stable housing. Supporting young parents leads to better health and social outcomes for the children of young parents; and

Whereas, Current discourse of pregnancy prevention stigmatizes and marginalizes teen parents and does not accurately reflect the lived experiences of many young families. There are many young parents and families who are happy, healthy, and thriving; and

Whereas, Young parents are important contributing members within their communities across the state of Michigan; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare March 22, 2019, as Michigan Youth Parenting Awareness Day in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Kuppa, Hood, Cherry, Wittenberg, Lasinski, Elder, Sabo, Hertel, Bolden, Stone, Pohutsky, Hoadley, Peterson, Slagh, Witwer, Gay-Dagnogo, Haadsma, Brixie, Hope, Rabhi, Sneller, Manoogian, Tyrone Carter, Garza, Ellison, Sowerby, Howell, Pagan, Liberati, Vaupel, Mueller, Camilleri, Greig, Love, Chirkun, Jones, Shannon, Warren and Whitsett offered the following resolution:

**House Resolution No. 52.**

A resolution to declare March 22, 2019, as Michigan Water Day and World Water Day in the state of Michigan.

Whereas, Since 1993, the United Nations has designated March 22nd as World Water Day. In 2010, the United Nations acknowledged “the importance of equitable access to safe and clean drinking water and sanitation as an integral component of the realization of all human rights”; and

Whereas, The theme of World Water Day 2019 is 'Leaving no one behind' and we recognize the importance of freshwater and the sustainable management of freshwater resources; and

Whereas, Clean water is integral to the global economy and international security, and nearly 1.5 billion laborers around the world work in water-related sectors. Reliable water infrastructure is integral to the health, safety and well-being of people; and

Whereas, Water services should meet the needs of all Michiganders, including those who are most vulnerable, so that their voices are heard in the decision making process; and

Whereas, Michigan has the largest freshwater coastline in the United States and has more than 11,000 inland lakes. A Michigander is never more than six miles away from a fresh body of water; and

Whereas, The Great Lakes make up more than twenty percent of the world's freshwater supply and are a source of drinking water for about forty million people. Approximately 525,886 jobs in Michigan are directly connected to the Great Lakes; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare March 22, 2019, as Michigan Water Day and World Water Day in the state of Michigan. It is with great honor and appreciation that we take this time to join other states and nations in expressing our commitment to ensuring that clean affordable drinking water is available to all Michiganders; and commit ourselves to promotion of public awareness to prevent our precious water from pollution and depletion. On this day, we will celebrate and honor the pure water in our state, our country, and our world; and be it further

Resolved, While we recognize the interconnectedness of humanity and appreciate global challenges, we also recognize our duty as Michiganders in protecting our natural resources and instilling a sense of pride in ourselves and our children for our Great Lakes; and be it further

Resolved, We cherish and acknowledge the special responsibility of protecting Michigan's waters for current and future generations.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Witwer, Cherry, Chirkun, Haadsma, Hope, Jones, Kuppa, Liberati, Love, Manoogian, Shannon, Sneller, Sowerby, Stone, Warren, Whitsett and Wittenberg offered the following resolution:

**House Resolution No. 53.**

A resolution to declare April 2019 as Michigan Student Athlete Cardiac Awareness Month in the state of Michigan.

Whereas, The state of Michigan has lost at least 72 students to sudden cardiac arrest and related causes since December 1999; and

Whereas, Those students lost include 15-year-old Kimberly Anne Gillary, a student of Troy Athens High School who suffered a sudden cardiac arrest in a high school water polo game at Birmingham Groves High School on April 1, 2000; Kayla Stanford, a student at Ypsilanti East Middle School, who suffered a cardiac arrest after completing track practice on March 29, 2006; Thomas Noah Smith, a student of Flushing High School, who suffered a sudden cardiac arrest on January 29, 2011; and Wes Leonard, a student at Fennville High School who suffered a sudden cardiac arrest after scoring the winning basket in a basketball game on March 3, 2011; and

Whereas, The families of Kimberly Anne Gillary, Kayla Stanford, Thomas Noah Smith, and Wes Leonard have established Foundations (the "Foundations") in the memory of their lost sons and daughters to try to prevent other families from losing their sons and daughters to sudden cardiac arrest at school; and

Whereas, The Foundations have donated more than 1,100 Automated External Defibrillators (AEDs) to high schools and intermediate schools in the state of Michigan and have provided training to teachers and staff on the use of an AED and in CPR; and

Whereas, The vast majority of all Michigan high schools now have at least one AED on site due in part to the efforts of the Foundations founded by the families and by other concerned organizations; and

Whereas, In the past five years, there have been at least 22 lives saved including 10 students at Michigan K-12 schools as a result of the use of school AEDs, some of which were donated by the Foundations and other concerned organizations; and

Whereas, As a result of the efforts of the Foundations, the Michigan Department of Health and Human Services (MDHHS), and the Michigan High School Athletic Association (MHSAA) there is an increased awareness of the importance of more effective pre-participation screening of our high school student athletes and of having readily available AEDs in our high schools; and

Whereas, The Foundations have worked with the Michigan Department of Health and Human Services to develop the Michigan HeartSafe School Program and to encourage Michigan high schools to receive certification as a Michigan HeartSafe School. To date, there are 442 K-12 schools in Michigan that have received the MI HeartSafe School designation; and

Whereas, The Michigan Legislature has passed legislation to amend MCL 29.19 to require the governing body of any school in Michigan for grades K-12 to adopt and implement a Cardiac Emergency Response Plan for the school; and

Whereas, House Bill 4713 was signed into law on February 25, 2014, thereby establishing that it is the public policy of the State of Michigan that Michigan schools be adequately prepared to respond to a cardiac emergency on school property; and

Whereas, Senate Bill No. 647 was signed into law on December 28, 2016. It is now Public Act 388 of 2016 and requires all students in grades 7-12 to receive instruction in cardiopulmonary resuscitation (CPR) before graduation; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare April 2019 as Michigan Student Athlete Cardiac Awareness Month in the state of Michigan; and be it further

Resolved, That the people of the state of Michigan are encouraged to become more aware of the importance of improved pre-participation screening of our student athletes and the preparedness of our citizenry and public employees to respond to the sudden cardiac arrest of our sons and daughters while entrusted to our public schools in the course of their education; and be it further

Resolved, That the State Board of Education be urged to include provisions in policies and regulations for AED training in student health education courses and for regular AED drills, so that students and staff will be better prepared to use AEDs to save lives in schools and other public places; and be it further

Resolved, That copies of this resolution be transmitted to The Kimberly Anne Gillary Foundation, The KAYLA Foundation, The Thomas Smith Memorial Foundation, The Wes Leonard Heart Team, the Michigan High School Athletic Association, the Michigan Department of Health and Human Services, and the State Board of Education as a symbol of our support.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Pagan, Rabhi, Sneller, Pohutsky, Witwer, Sabo, Manoogian, Camilleri, Lasinski, Wittenberg, Kuppa, Gay-Dagnogo, Koleszar, Hoadley, Stone, Bolden, Guerra, Kennedy, Elder, Yancey, Sowerby, Whitsett, Clemente, Chirkun, Love, Cherry, Haadsma, Hood, Hope, Jones, Liberati, Shannon and Warren offered the following resolution:

#### **House Resolution No. 54.**

A resolution to declare April 2, 2019, as Pay Equity Day in the state of Michigan.

Whereas, It has been 56 years since the passage of the Equal Pay Act and even with the passage of Title VII of the Civil Rights Act just one year later, women and people of color continue to suffer the consequences of inequitable pay differentials; and

Whereas, Over a working lifetime, wage disparity costs the average American woman and her family, impacting Social Security benefits and pensions; and

Whereas, Pay discrimination based on any factor is wrong. Employees should be compensated by their employers based solely on their merits; and

Whereas, Fair pay strengthens the security of families today and eases future retirement costs while enhancing the American economy; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare April 2, 2019, as Pay Equity Day in the state of Michigan. We urge Michigan's citizens to recognize the full value of women's skills and significant contributions to the labor force.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Schroeder, Howell, Berman, Markkanen, Wozniak, Hertel, Garrett, Stone, Koleszar, Lasinski, Farrington, Inman, Huizenga, Hauck, Crawford, Bellino, Wittenberg, Kuppa, Rendon, Allor, Paquette, Chirkun, Haadsma, Jones, Liberati, Love, Sneller, Warren, Webber and Whitsett offered the following resolution:

#### **House Resolution No. 55.**

A resolution to declare March 30-April 6, 2019, as Money Smart Week in the state of Michigan.

