Senator Ed McBroom of the 38th District offered the following invocation:

Dear Father, we thank You that regardless of the time of day You are with us and that Your mercies never fail, there is no shadow of turning with You, but You are faithful, that You are with us in our time of need. Father, we pray that in this great hour of need in our nation when we are such needy people, that we would not style ourselves as being strong, style ourselves as having all the answers, or being the ones who can fix our problems on our own. Help us to cast our cares on You, Father. Help us to cast our needs to You. Help us to be humble and recognize that we are weak, we are flailing, ignorant, unable to solve the great problems that plague our state and our nation on our own.

Father, be merciful to us and provide for us, again, Your blessing, Your peace, and Your prosperity. We especially pray for those who suffer because of this disease, that You would bring mercy to us, that You would calm our hearts. Help us to be reasoned and rational, to think clearly, to not be swayed by deceit and lies, but to be freed by truth. Help us all to see what is true and to wait for it, to wait patiently for truth, so we can make wise decisions for Your people in this state.

I pray for our Governor, Father, and the great burden that is on her, for her people. We pray that she would recognize the suffering and that You would protect her and her family.

I pray all this in Jesus' name. Amen.

The President, Lieutenant Governor Gilchrist, led the members of the Senate in recital of the *Pledge of Allegiance*.

Mr. President, I respectfully vote "no" on Senate Resolution No. 149. Below is the language of a law enforcement related resolution that I would be proud to have supported instead.

A resolution of gratitude for law enforcement agencies and officers across the state.

Whereas, Recent incidents related to the plot to overthrow Michigan's state government by kidnapping the Governor or storming the Michigan State Capitol have proven law enforcement is a necessary and vital function of our government at all levels; and

Whereas, The U.S. Department of Justice, Federal Bureau of Investigation, Michigan State Police, and local law enforcement worked together to conduct the investigation and arrest thirteen people in connection with the scheme to overthrow the state's government; and

Whereas, Law enforcement officers are courageous individuals working in dangerous situations to enforce the laws enacted by the Legislature to ensure public safety, protect the health and possessions of our citizens, and prevent crime and disorder; and

Whereas, Communities across the state and from across the political spectrum, including current and former law enforcement officials, have called for improvements to our law enforcement systems to ensure that we have strong, fair, and effective systems to ensure public safety and that we restore police and community relations and trust; and

Whereas, The Legislature will continue its work to develop bipartisan solutions to improve law enforcement while at the same time ensuring sufficient funding for local law enforcement agencies; now, therefore, be it

Resolved by the Senate, That we thank law enforcement officers across our state for protecting Michigan residents and commit to working toward bipartisan solutions regarding improving public safety; and be it further

Resolved, That copies of this resolution be transmitted to the Michigan State Police, Federal Bureau of Investigation, and U.S. Department of Justice.

We walk in and the tables are all dressed up and the silverware is polished, the food is being prepared, and there are floral arrangements all over. We don’t see the work that goes on behind the scenes. I have to tell you, since the Supreme Court decision, our staff—our legal counsels in both the House and the Senate

and the administration, our policy people, LSB—have been working overtime to prepare us for this day. And I’m just so proud of the work that’s been done by everybody that’s been involved in this and didn’t want this evening to go by and this time to pass without thanking properly our staffs in the Senate, the House, and their relationship with the administration and all the work that’s been done.
