Fr. Stephen Pullis, Director of Evangelization, Catechesis, and Schools for the Archdiocese of Detroit, offered the following invocation:

“Now the Lord is the Spirit, and where the Spirit of the Lord is, there is freedom. All of us, gazing with unveiled face on the glory of the Lord, are being transformed into the same image from glory to glory, as from the Lord who is the Spirit’ (2 Cor 3:17-18).

Father in heaven, I stand before Your servants humbled by the task You have entrusted to them. They have the solemn responsibility to speak for and decide on behalf of Your children, their constituents, how best to lead our body politic.

Give to them this day and always:

Minds which seek Your truth so as to know how best to make laws;

Voices which speak the truth so as to represent what is best in the people of Michigan;

Ears to hear, clearly and trustingly, the voices of those whom they represent and those with whom they serve;

Eyes to see those most in need, so as to remember the most vulnerable and forgotten of our society;

Judgement which is right and fair so as to make decisions for the common good;

Hearts which are touched by You, so as to hold their offices with humility and grace;

St. Francis of Assisi taught that ‘It is no use walking anywhere to preach unless our walking is our preaching.’

Lord, give to the representatives of the people of Michigan understanding in where to go and wisdom in how to get there.

We offer this prayer grateful to Almighty God for the blessings of freedom, and earnestly desiring to secure these blessings undiminished to ourselves and our posterity, in Jesus’ name.

Amen.”

The Speaker assumed the Chair.

Rep. Rabhi moved that Reps. Whitsett and Gay-Dagnogo be excused from today’s session.

The motion prevailed.

The Speaker called Associate Speaker Pro Tempore Hornberger to the Chair.

Motions and Resolutions

Reps. Crawford, Allor, Bollin, Brixie, Calley, Cherry, Chirkun, Clemente, Garrett, Garza, Hall, Hertel, Hoadley, Hood, Cynthia Johnson, Kahle, Koleszar, Kuppa, Lasinski, Rendon, Sabo, Shannon, Sowerby, Warren, Wittenberg, Witwer and Yaroch offered the following resolution:

House Resolution No. 173.

A resolution to declare October 2019 as Breast Cancer Awareness Month in the state of Michigan.

Whereas, October has long been recognized across America as Breast Cancer Awareness Month in an effort to raise public awareness about the importance of early detection; and

Whereas, In 2019, it is estimated that among U.S. women, there will be 268,600 new cases of invasive breast cancer and 62,930 new cases of in situ breast cancer along with over 40,000 breast cancer deaths; and

Whereas, In 2019, there are more than 3.1 million women with a history of breast cancer in the U.S. This includes women currently being treated and women who have finished treatment; and

Whereas, According to the Michigan Department of Community Health, breast cancer is the second leading cause of cancer deaths in Michigan women and the most commonly diagnosed cancer in Michigan women; and

Whereas, One in eight women will be diagnosed with breast cancer in their lifetime; and

Whereas, Everyone is at risk for breast cancer but the two most important risk factors are being female and getting older; and

Whereas, The five year survival rate among women whose breast cancer has not spread beyond the breast at the time of diagnosis is close to 100 percent; and

Whereas, The use of mammography in the U.S. has been credited with doubling the detection of early stage breast cancer and breast cancer death rates have steadily declined since the 1990's; and

Whereas, Efforts to promote increased mammogram screening have resulted in the third Friday in October being declared National Mammography Day; and

Whereas, Even with impressive progress, many women do not utilize mammograms or other recommended testing methods at regular intervals before physical symptoms can be seen or felt. Breast cancer deaths could decline further if all women age 40 and older received recommended screenings at regular intervals; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare October 2019 as Breast Cancer Awareness Month in the state of Michigan. We urge all Michiganders to use this month as an opportunity to educate themselves about breast cancer and take proactive steps to reduce their risks and get appropriate screenings.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Schroeder, Farrington, Allor, Bollin, Chirkun, Clemente, Garrett, Hoadley, Hood, Jones, Kahle, Lasinski, Rendon, Sabo, Warren, Wittenberg and Witwer offered the following resolution:

House Resolution No. 174.

A resolution to declare October 2019 as Get Smart About Credit Month in the state of Michigan.

Whereas, Financial literacy is the basic knowledge and skills that allows individuals to make educated decisions about their financial resources and plan for a stable economic future; and

Whereas, Those who are proficient in financial literacy possess the capability to create and execute short term and long-term budgets, invest in the market, save and plan for retirement, buy a house, pay off student loans, grow a credit score, and manage communications with their financial institutions; and

Whereas, An important component of mastering financial literacy is the ability to maintain good credit; and

Whereas, Young Michiganders need financial education. According to Forbes Magazine, total U.S. student debt was \$1.52 trillion in 2018 involving over 44 million borrowers before they even enter the workforce; and

Whereas, During their early adult years, young Michiganders will face important decisions that will impact their financial futures; and

Whereas, Many Michiganders do not know what a credit score is or how it impacts the ability to qualify for mortgages, car loans, boat loans, or other lines of credit; and