Whereas, The Federal Reserve Bank of Chicago coordinates Money Smart Week, a nationwide annual public awareness and educational campaign that takes place March 30-April 6, 2019; and

Whereas, Money Smart Week is designed to help consumers better manage their personal finances through educational programming offered to all demographics and levels of knowledge and income and covers all facets of personal finance; and

Whereas, The 2019 Money Smart Week campaign is the kick-off of a full month of non-solicitous financial literacy education across Michigan; and

Whereas, Michigan has participated in Money Smart Week for seventeen years through the collaboration and coordinated effort of hundreds of organizations including financial institutions, non-profit groups, government entities, schools, and libraries. The initiative showcases these organizations' educational resources, strengthens private-public partnerships, engages the media, and connects people with those who can help them learn how to better manage their money; and

Whereas, Personal financial education and money management skills are crucial to enable Michigan residents to manage credit and debt and be responsible workers, heads of households, homeowners, investors, entrepreneurs, business leaders, and productive citizens; and

Whereas, In 2018, the Michigan Money Smart Week campaign conducted over 550 events and supported tens of thousands of participants of all ages with money management education in counties throughout the state; and

Whereas, Money Smart Week highlights the commitment of financial institutions and their partners throughout the state to strengthen the financial knowledge and capability of people through financial education; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare March 30-April 6, 2019, as Money Smart Week in the state of Michigan. We acknowledge the significant contributions of Money Smart Week in our state; and be it further

Resolved, That we call on each resident, business, community organization, and unit of government to observe this week with participation in Money Smart Week programs and activities.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Robinson, Marino, Elder, Koleszar, Tate, Coleman, Brenda Carter, Tyrone Carter, Neeley, Garza, Liberati, Guerra, Manoojian, Bellino, LaFave, Mueller, Hammoud, Camilleri, Bolden, Haadsma, Warren, Gay-Dagnogo, Hertel, Sowerby, Sneller, Wittenberg, Sabo, Shannon, Lasinski, Rabhi, Jones, Kennedy, Whitsett, Cherry, Brixie, Yancey, Markkanen, Love, Chirkun and Hope offered the following resolution:

**House Resolution No. 56.**

A resolution to urge the Congress of the United States to consider legislation or other reforms to help stabilize distressed multiemployer pension systems.

Whereas, Pensions are a leading source of income for retired Michiganders. According to Michigan's Department of Treasury, in recent years, pension and annuity distributions made up more than 33 percent of a retiree's income. For these individuals, Social Security income accounted for less than half of that amount—15 percent—of their income in the same period. Across the nation, it is estimated that more than 30 percent of American retirees have secured their retirement with defined benefit retirement plans; and

Whereas, Defined benefit plans, particularly multiemployer plans, are credited with keeping millions of industrial and post-industrial American laborers from poverty's reach, but these systems are coming under increased financial strain and could collapse. Of the 10 million Americans with multiemployer plans, about 1.5 million are members of a plan considered to be in serious financial jeopardy. If these plans collapse, a significant portion of their income will evaporate, and through no fault of their own, members who made pension contributions for decades in exchange for security in retirement will no longer receive the benefits they were promised; and

Whereas, Federal legislation that could stabilize distressed multiemployer pension systems may be necessary for the long-term well-being of plan members. The Congress of the United States should take the solvency of these pension plans seriously and investigate ways to stabilize distressed multiemployer pension plans; and

Whereas, The national debt has doubled in the last decade and increased pressure has been placed on the Social Security Trust Fund. To secure a healthy retirement for retirees and a prosperous future for their children, these issues need to be addressed alongside multiemployer pension systems; now, therefore, be it

Resolved by the House of Representatives, That we urge the Congress of the United States to consider legislation or other reforms to help stabilize distressed multiemployer pension systems; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Local Government and Municipal Finance.
