Pastor David L. Pierce, Sr. Pastor of First Baptist Church in Coldwater, offered the following invocation:

“Our Gracious God and Loving Heavenly Father;

In a time in which there is so much division, where there is so much stress, strain and frustration, it is with great hope and expectation that we approach You today on behalf of this gathered body of servants for the state of Michigan.

We give You thanks for the revelation of Yourself in the Creation that surrounds us, through Your Word, and through Your Son, our Lord Jesus Christ. You have shown Yourself and assured us of Your presence.

And it is in that spirit of thanksgiving that we seek Your wisdom and understanding for those elected, these men and women who compose this Legislative body, and who are under obligation (to) rule Your people well, and with honor, and dignity, compassion and understanding.

Give wisdom to these who are entrusted with the welfare of the State and its people. Give understanding in times when conflicting opinions arise. Give compassion to understand the needs of the poor and shed light on the best paths to solve problems, resolve issues and bring people together.

In a day where so much division exists, help us to remember the words of Jesus Christ that ‘Blessed are PEACEMAKERS, for they shall be called the children of God.

Bless this body and its members who not only face the challenge of ruling well, but even now also face personal challenges in their lives. Bless their families. Bless the staff members that serve this assembly, the assistants, and the pages. Make their work a labor of love and grant effectiveness to the process and their endeavors.

In all of these things, we approach You humbly and in faith, through Jesus Christ our Lord.
Amen.”

Motions and Resolutions

Reps. Manoogian, Hammoud, Shannon, LaGrand, Bolden, Rabhi, Pagan, Garza, Liberati, Guerra, Neeley, Tate, Sabo, Kuppa, Elder, Cambensy, Kennedy, Tyrone Carter, Anthony, Ellison, Chirkun, Hope, Sneller, Sowerby and Stone offered the following resolution:

House Resolution No. 71.

A resolution to oppose the mass deportation of Iraqi nationals residing in Michigan and the United States.

Whereas, More than 100 Michigan residents of Iraqi and Chaldean-Assyrian descent have been arrested by Federal Immigration and Customs Enforcement and threatened with deportation; and

Whereas, Removing these Michigan residents from their homes and communities and deporting them to Iraq will put their lives in danger. Many of these Iraqi nationals were children when they came to the United States as refugees, fleeing systematic religious persecution and violence in Iraq. As members of religious minorities, these individuals will face persecution for their religious beliefs and will face insurmountable struggle to rebuild their lives in a country they do not and have never called home; and

Whereas, Individuals of Iraqi descent have made important historical contributions to the United States and to Michigan. Metro Detroit is home to the largest concentration of Chaldeans outside of Iraq. Chaldean Michiganders are doctors, lawyers, business owners, mothers and fathers, and community leaders. These Michigan residents grew up and made their home here in Michigan, raised families, and became part of the fabric this state; now, therefore, be it

Resolved by the House of Representatives, That we oppose the mass deportation of Iraqi nationals residing in Michigan and the United States; and be it further

Resolved, That copies of this resolution be transmitted to the Acting Director of U.S. Immigration and Customs Enforcement and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Government Operations.

Reps. Wittenberg, Berman, Chirkun, Garza, Hope, Kuppa, Liberati, Manoogian, Pagan, Sabo, Shannon, Sneller, Sowerby, Stone and Tate offered the following resolution:

House Resolution No. 72.

A resolution to declare May 2, 2019, as Holocaust Remembrance Day in the state of Michigan.

Whereas, The horrors of the Holocaust should never be forgotten. The Holocaust was the state-sponsored systematic persecution and annihilation of European Jewry by Nazi Germany and its collaborators during the years 1933 through 1945. This resulted in the extermination of six million Jews and their potential decedents. The world's Jewish population was reduced by one-third. Poland, home to the largest Jewish community before World War II, lost 90 percent of its Jewish population. Greece, Yugoslavia, Hungary, Lithuania, Bohemia, the Netherlands, Slovakia and Latvia each lost more than 70 percent of their Jewish population; and

Whereas, Millions more suffered grievous oppression and death under Nazi tyranny based on their religion, including Catholic priests, Christian pastors, and Jehovah's Witnesses; their national origin, including Poles, Soviets, Ukrainians and Sorbs; their ethnicity and culture, including the Romani people; their political beliefs, including courageous resisters and government dissidents; their physical appearance, including those with disabilities; and their sexual orientation and gender identity; and

Whereas, The history of the Holocaust allows us to reflect on the moral and ethical responsibilities of individuals, societies, and governments. It also serves as an important reminder of what can happen when we allow bigotry, hatred, and indifference to enter and conquer our societies. It is crucial to educate all citizens about the horrors of genocide and to instill values of tolerance and acceptance in our state's ever-changing and diverse population; and