Whereas, Young Americans wish they had the opportunity to learn about personal finance before they graduate high school. According to a 2016 Bank of America/USA Today Better Money Habits report, when asked about what they had hoped to learn more about in school, college students say financial topics are at the top of the list; and

Whereas, Not all states require high school students to learn about personal financial education; and

Whereas, There is no fast and easy way to "fix" damaged credit. Repairing credit history takes time and requires the establishment of good money management over a length of time; and

Whereas, Understanding credit management is key to establishing good credit in the future; and

Whereas, Having access to credit in the future may assist Michiganders who face significant life events, both positive and negative, and experience drastic changes to their financial plans. Our citizens can unexpectedly face a decline in health, medical expenses, or legal troubles. Being able to access affordable emergency lines of credit can help individuals avoid being left with fees, costs, fines, and other financial obligations that are difficult to manage; and

Whereas, Empowering Michiganders to be knowledgeable about their finances and about the best ways to maintain access to positive credit programs will enable our citizens to be in positions to boost our local economies and lower poverty rates over the long term. Lowering poverty rates does not simply create more jobs, but it strengthens our citizens' ability to provide for their families and to raise their children. Promoting smart credit management and overall financial literacy helps our citizens achieve their American Dream; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare October 2019 as Get Smart About Credit Month in the state of Michigan; and be it further

Resolved, That we urge all Michigan financial institutions to observe the month with appropriate programs and activities for the students and all members of the communities they serve.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Marino, Allor, Bollin, Calley, Cherry, Chirkun, Crawford, Garrett, Garza, Hall, Hoadley, Hood, Kahle, Sabo, Schroeder, Shannon, Warren, Wittenberg and Witwer offered the following resolution:

House Resolution No. 175.

A resolution to declare October 4-6, 2019, as Buy Nearby Weekend in the state of Michigan.

Whereas, Buy Nearby is an ongoing, year-round campaign launched by the Michigan Retailers Association to benefit Michigan communities and their retail businesses; and

Whereas, The campaign encourages Michiganders to think before they click on out-of-state online store sites and instead buy from retail businesses where they live, work, or visit in Michigan so more shopping dollars stay in our local communities and state economy; and

Whereas, Buy Nearby, now in its seventh year, strives to instill a “Pure Michigan” feeling to the shopping experience and send the message to “Keep your money in the Mitten”; and

Whereas, Retailing is responsible for 877,000 jobs in Michigan, a number that could rise through increased local purchases; and

Whereas, If Michigan shoppers switched just one in ten of their out-of-state purchases to a Michigan retailer, it would create an additional \$1.2 billion in economic activity and nearly 10,600 new jobs amounting to \$350 million in additional wages; and

Whereas, Each purchase made at a Michigan store keeps more money in our communities, improves the vitality of our local economies and the quality of life, and directly supports our communities, our schools, and our infrastructure; and

Whereas, The year-round Buy Nearby campaign has designated October 4-6, 2019 as Buy Nearby Weekend, a three-day observance for all to celebrate local communities and their retail businesses; and

Whereas, Communities and retailers are encouraged to offer special events and other promotions to encourage local shopping and stimulate Michigan’s economy on Buy Nearby Weekend; and

Whereas, Residents are encouraged to shop with family and friends and support their communities and local retailers by posting photos and comments on social media using the #buynearbymi hashtag; and

Whereas, Buy Nearby weekend will demonstrate that buying nearby can be fun and rewarding; now, therefore, be it

Resolved by the House of Representatives, That members of this legislative body declare October 4-6, 2019, as Buy Nearby Weekend in the state of Michigan; and be it further

Resolved, That the people of the state of Michigan are encouraged to buy nearby on these three days and every day.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Sneller, Slagh, Cherry, Ellison, Wittenberg, Love, Lasinski, Liberati, Clemente, Bolden, Haadsma, LaFave, Warren, Neeley, Jones, Calley, Chirkun, Garrett, Garza, Hertel, Hoadley, Hood, Cynthia Johnson, Kahle, Koleszar, Kuppa, Sabo, Schroeder, Sowerby and Witwer offered the following resolution:

House Resolution No. 176.

A resolution to declare October 2019 as Disability Employment Awareness Month in the state of Michigan.

Whereas, A 2017 study conducted by Cornell University showed that 67% of people with disabilities in Michigan were not working; and

Whereas, People with developmental disabilities in Michigan share with the rest of the state’s nearly 10 million residents the right to work in competitive, integrated work environments with needed supports, while making minimum wage; and

Whereas, It has been more than 70 years since Congress designated a week in October, which has culminated into National Disability Employment Awareness Month with the 2019 theme being “The Right Talent, Right Now.”; and

Whereas, Every person should be seen for their ability, with valuable strengths and the potential to make important contributions to their local communities; and

Whereas, By promoting opportunities for all citizens with disabilities in Michigan, gaining individual integrated employment, and engaging businesses to value the contributions that employees with disabilities bring to their organization, we will enhance the employment landscape and enable Michigan to compete with other states to bring in high-demand businesses and jobs; and

Whereas, Disability Employment Awareness Month is an appropriate time to recognize Michigan's employment accomplishments concerning persons with disabilities in integrated environments and to make sure all of Michigan's citizens with intellectual and developmental disabilities are included; and

Whereas, Celebrating the abilities and contributions of people with developmental disabilities can only serve to enrich the communities of Michigan and enhance our diversity; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare October 2019 as Disability Employment Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Shannon, Brixie, Cherry, Chirkun, Crawford, Garza, Hertel, Hoadley, Hood, Cynthia Johnson, Koleszar, Kupa, Lasinski, Rendon, Sowerby, Warren, Wittenberg and Witwer offered the following resolution:

House Resolution No. 177.

A resolution to declare October 2019 as Filipino American History Month in the state of Michigan.

Whereas, Michigan is home to more than 32,000 individuals claiming Filipino heritage, who have had a profound and positive impact on this state; and

Whereas, October was the month selected by the Filipino American Historical Society (FANHS) because it was October 1587 in Morro Bay, California, that the first known Filipinos arrived in America; and

Whereas, Since immigrants from the Philippines first established their roots in Michigan, they have become leaders in every aspect of our communities, enriching our schools, businesses, civic life, and social organizations across the state; and

Whereas, Dr. Felicisima "Ping" Serafica was the first Filipina American professor of psychology to receive tenure in the US. She helped establish one of the Philippines' first hospitals for children with mental disabilities and the country's first interdisciplinary mental health clinic. By extension, Filipino Americans continue to play an integral role in Michigan's health care system as nurses, doctors, and other medical professionals; and

Whereas, Filipino Americans have contributed greatly to music, dance, literature, journalism, sports, fashion, politics government, science, technology, the fine arts, and other fields in the U.S. that enrich the landscape of the this country. Dr. Dawn Bohulano Mabalon became the first Filipina to receive a Ph.D. in History from Stanford University. She was a professor, a historic preservationist, and the author of *Little Manila is in the Heart* and *Journey for Justice: The Life of Larry Itliong*; and

Whereas, These contributions reflect a culture which values and prioritizes family and community, which takes pride in hard work and diligence, and which celebrates its collective identity; and

Whereas, It is imperative for Filipino-American youth to have positive role models to instill in them the significance of education, complemented with the richness of their ethnicity and the value of their legacy; and

Whereas, Filipino Americans have also improved our state through their commitment to fostering institutions that have helped to eliminate prejudices and stereotypes and establish the kind of cross-cultural dialogue and understanding that makes our state a diverse and welcoming place for all; and

Whereas, Thanks in no small part to the efforts of Michigan's Filipino Americans, the United States continues to strengthen its relationship with the Filipino American community and to continue to promote the culture, values, history and traditions of the Philippines; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare October 2019 as Filipino American History Month in the state of Michigan; and be it further

Resolved, That with the declaration of Filipino American History Month, we acknowledge and celebrate the contributions of Filipino Americans, who have greatly enriched Michigan's economy, civic life, and state culture.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Cambensy, LaFave, Markkanen, Vaupel, Hertel, Elder, Chirkun, Garza, Hood and Lasinski offered the following concurrent resolution:

House Concurrent Resolution No. 11.

A concurrent resolution to urge the Centers for Medicare and Medicaid Services to promptly approve a variance regarding shared bathroom facilities at the D.J. Jacobetti Home for Veterans.

Whereas, The D.J. Jacobetti Home for Veterans provides a home-like environment that meets a range of care needs, including skilled nursing care. Former service members choose the D.J. Jacobetti Home for Veterans for the unique environment it provides, which includes the comradery gained by living with other veterans. Because this population is predominantly male, it differs significantly from most skilled nursing environments; and

Whereas, The Centers for Medicare and Medicaid Services (CMS) requires skilled nursing facilities to equip each resident room with its own bathroom. If a facility wants to provide shared bathrooms, CMS must approve a variance, an exemption from these federal regulations; and

Whereas, 105 of the 186 beds at the D.J. Jacobetti Home for Veterans, all occupied by male residents, do not meet this bathroom requirement because they offer shared bathroom facilities. This means they are currently ineligible to be dually certified for Medicare and Medicaid like the other 81 beds; and

Whereas, There are times when a veteran eligible for Medicare or Medicaid benefits seeks placement in this facility, but the only available beds are non-certified. Veterans face the difficult position of choosing between receiving only partial benefits to be able to stay at the D.J. Jacobetti Home for Veterans and being able to use all of their entitled benefits, a right they have earned through their service to our country; and

Whereas, The advantages gained by allowing veterans to fully utilize the health benefits available to them by approving a variance from CMS bathroom requirements far outweigh any potential issues. Veterans deserve to be able to live where they choose without sacrificing any of their health benefits; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That we urge the Centers for Medicare and Medicaid Services to promptly approve a variance regarding shared bathroom facilities at the D.J. Jacobetti Home for Veterans; and be it further

Resolved, That copies of this resolution be transmitted to the Administrator of the Centers for Medicare and Medicaid Services, the Director of the Michigan Department of Health and Human Services, and the Director of the Michigan Veterans Affairs Agency.

The concurrent resolution was referred to the Committee on Military, Veterans and Homeland Security.