Whereas, The Michigan Legislature enacted PA 170 of 2016, which provided that the board of a school district or board of directors of a public school academy shall ensure that the school district's or public school academy's social studies curriculum for grades 8 to 12 includes age- and grade-appropriate instruction about genocide, including, but not limited to, the Holocaust and the Armenian Genocide; and

Whereas, PA 170 of 2016 also created the Governor's Council on Genocide and Holocaust Education, a temporary commission, whose tasks include identifying and notifying schools about resources for teaching about genocide and the Holocaust; and to engender and coordinate events, activities, and education that will appropriately memorialize the victims of the Holocaust, such as observance of Holocaust Remembrance Day; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2, 2019, as Holocaust Remembrance Day in the state of Michigan; and be it further

Resolved, That in honor of the victims of the Holocaust, the survivors, and their liberators, the citizens of Michigan should reflect upon this terrible event and strive to overcome hatred and intolerance through learning and remembrance.

The resolution was referred to the Committee on Government Operations.

Rep. Cole moved that Rule 71 be suspended and the resolution be considered at this time.

The motion prevailed, 3/5 of the members present voting therefor.

Reps. Bellino, Chirkun, Hope, Kuppa, Liberati, Manoogian, Sabo, Sneller, Stone and Tate offered the following resolution:

House Resolution No. 73.

A resolution to declare April 18, 2019, as Lineman Appreciation Day in the state of Michigan.

Whereas, The linemen profession has existed for as long as electricity has been a standard part of modern living; and

Whereas, There are over 115,000 highly trained and skilled linemen in the United States, servicing 9 million miles of wire; and

Whereas, Linemen work under dangerous conditions in order to construct and maintain the energy infrastructure of the United States. Linemen are often the first responders during catastrophic events, making sure the scene is safe and work around the clock to restore power after a storm emergency. Linemen readily respond to disaster recovery needs anywhere in the country through mutual assistance agreements; and

Whereas, Working in and around roadways is often required by men and women who repair and maintain electric lines which presents a daily danger. The Michigan Legislature has passed several public acts to require drivers to drive safely in work zones and provide penalties for those who don't respect these work zones; and

Whereas, It is important for Michigan to recognize and express our appreciation to these brave and dedicated men and women who put their lives at risk to ensure the safe and reliable delivery of power to our communities; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare April 18, 2019, as Lineman Appreciation Day in Michigan.

Messages from the Governor

The following message from the Governor was received April 17, 2019 and read:

EXECUTIVE ORDER

No. 2019-10**Michigan Joint Task Force on Jail and Pretrial Incarceration**

Little statewide data exist to account for who is booked into local jails, how long they stay, and why. National sources show Michigan jail populations tripling in the last 35 years. With crime now at a 50-year low, hundreds of thousands are still admitted to Michigan jails every year, and people are staying in jail longer on average than before. Furthermore, roughly half of the people held in Michigan’s jails on any given day have not been convicted of a crime and are constitutionally presumed innocent as they await trial.

A significant portion of county budgets in Michigan go to justice-system costs. Growth in jail populations has stretched county resources, leaving less for investment in treatment services, crime prevention, victim services, economic development, and other local priorities.

Local justice-system decisions, ranging from arrest and pretrial release to case processing, diversion, and jail sentences versus community-based alternatives, are shaped and influenced in part by state-level laws, policies, and budgetary decisions.

An emerging and fast-developing body of research offers useful guidance about what does and does not work to prevent and deter crime, protect victims, ensure court appearance and pretrial safety, and reduce recidivism.

Jurisdictions across the country have generated innovative models for justice-system reform that could inform policy discussions or be adapted to improve system outcomes in Michigan.

The elected leaders of this state are committed to good government, transparency, responsible spending of taxpayer resources, and to the constitutional guarantees of liberty, due process, and equal protection of the laws.

Moreover, the elected leaders of this state have a strong interest in easing the burden on county budgets, taxpayers, and citizens by ensuring jail beds are used in targeted ways that promote public safety and economic stability.

A joint task force to evaluate justice systems in Michigan and to craft recommendations for statewide policy and budgetary changes grounded in data, research, and fundamental constitutional principles, will assist the state in increasing justice-system efficiency and effectiveness and in becoming a national leader in justice-system reform. This task force will exist as a partnership between county and state leaders, as well as other leaders involved in the criminal justice system.

Section 1 of article 5 of the Michigan Constitution of 1963 vests the executive power of the State of Michigan in the governor.

Section 4 of article 5 of the Michigan Constitution of 1963 authorizes the establishment of temporary commissions or agencies for special purposes.

Acting pursuant to the Michigan Constitution of 1963 and Michigan law, I order the following:
